**CIRCULAR**

**Sub:** Online Applications for Trench Permit for Sewer Street Connection under Ease of Doing Business

**Ref:** Integration of Online Trench Permit Application with S.P. NOC for new building permission

In present scenario, Online Application for Trench Permit for Sewer street connection is made separately to the respective Wards through MCGM Portal.

Now, the same is integrated with SP NOC in AutoDCR under EOBD. Hence, all applications for Trench Permit for sewer street connection shall be made online in AutoDCR only.

For NOC / remarks that are already auto generated or issued earlier manually, in such cases existing process for obtaining Trench Permit shall be followed.
