4 : Instructions to Bidders participating in e-Tendering	
1.	The e-Tendering process of BMC is enabled through Mahatender portal (https://mahatenders.gov.in). However, tender document can be downloaded from BMC's portal website under "Tenders" section or from Mahatender portal.
2.	Bidder should do Online Enrolment in this Portal using the option Click Here to Enroll available in the Home Page. Then the Digital Signature enrollment has to be done with the e-token, after logging into the portal. The e-token may be obtained from one of the authorized Certifying Authorities such as eMudhra CA /GNFC/ IDRBT/ MTNL Trust line/ Safe Script/TCS.
3.	Bidder then logs into the portal giving user id / password chosen during enrollment. and follow the instructions given in the document 'Bidder manual kit – online bid submission – Three Cover Bid Submission New' which is available on e-tendering portal of Government ofMaharashtra i.e. 'https://mahatenders.gov.in'
4.	The e-token that is registered should be used by the bidder and should not be misused by others.
5.	DSC once mapped to an account cannot be remapped to any other account. It can only be inactivated.
6.	The Bidder can update well in advance, the documents such as certificates, declarations etc., under My Documents option and these can be selected as per tender requirements and then attached along with bid documents during bid submission. This will ensure lesser upload of bid documents.
7.	After downloading / getting the tender schedules, the Bidder should go through them carefully and then submit the documents as per the tender document; otherwise, the bid will be rejected.
8.	If there are any clarifications, this may be obtained online through the e-Procurement Portal, or through the contact details given in the tender document. Bidder should take into account of the corrigendum published before submitting the bids online.
9.	Bidder, in advance, should prepare the bid documents to be submitted as indicated in the tender schedule and they should be in PDF format. If there is more than one document, they can be clubbed together.
10.	Bidder should pay EMD and other charges, where applicable, as per the instructions given in the Tender Notice and / or Tender Document.
11.	Bidders should note that the Tender fee is to be paid online on Mahatenderportal and bidder should upload receipt of the same in Fee cover.
12.	The bidder reads the terms and conditions and accepts the same to proceed further to submit the bids.
13.	The bidder has to submit the tender document(s) online well in advance before the prescribed time to avoid any delay or problem during the bid submission process. Bidders trying to submit the bid at last moment just before due date and due time and failing to do so due to system problems at their end, internet problems, User Id locking problems etc. shall note that no complaints in this regard will be entertained. The Tender Inviting Authority (TIA) will not be held responsible for any sort of delay, or the difficulties faced during the submission of bids online by the bidder due to local issues. So, the bidders are requested to submit the bids through online e-Procurement system to the TIA well before the bid submission end date and time (as per Server System Clock).

14.	There is no limit on the size of the file uploaded at the server end. However, the upload is decided on the memory available at the Client System as well as the Network bandwidth available at the client side at that point of time. In order to reduce the file size, bidders are suggested to scan the documents in 75-100 DPI so that the clarity is maintained and also the size of file also gets reduced. This will help in quick uploading even at very low bandwidth speeds.
15.	It is important to note that, the bidder has to Click on the Freeze Bid Button, to ensure that he/she completes the Bid Submission Process. Bids which are not frozen are considered as Incomplete/Invalid bids and are not considered for evaluation purposes.
16.	The bidder should submit the bid documents in online mode only, through Mahatendersportal. Offline submissions of documents is not acceptable.
17.	At the time of freezing the bid, the e-Procurement system will give a successful bid updation message after uploading all the bid documents submitted and then a bid summary will be shown with the bid no, date & time of submission of the bid with all other relevant details. The documents submitted by the bidder will have to be digitally signed using the e-token of the bidder and then submitted.
18.	After the bid submission, the bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid. The bid summary will act as a proof of bid submission for a tender floated and will also act as an entry point to participate in the bid opening event.
19.	Successful bid submission from the system means, the bids as uploaded by the bidder is received and stored in the system. System does not certify for its correctness.
20.	It is the responsibility of the Bidder to maintain their computers, which are used for submitting their bids, free of viruses, all types of malwares etc. by installing appropriate anti-virus software and regularly updating thesamewith virus-free signatures etc. Bidders should scan all the documents before uploading the same. If the documents could not be opened, due to virus, during tender opening, the bid is liable to be rejected.
21.	The time that is displayed from the server clock at the top of the tender Portal, will be valid for all actions of requesting bid submission, bid opening etc., in the e-Procurement portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30. The bidder should adhere to this time during bid submission.
22.	All the data being entered by the bidder would be encrypted at the client end, and the software uses PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission and not viewable by anyone until the time of bid opening. Overall, the submitted bid documents become readable only after the tender opening by the authorized individual.
23.	During transmission of bid document, the confidentiality of the bids is maintained since the data is transferred over secured Socket Layer (SSL) with 256-bit encryption technology. Data encryption of sensitive fields is also done.
24.	All the tender notices including e-Tender notices will be published under the 'Tenders' section of BMC Portal and on Mahatender portal.
25.	All interested Bidders are required to be registered with BMC. Bidders not registered with BMC before can apply on-line by clicking the link 'Bidder Registration' under the 'e-Procurement' section of BMC Portal, Bidders already registered with BMC need to contact helpdesk to extend their Bidderregistration.
26.	Manual offers sent by post/Fax or in person will not be accepted against e-tenders even if these are submitted on the Firm's letter head and received in time. All such manual offers shall be considered as **invalid offers** and shall be rejected summarily without any consideration.

