OF CENTRAL GOVERNMENT'S

RIGHT TO INFORMATION

ACT-2005

Manual – VII

The particulars of any arrangement that exists for consultation with, or representation by, the members of the public in relation to the formulation of its policy or implementation thereof.

(Revised up to 31.03.2015)

The Solid Waste Management Department of Brihanmumbai Mahanagar palika has promoted formation of Advance Locality Management Committee for Waste management at local level in ward. Advance Locality Management Committee are formed by citizens of a building or many co-operative societies or group of buildings in a street. This Advance Locality Management Committee is registered at ward level. The main focus of this Advance Locality Management Committee groups is to segregate waste at source and give dry / wet waste separately to vehicles provided by MCGM. Advance Locality Management Committee should segregate and prunes wet waste by composting and give dry waste to recycler or waste picker.

In this manner, Advance Locality Management Committee create clean and green streets. Nodal officers appointed by MCGM, coordinate with Advance Locality Management Committee and for local ward offices for all the waste in SWM at ward level. Asst. Commissioner of local ward conducts bi-monthly meeting with Advance Locality Management Committee groups to resolve local issue pertaining to water supply, sewage disposal, tree trimming,

mosquito breeding, fogging etc., Advance Locality Management Committee are given preference through these meeting. To create awareness and publicity about the concept of Advance Locality Management Committee group, an Officer on Special Duty is appointed for this specific work.
