Manufacturer has accepted the bid terms and conditions submitted by his Distributor /Dealer / Importer /Traders/agent for the Comprehensive/Annual Maintenance Contract & Supply Order terms under reference and whereas the Distributor /Dealer / Importer /Traders/agent has agreed to execute the CMC/AMC on the quoted rate, terms and condition as hereinafter referred to at a comprehensive/ annual maintenance cost (Inclusive of taxes, Duties Levies, transportation, handling, insurance, etc **except** CGST/SGST/IGST)

And whereas various General, technical & commercial negotiation/ correspondences took place between SUPPLIER & PURCHASER as a result of which SUPPLIER’S final offer has been accepted and whereas supply order has already been issued to the SUPPLIER by the PURCHASER vide Ref. no._____ which has been duly accepted by the SUPPLIER.

NOW THIS AGREEMENT WITNESSED & THE PARTIES AGREES AS FOLLOWS:

1. In pursuance of the agreement and in consideration of Rate only as payable to the Manufacturer/ Bidder, the Manufacturer/ Bidder shall start commence the work in the manner as stated in the agreement.

2. The parties hereunder shall respectively and faithfully abide by the terms and conditions and stipulations contained in this agreement and perform / discharge their part of the obligation of the agreement accordingly.
3. The agreement shall be executed within the purview of the Indian Laws.
4. In this agreement words and expressions shall have the same meanings as are respectively assigned to them in the conditions of agreement herein before referred to.
5. The three sets of agreement shall be signed & 1 set of agreement shall remain with the PURCHASER, BIDDER and with Principle i.e. OEM.
6. IN WITNESS WHEREOF the parties have hereunto set their respective hand seals at Mumbai on the date, month and year first above written.
7. The Supplier has agreed for 5 years CMC/ AMC (with spares) for preventive and breakdown maintenance of the supplied equipment and it's accessories in order to ensure proper functioning of the equipment. The CMC/ AMC period will start only after successful completion of warranty period of three years which is further extendable as per DOWNTIME PENALTY clause stipulation as under:

During warranty period of 3 years i.e. 36 months from the date of satisfactory commissioning / installation of the equipment, log book will be maintained at the **Engineering/ User Department**. If the availability of the equipment, during warranty period, falls below 96% i.e. assuming 351 working days in the year of 365 days and similarly 1051 days in three years, the warranty period will be extended for the breakdown days the equipment remains breakdown minimum 96% availability of the equipment in terms of working days.

CMC/ AMC Charges: The CMC/AMC charge has been agreed by all the executors. The charges for CMC/ AMC (with spares) for 5 years for total unit & will start after successful completion of 3 years warranty period.

8. **Scope Of Work:** The scope of work under this agreement for CMC/AMC will be as under:
 - a) The CMC/AMC will be effective from the day after successful completion of warranty/ guarantee period. During CMC/AMC period, the Service Engineer will have to make 04 (four) compulsory Quarterly visits per year for preventive maintenance while breakdown calls (unlimited) will be attended within 72 hours (3 days) from the date & time of lodging of complaint with the supplier / principle through phone / fax/person/post/courier/e-mail. The complaint/message will be sent to the address given in this contract as well as in supply order.
 - b) If the breakdown is attended and rectified within 120 hours (5 days) at our sits, no penalty/ deduction will be made from the CMC/AMC bill.
 - c) If it is not rectified within 120 hours (5 days) i.e. stipulated time by the supplier at our site, deduction will be made @ double the prorata basis CMC/AMC charges per day from the bill after allowing stipulated period of 120 hours i.e. 5 days.
 - d) If the problems are required to be rectified at Service Centre site/workshop/premises, additional 7 days period will be allowed i.e. total 10 days from the day of initial breakdown report. Normal CMC/AMC charges for additional 7 days period will be deducted from the bill of CMC/AMC on prorata basis. If the equipment is not made available in all respect after rectification from the Service Centre site/ premises within 10

days, there will be a provision to deduct **@ double the CMC/AMC charges/ day on prorata basis from the bills for delayed period.**

