Introduction

Assistant Engineer (Building and Factories)

The right to information is implicitly guaranteed by the Constitution. However, with a view to set out a practical regime for securing information, the Indian Parliament enacted the Right to Information Act, 2005 and thus provided a powerful tool to the citizens to get information from the Government as a matter of right. This law is very comprehensive and covers almost all matters of governance and has the widest possible reach, being applicable to Government at all levels- Union, State and Local as well as recipients of government grants.

The basic object of the Right to Information Act is to empower the citizens, promote transparency and accountability in the working of the Government and make our democracy work for the people in real sense. The Act is a big step towards making the citizens informed about the activities of the Government.

The Act requires the Government authority to compile a handbook in easily comprehensible form and to update it from time to time under Section 4(1) b sub clauses i to xvii (17 Manuals). The objective of publishing 17 Manuals is the proactive disclosure of the information/records held by Govt. Authority for the information seekers. The office of Assistant Engineer, Building & Factory, A ward is hereby publishing the Handbook for 17 Manuals as required under RTI Act 2005 to promote transparency and accountability in the working of the department & to give easy access to the information seekers to the information & records held by this office.

This handbook contains introduction about the department along with particulars of its functions, duties, objectives & vision. It further elaborates about the duties, powers delegated to its officers & employees. The procedure followed in decision-making process, accountability of concerned officers, norms set for discharge of its function along with Acts, related rules/regulations are further described in detail. It also contains the Statement of Categories of documents held by this office, directory & remuneration of its officers and employees. The details of budget allocation & its disbursement, particulars of permits issued, facilities available for citizens & details of PIO/Appellate authority is also published for information.

This consolidated updated handbook on 17 Manuals of the Act would help all the information seekers in getting information. However, in case any information seeker wants to get more information on topics covered in the handbook as well as other information may contact Assistant Engineer (Building & Factory), A ward whose office is situated at A ward office, 134-E, S.B.S. Road, Fort, Mumbai 400 001. The procedure and fee structure for getting information is as per the provisions of RTI Act, 2005.

The Municipal Corporation of Greater Mumbai has decentralized most of the main departments and placed the relevant sections of these Departments under the Assistant Commissioner at ward level. Assistant Engineer (B & F) is under administrative control of Assistant Commissioner.

Assistant Engineer (B & F) is separately delegated powers u/s 68 of MMC Act 1888 and u/s 152 (1) of MRTP Act 1966 to function effectively.

The Assistant Engineer (Building and Factories) is the sectional Head of Building and Factories department who exercises supervisory control over private buildings and factories. He has to take action under appropriate provisions of MMC Act/MRTP Act against owners of private buildings if their buildings are not kept in habitable condition. He has to prevent unauthorized constructions /activity and also to regulate and control factories.

As per Amendments of section 351(1) of MMC Act dated 4.4.2013, he is appointed as 'Designated officer' by Hon. Municipal Commissioner and is empowered U/S 351,352,352A and 354 A of MMC Act 1888 and as per section 152 (1) r.w. 53(8) of MRTP Act 1966 is empowered u/s 53,54,55 and 56 of MRTP Act 1966. Designated officers are given the area as per Municipal Electoral ward of 2012. In A ward Assistant Engineer (B & F)-1 has jurisdiction of area covered under ward no.195,196 and 197 and Assistant Engineer (B & F)-2 has jurisdiction of area covered under ward no.198,199,200 and 201.

Designated officer is assisted by Junior Engineer (Building)/ Sub Engineer (Building) and Junior Engineer (Fact)/ Sub Engineer (Fact) .Each Junior Engineer (Building)/ Sub Engineer (Building) is given one Electoral ward (one beat) to perform the duties pertaining to Building Section and one Junior Engineer / Sub Engineer to perform the duties pertaining to Factory Section in A ward.

As per Central Right to Information Act 2005, Designated officer is appointed as Public Information Officer (Building and factories) for Building and Factory department and as per Maharashtra Public Records Act-2005 and Maharashtra Public Records Act Rules -2007, he is designated as Record Officer for Building and Factory Dept.
