MUNICIPAL CORPORATION OF GREATER MUMBAI

Hydraulic Engineer's Department

PREAMBLE

The right to information is implicitly guaranteed by the Constitution. However, with a view to set out a practical regime for securing information, the Indian Parliament enacted the Right to Information Act, 2005 and thus provided a powerful tool to the citizens to get information from the Government as a matter of right. This law is very comprehensive and covers almost all matters of governance and has the widest possible reach, being applicable to Government at all levels- Union, State and Local as well as recipients of government grants.

The basic object of the Right to Information Act is to empower the citizens, promote transparency and accountability in the working of the Government and make our democracy work for the people in real sense. The Act is a big step towards making the citizens informed about the activities of the Government.

The Act requires the Government authority to compile a handbook in easily comprehensible form and to update it from time to time under **Section 4(1) b** sub clauses i to xvii (17 Manuals). The objective of publishing 17 Manuals is the proactive disclosure of the information/records held by Govt. Authority for the information seekers. The office of Assistant Engineer, Water Works, "B" ward is hereby publishing the Handbook for 17 Manuals as required under RTI Act 2005 to promote transparency and accountability in the working of the department & to give easy access to the information seekers to the information & records held by this office.

This handbook contains introduction about the department along with particulars of its functions, duties, objectives & vision. It further elaborates about the duties, powers delegated to its officers & employees. The procedure followed in decision-making process, accountability of concerned officers, norms set for discharge of its function along with Acts related rules/regulations are further described in detail. It also contains the Statement of Categories of documents held by this office, directory & remuneration of its officers and employees. The details of budget allocation & its disbursement, particulars of permits issued, facilities available for citizens & details of PIO/Appellate authority is also published for information.

This consolidated updated handbook on 17 Manuals of the Act would help all the information seekers in getting information. However, in case any information seeker wants to get more information on topics covered in the handbook as well as other information may contact Assistant Engineer (Water Works), "B" ward whose office is situated at "B" ward Municipal office, Room no.34, 3rd floor, 121, Ramchandra Bhatt Marg, Mumbai - 400 009. The procedure

and fee structure for getting information is as per the provisions of RTI Act, 2005.

Assistant Engineer (Water Works)
“B” ward

Introduction

Hydraulics is a branch of engineering science that deals with water storage and supply and Hydraulic Engineer of MCGM is in-charge of water supply to Mumbai. Hydraulic Engineer is a Statutory Post and being head of the department; his department is known as Hydraulic Engineer's Department.

He is empowered by relevant sections of MMC Act 1888(as amended) & power is delegated to him through DMC(SE). All Dy. H.E./E.E.W.W./A.E.W.W.'s work under him & he has overall control to ensure sufficient, wholesome & equated water supply to various water supply zones and to collect water charges.

Assistant Engineer water work "B"ward is a head of department at ward level in the Hydraulic Engineer's Department. Assistant Engineer Water Works "B"ward is under administrative control of Assistant Commissioner of "B" Ward.

Assistant Engineer Water Works "B"ward is assisted by Junior Engineer (Water works) Dist. / Sub Engineer (Water works) Dist. and Junior Engineer (Water works) Maint. / Sub Engineer (Water works) Maint. Each Junior Engineer (Water works) Dist. / Sub Engineer (Water works) Dist. is given one Electoral ward (one beat) to perform the duties pertaining to Distribution of water and one Junior Engineer / Sub Engineer to perform the duties pertaining to maintenance of water main section in "B" ward.

Assistant Engineer Water Works "B" ward controls all over in ward level to ensure to distribute equal & potable water supply to consumer and collect water charges from consumer.

Definitions (Please provide definitions of various terms used in the handbook)

- I. Potable Water:** The water which is brought from the outside city and treated at Treatment Plant and brought to the consumers' tap and safe for drinking purpose.
- II. Distribution:** Supply of water from reservoir to consumers' tap through feeder and distributary mains with static head.
- III. Consumers Tap:** The point of discharge of water supplied at consumers' premises, which is permitted by following the norms prescribed by Hydraulic Engineer's Department.
- IV. Revenue:** Bills of quantity of the water received by the consumer through meter at his premises as per the tariff as approved by the Standing Committee / Municipal Corporation.

As per Central Right to Information Act 2005, Assistant Engineer Water Works "B" Ward is appointed as Public Information Officer (Water Works) for Water Works Department and as per Maharashtra Public Records Act-2005 and Maharashtra Public Records Act Rules -2007; he is designated as Record Officer for Water Works Dept. of "B" ward.

Section 4(1) (b) (iii)

Procedure followed in Decision Making Process, including channels of supervision and accountability in the office of Assistant Engineer Water Works "B" ward.

What is the procedure followed to take a decision for various matters?

(A reference to Secretant Manual and Rule of Business Manual and other rules / regulations etc. can be made).

Proposal of every kind are generally put up for approvals / sanctions of competent authority – through proper channel i.e. initiating department / Account Department / Competent authority.

Water Connection Application.

Standard online application procedure as per the norms of MCGM is available on MCGM Portal; <https://portal.mcg.gov.in>. The applicant has to fill up this form in online format only, attach references, requisite documents and submit the papers in the respective Wards through Licensed Plumber. On payment of scrutiny fee, the application is scrutinized.

Depending on the powers vested in Assistant Engineer, Executive Engineer, Dy. Hydraulic Engineer and Hydraulic Engineer, D.M.C. (S.E.), the approval to the request of new / additional connections are given.

On receipt of approval of Competent Authority, the applicant is informed about the same by issuing Permission Form, which enlists various approvals and conditions. After compliance of the conditions of the "P" form, the water connection is released to the applicant.

Public Complaints.

Complaints of various natures regarding water supply can be registered with Complaint Officer of respective Ward Office and also can be registered with Water Control Office in City.

The documents procedures -

A. Connection for granting stand post water connections to the slum dwellers.

1. The applicant should submit minimum two proofs of residence in the structure from the following of their stay prior to 01.01.1995 or from Government Notification from time to time...
2. Ration Card – showing the address of applicant. (Compulsory)
3. Electricity bill

One of the following proofs prior to 01.01.1995

1. Copy of Election Roll showing applicants name and address.
2. Copy of Election Card.
3. Copy of Assessment bill.
4. Copy of Census Photo Passes.

B. Water connection to the tolerable structure (prior to 01.04.1962

for Commercial Premises & prior to 17.04.1962 for residential Premises).

1. Copy of Assessment Bill of the structure
2. Copy of Ration Card.
3. Copy of Rent receipt.
4. N.O.C. of the owner of the premises.

C. Water connections to planned building.

1. NOC from H.E. Department.
2. Copy of approved plans by the Planning Authority.
3. Copy of I.O.D./Amended Plans /C.C.
4. Copy of Occupation Certificate/ Building Completion Certificate.
5. Copy of the NOC wherever applicable.

D. Water connection on Humanitarian ground.

1. NOC from H.E. Department.
2. Copy of approved plans by the Planning Authority.
3. Copy of I.O.D./Amended Plans.
4. Copy of Commencement Certificate
5. Application from occupants of the building.

E. Water connection for commercial use

1. Copy of rent receipt in case applicant is tenant.
2. Copy of Assessment Bill.