- e) The CMC/AMC will be comprehensive and it will include supply, fitment, Maintenance, repair of the equipment, its parts. Arrangement of spares will be the sole responsibility of the Principle Manufacturer and / or its Distributor /Dealer / Importer /Traders/agent (in case of imported item) for which no extra charges will be paid to the party by BMC as it has already been incorporated in CMC/AMC charges.
- f) In the event of failure of the Dealer/Indian distributor/importer/Trader/agent to execute the CMC/AMC as per agreed TENDER terms and conditions, the entire responsibility to execute the CMC/AMC will be on the Principle Manufacturer/OEM at the quoted cost only.
- g) In case the Principle Manufacturer changes the Distributor /Dealer / Importer /Traders/agent, it will be the sole responsibility of the Principle Manufacturer/OEM to communicate the same immediately to BMC management to get the CMC/AMC executed uninterrupted through their reappointed/nominated Distributor /Dealer / Importer /Traders/agent to ensure that there is no discontinuation of the CMC/AMC due to change/re-appointment of Distributor /Dealer / Importer /Traders/agent etc. DEAN OR DMC, CPD or authorized representative will represent BMC for agreement and its further renewals. Performance Bank Guarantee which will remain valid up to the end of 10 years and further six month which will be the responsibility of the Principle Company.
- h) The responsibility of supply, installation, testing and commissioning of medical equipments along with 3 years warranty and 5 years Comprehensive Maintenance Contract / Annual Maintenance Contract (As applicable) shall be of Manufacturer and Distributor /Dealer / Importer /Traders/agent **JOINTLY AS WELL AS SEVERALLY.**
- i) No advance payment will be made to the supplier on a/c of CMC/AMC rather; the payment of AMC/CMC of the medical equipments shall be made on six monthly basis subject to satisfactory completion of maintenance and servicing activities. In case of no Breakdown, failure in providing Quarterly Preventive Maintenance service will lead to nonpayment of proportionate CMC/AMC charges for that six months payment.
- j) This is a firm & fixed price agreement for CMC/AMC till CMC/AMC period. No taxes, duties etc, shall be reimbursed by the PURCHASER separately on this account and no variation/escalation shall be applicable during agreement period.

The CMC/AMC charges are exclusive of Service Tax/VAT which will be paid at actual by BMC separately during the CMC/AMC period.

- k) I/We..... (Manufacturer) and
I/We..... (Distributor /Dealer /

Importer /Traders/agent) hereby further state and declare that I/We are

- not declared insolvent any time in the past.
- not debarred/ black listed by either B.M.C. / central Govt. / state Govt. / Public sector undertaking/any other Local body from start date of tender notice.
- not convicted under the provision of IPC or Prevention of Corruption Act., nor any criminal case is pending against me/us in any court of law.

Settlement of Disputes: It is incumbent upon the supplier/Principle OEM to avoid litigation and disputes during the course of the execution. However, if such disputes take place between the contractor and the BMC department, effort shall be made first to settle the disputes at the BMC level.

The supplier/Principle OEM should make request in writing to the BMC for settlement of such disputes /claims within 30 (thirty) days of arising of the cause of disputes/claim failing which no disputes/claims of the supplier shall be entertained by the company.

If differences still persist, in case of parties other than Govt. agencies the redresses of the dispute may be sought in the Court of Law in Mumbai Jurisdiction only.

“ The Supplier shall familiarize with the orders of the State/ Central Govt. applicable to the work, payment of wages Act, Workman’s Compensation Act, Contract Labour (R&A) Act etc. and shall be fully responsible and liable for due observance of the same.”

4. DISQUALIFICATION FROM TENDER PROCESS AND EXCLUSION FROM FUTURE CONTRACTS

If the Bidders/ Contractors or anyone employee acting on his behalf whether or without the knowledge of the Bidder before award of the contract has committed a transgression through a violation of aforesaid provision or in any other form such as put his reliability or credibility into question, the B.M.C. is entitled to exclude the bidder from the tender process or to terminate the contract if already signed and take all or any one of the following actions, wherever required..

