INTRODUCTION

Background

Shop assistants and commercial employees are an important section of the working class population rendering useful service to the community, but they did not enjoy any protection of legislation till the year 1940 in this country. The working conditions of the Shop assistants and the commercial employees in the city of Mumbai were worse than the employees employed in unregulated factories. The majority of employees of such establishments had no education but were experts in carrying on their business and their business knowledge was superior. The daily working hours of employees in shops were not fixed and exceeded more than 12 hours a day. The condition was worse in respect of meek munims who worked from morning till midnight and grew gray in the service of their pedhis. The system of granting rest interval was not heard of and the granting of a paid holiday depended solely upon the whims of the management. The Government of Bombay Province as it existed under the British Rule was the first province in undivided India to make an attempt in this direction when in the early thirties a private bill was introduced by Shri R. P. Bakhle. It did not meet with the approval of the then Government as there was no sufficient data for formulating guidelines in this behalf. That bill however aroused such interest that the Government through the Labour Commissioner conducted an inquiry into the working conditions in five important cities. Mumbai, Ahmedabad, Hubli, Poona and Sholapur. The report received in his behalf revealed appalling conditions especially in restaurants, eating houses and various retail trades. There was insistent demand for the betterment working conditions in the cloth markets in Mumbai, which resulted in attracting the attention of the Government. Such going to the history of the enactment of the Bombay Shops & Establishment Act. It is seen from records that the then Government of Bombay through its labour office conducted an inquiry in the year 1935 into the wages, hours of work and conditions of employment in the retail trade of some town in the Bombay Presidency. The picture which presented itself to the Government was far from happy and a maiden attempt was made by the then Government of Bombay to bring order out of chaos and regulate the hours of work and conditions of service by promulgating the Bombay Shops and Establishment Act, 1939. The Administration of the Bombay Shops & Establishment Act, 1939, was entrusted to the local authorities in Bombay province in areas where these existed as they possessed the inspecting staff for licensing of such shops in accordance with the municipal regulations in force. Further the municipal inspectorial staff was in close contact and was well conversant with the needs of such establishments. The Act had solitary effect on the conditions of work of the employees. The Bombay Shops & Establishment Act, 1948 is a social piece of legislature, the main object of this Act is to consolidate and amend the law relating to the regulating of condition of work of employment in Shops, Commercial Establishments,

Residential Hotels, Restaurants, Eating Houses, Theatres and other places of public amusement or entertainment and other establishments. This Act extent to the whole of State of Maharashtra. As provided in the Act it is the duty of every local authority to enforce within the area subject to its jurisdiction, the provision of this Act subject to such supervisions of the State Government as may be prescribed. The Municipal Corporation of Greater Mumbai being a local authority for this Metropolitan City of Mumbai, the enforcement of the provisions of Bombay Shops & Establishment Act, 1948 is entrusted to the Municipal Corporation.

Short History of the Department :

The Bombay Shops & Establishment Act, 1939 was first time passed on 2.11.1939 and the Shops & Establishments Department was created in the month of November, 1940. the Bombay Shops & Establishment Act first to introduce the legislation regulating the working conditions of Shop Assistants in India. the enforcement of the provisions of the Act was entrusted to the local authority. So far as the Municipal Corporation of Greater Mumbai was concerned, the Shops & Establishments Department was placed under the Superintendent of Licence for the purpose of administration as its future development could not at that stage be forced. However, 10 years later 1950 the then Municipal Commissioner suggested that Shops & Establishments Department had now reached a major stage in its growth and need separated from the Licence Department and placed in a separate head. The Corporation under its Resolution No.658 of 19.1.1950 accepted the Commissioner's recognition and the department came to be placed under the chief Inspector of Shops & Establishments Department. The point that with the Commissioner in suggesting separate from Licence department were that the Superintendent of Licence was already over-burdened with the control of licence of storages and trades, control of advertisement and control of hawkers. The extension of Mumbai City with the suburbs increased the work till further and therefore, he felt that in the exist of vacancy the department should be placed under an Independent Officer. They could draw initiative and constructive ideas to each work. Since the separation save social and economic were held so as to ascertain the social and economic condition of the employees affected by the Act, and the department was efficiently managed by 5 succeeded Chief Inspectors till 18th December, 1964. With the retirement of the last Chief Inspector the department again came to be placed under Superintendent of Licence by keeping the post of CISE in abeyance from 18.12.1964. The issue was again examined by then Municipal Commissioner on receipt of the letters received from Shri P.G.Kher, the then Minister of Urban Development and Works, Government of Maharashtra and Shri Shanti Patel, the then Leader Bombay Municipal Congress Party. In view of the above observation, the issue was once again examined and finally as per M.C.'s order under No. MPS/9975(140) of 11/12/72 Shops and Establishment department was separated from Licence Department from 1/12/72 with Chief Inspector Shops & Establishment as a Head of the department. The co-ordination

Scheme was introduced from 1/7/1972 in accordance with which Shops & Establishment inspectors are now required to attend to the work of the Licence and factory department. On 1st December, 1978 coordination scheme was dissolved and since then Shops & Estt. Department is functioning independently under the Head of Chief Inspector, Shops & Estt. Department. Only source of income of this department is collection of fees are registration of establishments and renewal of the Registration Certificate.
