

Bakri Eid Slaughter House Permission

Municipal Corporation of Greater Mumbai (MCGM) is a Local Self Government, governed by M.M.C. Act 1888 and providing various services to Citizens of Mumbai including water supply, sanitation, roads, storm water drains and many other services.

Deonar Abattoir is constructed and maintained u/s 61 (h) of MMC Act 1888 as an obligatory duty to provide wholesome and hygienic meat.

MCGM has recently launched approval system for getting “Permission for Religious slaughter of Sheep/Goat” during Bakri idd festival. Citizens who wish for the Sheep/Goat sacrifice during Bakri idd can raise request for the same from MCGM, filling out the request form along with ID. However, this application lacks certain functionalities which do not prevents the users from raising bogus /fake requests which creates undesired administrative problem.

Purpose:

With the aim to establish sacrifice permission of sheep / goat on the occasion of Bakri idd to a much simplified, visually rich, user-friendly environment & to run on the latest technology while keeping the maintenance cost to minimum. A solution is also required to anticipate channelizing the user inputs through the single interface, so that to ensure all the request are recorded and attended in time every time.