- 4.1 To immediately call off the pre contract negotiations without assigning any reason or giving any compensation to the Bidder. Further, the proceedings with the other Bidders would continue.
- 4.2 The Earnest Money Deposit (in pre-contract stage) and/or Security Deposit / Performance Bond (after the contract is signed) shall stand forfeited either fully or partially, as decided by the B.M.C. and B.M.C. shall not be required to assign any reasons therefore.
- 4.3 To immediately cancel the contract, if already signed, without giving any compensation to the Bidder.
- 4.4 To recover all sums already paid with interest thereon at 5% higher than the prevailing Base rate of State Bank of India.
- 4.5 If any outstanding payment is due to the Bidder from B.M.C. in connection with any other contract, such outstanding payment could also be utilized to recover the aforesaid sum and interest.
- 4.6 To encash any advance Bank Guarantee and performance bond/warranty, if furnished by the Bidder, in order to recover the payment already made by B.M.C. along with interest.
- 4.7 To cancel all other contracts with the Bidder. The Bidder shall be liable to pay compensation for any loss or damages to the B.M.C. resulting from such cancellation / rescission and the B.M.C. shall be entitled to deduct the amount so payable from the money due to the Bidder.
- 4.8 Forfeiture of Performance Bond in case of a decision by the B.M.C. to forfeit the same without assigning any reason for imposing sanction for violation of the Pact.
- 4.9 The decision of B.M.C. to the effect that the breach of the provisions of this Pact has been committed by the Bidder shall be final and conclusive on the Bidder.
- 4.10 The Bidder accepts and undertakes to respect and uphold the absolute right of BMC to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground including the lack of any hearing before the decision to resort to such exclusion is taken.
- 4.11 To debar the Bidders/ Contractors from participating in future bidding process of B.M.C. for a minimum period of three years.
- 4.12 Any other action as decided by Municipal Commissioner based on the recommendation by Independent External Monitors (IEMs).

5. FALL CLAUSE

- 5.1 The Bidder undertakes that it has not supplied similar products / systems or subsystems in the past six months in the Maharashtra State for quantity variation upto -50% or +10%, at a price lower than that offered in the present bid in respect of any other Ministry / Department of the government of India or PSU or BMC and if it is found at any stage that similar products / systems or sub systems was supplied by the BIDDER to any other Ministry / Department of the Government of India or a PSU or BMC at a lower price, then that very price will be applicable to the present case and the difference in the cost would be refunded by the BIDDER to the BMC, if the contract has already been concluded, else it will be recovered from any outstanding payment due to the bidder from BMC.

6. EXTERNAL INDEPENDENT MONITOR / MONITORS

- 6.1 The B.M.C. appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the Parties comply with the obligations under this Agreement.
- 6.2 The Monitor is not subject to instructions by the representatives of parties and perform his functions neutrally and independently and report to the Municipal Commissioner / concerned Additional Municipal Commissioner.
- 6.3 Both the parties accept that the IEM has the right to access, without restriction, to all documentation relating to the project / procurement, including minutes of meetings.
- 6.4 The Bidder shall grant the IEM upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to sub contractors.
- 6.5 The IEM is under contractual obligation to treat, the information and documents of the Bidder/Contractor/sub-contractor, with confidentiality.
- 6.6 The BMC will provide to the IEM sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the parties. The parties will offer to the IEM the option to participate in such meetings.
- 6.7 As soon as the IEM notices, or believes to notice, a violation of this Agreement, he will so inform the Additional Municipal Commissioner. The IEM can in this regard submit non-binding recommendations. If Additional Municipal Commissioner has

not, within a reasonable time, taken visible action to proceed against such offence, the IEM may inform directly to the Municipal Commissioner.

- 6.8 The IEM will submit a written report to the Municipal Commissioner / Additional Municipal Commissioner within 8 to 10 weeks from the date of service or intimation to him by B.M.C./ Bidder and should the occasion arise, submit the proposal for correcting problematic situations.
- 6.9 The word "IEM" would include both singular and plural.
- 6.10 Both parties accept, that the recommendation of IEM would be in the nature of advise and would not be legally binding. The decision of Municipal Commissioner in any matter/ complain will be the final decision.

7. VALIDITY OF THE PACT

- 7.1 The validity of this Integrity Pact shall be from the date of its signing and extend upto two years or the complete execution of the contract to the satisfaction of both the B.M.C. and BIDDER / Seller, including warranty period, whichever is later. In case BIDDER is unsuccessful, this Integrity Pact shall expire after six months from the date of the signing of the contract.
- 7.2 If any claim is made/ lodged during the validity of this contract, such claim shall be binding and continue to be valid despite the lapse of this pact unless it is discharged / determined by the Municipal Commissioner / Additional Municipal Commissioner of the B.M.C.

8. FACILITATION OF INVESTIGATION

In case of any allegation of violation of any provisions of this Pact or payment of commission, the BMC or its agencies OR Independent External Monitor shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible health for the purpose of such examination.

9. MISCELLANEOUS

- 9.1 This Agreement / Pact is subject to the Indian Laws, place of performance and jurisdiction is the registered office of the B.M.C. i.e. Mumbai and the actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extent law in force relating to any civil or criminal proceedings.

- 9.2 If the Contractor is a partnership or a consortium, this Agreement must be signed by all partners or consortium members.
- 9.3 Should one or several provisions of this Agreement turn out to be invalid, the remainder of this Pact remains valid. In this case, the Parties will strive to come to an Agreement to their original intentions.

Tender No. KEM/ 432 /TDRE-III

GRIEVANCE REDRESSAL MECHANISM

Procuring Entity, B.M.C. has formed a Grievance Redressal Mechanism for redressal of grievances. Any Bidder or prospective Bidder aggrieved that any decision, action or omission of the procuring entity being contrary to the provisions of the tender or any rules or guidelines issued therein, may within a period of 7 days or any such other period, as may be specified in the pre-qualification document, bidder registration document or bidding documents make an application for review of such decision or action to procuring entity [Director (M.E.&M.H.) for medical tenders, Director (E.S.&P.) and/or concerned D.M.C. for Engineering Department, concerned D.M.C. for the other tenders]. While making such an application for review, aggrieved bidders or prospective bidders shall clearly specify the ground or grounds in respect of which he feels aggrieved.

Provided that after declaration of a bidder as a successful in **Technical Bid** (General Requirements), an application for review may be filed only by a bidder who has participated in procurement proceedings and after declaration of successful bidder in **Technical Bid** (Technical Bid), an application for review may be filed only by successful bidders of **Technical Bid**. Provided further that, an application for review of the financial bid can be submitted, by the bidder whose technical bid is found to be acceptable / responsive.

Upon receipt of such application for review, B.M.C. may decide whether the bid process is required to be suspended pending disposal of such review. The B.M.C. after examining the application and the documents available to him, give such reliefs, as may be considered appropriate and communicate its decision to the Applicant and if required to other bidders or prospective bidders, as the case may be.

B.M.C. shall deal and dispose off such application as expeditiously as possible and in any case within 10 days from the date of receipt of such application or such other period as may be specified in pre-qualification document, bidder registration document or bid documents, as the case may be.

Where B.M.C. fails to dispose off the application within the specified period or if the bidder or prospective bidder feels aggrieved by the decision of the procuring entity, such bidder

or prospective bidder may file an application for redressal before the 'Procurement Redressal Committee' within 7 days of the expiry of the allowed time or of the date of receipt of the decision, as the case may be. Every such application for redressal before Redressal Committee shall be accompanied by fee of Rs.25,000/- fee shall be paid in the form of D.D. in favour of B.M.C.

Procurement Redressal Committee will consists of not less than three members including its Chairman who shall be the retired Judge of High Court and two members of the Committee will be from the field of Public Procurement and experience at senior level in Public Administration or Public Finance or Management or Engineering or Specific Project or Management of Public Sector Enterprises.

On receipt of the application, the Committee shall after giving opportunity of hearing to the procuring entity, B.M.C. as well as the Applicant, determine the issue taking into consideration the rules and guidelines as well as tender conditions, terms of the pre-qualification, bidder registration or bidding document, as the case may be and communicate its recommendations including corrective measures to be taken to B.M.C. and to the Applicant within 10 days, if necessary, the Committee may held more sittings to dispose the application.

No application shall be maintainable before the Procuring Committee in regard of any decision of the B.M.C. relating to following issues:

- Determination of need of procurement
- The decision of whether or not to enter into negotiations.
- Cancellation of a procurement process for certain reasons.

The Procurement Redressal Committee may recommend to the procuring entity the suspension of the procurement process pending disposal of the application, if in its opinion, failure to do so, is likely to lead miscarriage of justice.

On receipt of recommendation of the Committee, Municipal Commissioner will communicate his decision thereon to the Applicant and to the Committee within 10 days or such further time not exceeding 20 days, as may be considered necessary from the date of receipt of the recommendation and in case of non-acceptance of any recommendation, the reason of such non-acceptance shall also be mentioned in such communication.

Municipal Commissioner and/or Procurement Redressal Committee, if found, come to the conclusion that any such complaint or review is of vexatious, frivolous or malicious nature and submitted with the intention of delaying or defeating any procurement or causing loss to the

procuring entity or any other bidder, then such complainant shall be punished with fine, which may extend to Five Lac rupees or two percent of the value of the procurement, whichever is higher.

Irrevocable Undertaking

(on Rs.500/- stamp paper)

I. Shri/Smt _____ aged, _____ years Indian
Inhabitant. Proprietor/Partner/Director of M/s. _____
Resident at _____ do hereby give Irrevocable undertaking as
under:

- 1) I say & undertake that as specified in section 171 of CGST Act, 2017, any reduction in rate of tax on supply of goods or services or the benefit of input tax credit shall be mandatorily passed on to BMC by way of commensurate reduction in prices.
- 2) I further say and undertake that I understand that in case the same is not passed on and is discovered at any later stage, BMC shall be at liberty to initiate legal action against me for its recovery including, but not limited to, an appeal to the Screening Committee of the GST Counsel.
- 3) I say that above said Irrevocable undertaking is binding upon me/my partners/company/other Directors of the company and also upon my / our legal heirs, assignee, Executor, administrator etc.
- 4) If I fail to compliance with the provisions of the GST Act, I shall be liable for penalty/punishment or both as per the provisions of GST Act.

<u>Scope of Supply</u>		

Technical specifications for Benchtop Next Generation Sequencing System

1. The next-generation sequencing (NGS) system should be a compact benchtop model with minimal footprint and able to support multiple sequencing applications such as pathogen detection, 16S amplicon sequencing, metagenomics, small whole-genome sequencing, Amplicon-based targeted sequencing, Enrichment-based targeted sequencing, Antimicrobial Resistance screening Library QC, etc.
2. The system should be based on next-generation sequencing (NGS) technology such as sequencing-by-synthesis or semiconductor sequencing or equivalent capable of generating high-accuracy (short & long) reads and should support massively parallel sequencing with minimal amplification bias and low duplication rates.
3. Single instrument should perform clonal amplification, sequencing and primary data analysis and secondary data analysis also should require minimal touch points.
4. The manufacturer should also offer kits and reagents for library preparation from DNA/RNA.
5. System should offer flexible scalability to generate 1.5 to 30 Gb reads to support a broad range of applications, including metagenomic sequencing, de-novo sequencing and re-sequencing of microbes, and transcriptome sequencing.
6. The system should have onboard cluster generation followed by integrated massively parallel sequencing of DNA/RNA libraries loaded directly on the integrated sequencing cartridge. The sequencing chemistry should offer both single end and paired end sequencing (100, 300, 600 and 1000 cycles) to be completed in 4–24 hours and prepares FASTQ files as part of the sequencing run, without need of extra equipment or steps.
7. The system must offer wide range of configurations upto 6 configurations with read lengths up to 2×500 bp, to support wide range of sample throughputs and applications.
8. The system must offer sample-to-analysis NGS workflows including library prep kits, panels, sequencing reagents, software for secondary analysis for varied methods like small whole-genome sequencing (WGS) and metagenomics for microbial genomics applications and targeted gene sequencing infectious disease research
9. The system should generate standard output formats including FASTQ, BAM/CRAM, and VCF files, and the system software should provide pre-alignment and post-alignment quality control metrics with visualization tools.
10. The ready-to-use reagent cartridges and consumables should be shipped and stored at room temperature to avoid use of dry ice and cool-packs and does not require washing, enables streamlined instrument maintenance, and optimizes instrument efficiency. The design of sequencing cartridge should allow recyclability and minimizes waste volume.
11. The system must utilize environment friendly reagents that simplify disposal.
12. The system should have appropriate license for decision making software to generate reports against proper clinical guidelines and be compatible with patient reporting software for both CE-IVD/RUO library preparation kits.

13. The system should allow users to set up, manage, monitor runs, and generate reports directly on the instrument or connected system, and should support running multiple assays and different applications simultaneously in a single sequencing run.
14. Automated flow cell denaturation, cluster generation, index-first sequencing for early demultiplexing allowing for users to obtain a preview of sample representation before the completion of a run, enabling subsequent run planning as needed.
15. The sequencing technology should offer accurate sequencing of homopolymers and highest read quality score of Q30 for more than 90% for 2x150 cycle and >85% at 2x300 cycle of the base calls having >99% accuracy ensuring quality control steps.
16. System should have inbuilt hardware for ultra-rapid secondary analysis for a wide variety of genomic analysis solutions, including base call (BCL) file conversion, mapping, alignment, sorting, duplicate marking, and variant calling without the need for bioinformatics expertise.
17. The system should support real-time data transfer, secure data storage, and network connectivity.
18. The system should be compatible with laboratory information management systems (LIMS) and external bioinformatics pipelines.
19. The on-board analysis hardware should use optimized, hardware-accelerated algorithms for a wide variety of genomic analysis solutions, including base call (BCL) file conversion, compression, mapping, alignment, sorting, duplicate marking, and variant calling.
20. System should also offer cloud-computing platform for simplified data management and analytical sequencing tools directly to researchers in a cost effective and user-friendly format.
21. System should be able to sequence multiple samples at a time with option of using barcodes for different samples & pathogen multiplexing up to 384.
22. The system must be able to support additional sequencing applications apart from microbiology, like oncology targeted gene sequencing, whole exome sequencing, RNA sequencing, amplicon sequencing, metagenomics, cell-free DNA analysis, methylation sequencing, and genome editing, etc.
23. The system should include latest software, hardware, accessories, and technology available at the time of installation which is needed for generating high-quality sequence reads.
24. Vendor should provide documented evidence of lower cost per Gb compared with comparable high-throughput benchtop sequencing platforms
25. The system should be user installable and run set up could be complete in less than 20 min with minimum step.
26. Free installation and application / service training to be conducted for users and MEC engineers.
27. The vendor should provide an installation and training kit to enable users to perform functional tests during installation and training.
28. The vendor should provide validation including IQ, OQ and PQ documentation.
29. Vendor should offer Technical Support, Field Applications support and Service Support for hands-on training for library preparation, sequencing workflow, and bioinformatics analysis and to help resolve chemistry and instrumentation problems

30. The sequencing chemistry should be cited in more than 100 peer-reviewed publications
31. Should perform calibration, validation (Once) & preventive maintenance (twice) of the equipment yearly during warranty/ service period. Testing & measuring equipment used should be traceable to SI units through National international Standards (as per NABL norms).
32. Vendor should ensure comprehensive warranty of 3 yrs followed by 5 yrs of CMC.
33. The vendor should ensure availability of spares and consumables (including Flowcell, Sequencing reagents etc) for at least 10 years after installation. i.e 3+5+2 (period of warranty + CMC followed by 2 yrs)
34. The cost for per reportable sample should be frozen for the life of the equipment or at least for 10 years.
35. The offered instrument shall be an open system supplied directly by the Original Equipment Manufacturer (OEM). The system shall not have any proprietary restrictions on compatible reagents, consumables, or software.
36. Certain Equipment's required in the Workflow viz DNA Quantitation system, Magnetic stand etc should be supplied.
37. The system should be supplied with compatible UPS, dehumidifier & sturdy-vibration proof table.
38. The system should be CE certified under European Notified Body (under IVD/IVDR) along with declaration of conformity or US FDA approved for quoted model and accessories. CDSCO import/manufacture license is also required.
39. In case of CE (Other / General / Class A IVD) following documents are required to be enclosed:-
 - a) Declaration of conformity by manufacturer or EU representative of manufacturer for the quoted model.
 - b) Documentary evidence regarding firm registered with EEA (European Economic Area) competent authority is required **or**
European representative registered with EEA competent authority appointed by firm is required **Or**
Other documents like certificates from notified body along with declaration of conformity.
40. Vendor should have Customer Experience Centre / Lab in India having quoted instrument to support troubleshooting and training.
41. Performance certificate from at least 5 users for the quoted technology must be provided.
42. Demonstration of quoted model is compulsory.
43. Service training to MEC Engineers and Operational training to user department should be provided
44. Operating and detailed service model is compulsory.
45. Third party inspection certificate should be applied from port of origin of shipping of equipment (from the parent company's country of origin)
46. Quoted system should have minimum 25 installations in India
47. Power & Physical Specifications:
 - a. The system should be compatible with standard 230V $\pm$ 15%, 50 Hz $\pm$ 3%.
 - b. The footprint should be compact to allow easy placement within the laboratory.