GRIEVANCE REDRESSAL MECHANISM

BMC has formed a Grievance Redressal Mechanism for redressal of bidder's grievances. Any Bidder or prospective Bidder aggrieved by any decision, action or omission of the procuring entity being contrary to the provisions of the tender or any rules or guidelines issued therein, in Packet "A", "B" & "C" can make an application for review of decision of responsiveness in Packet "A, 'B' & 'C within a period of 7 days or any such other period, as may be specified in the Bid document.

While making such an application to procuring entity for review, aggrieved bidder or prospective bidder shall clearly specify the ground or grounds in respect of which he feels aggrieved.

Provided that after declaration of a bidder as successful in Packet A (General Requirements), an application for review may be filed only by a bidder who has participated in procurement proceedings and after declaration of successful bidder in Packet 'B' (Technical Bid). An application for review may be filed only by successful bidder of Packet A provided further that, an application for review of the financial bid can be submitted by the bidder whose technical bid is found to be acceptable/responsive.

Upon receipt of such application for review, BMC may decide whether the bid process is required to be suspended pending disposal of such review. The BMC after examining the application and the documents available to him, give such reliefs, as may be considered appropriate and communicate its decision to the Applicant and if required to other bidder or prospective bidder, as the case may be.

BMC shall deal and dispose of such application as expeditiously as possible and in any case within 10 days from the date of receipt of such application or such other period as may be specified in pre-qualification document, bidder registration document or bid documents, as the case may be.

Where BMC fails to dispose of the application within the specified period or if the bidder or prospective bidder feels aggrieved by the decision of the procuring entity, such bidder or prospective bidder may file an application for redressal before the Internal Procurement Redressal Committee within 7 days of the expiry of the allowed time or of the date of receipt of the decision, as the case may be. Every such application for internal redressal before Redressal Committee shall be accompanied by fee of Rs 25,000/- (Rupees twenty five thousand) only and fee shall be paid in the form of D.D. in favour of BMC.

1" Appeal by the bidder against the decision of C.E/ HOD/ Dean can be made to concerned DMC/Director who should decide appeal in 7 days.

If not satisfied, Second Appeal by the bidder can be made to concerned A.M.C. for decision.

Grievance Redressal Committee (GRC) is headed by concerned D.M.C / Director of particular department for the first appeal/grievances by the bidder against the decision for responsiveness / non- responsiveness in Packet 'A', Packet 'B' or Packet "C" and if not satisfied, concerned A.M.C will take decision as per second appeal made by the bidder

4.2 The Earnest Money Deposit (in pre-contract stage) and/or Security Deposit / Performance Bond (after the contract is signed) shall stand forfeited either fully or partially, as decided by the B.M.C. and B.M.C. shall not be required to assign any reasons therefore.

4.3 To immediately cancel the contract, if already signed, without giving any compensation to the Bidder.

4.7 To cancel all other contracts with the Bidder. The Bidder shall be liable to pay compensation for any loss or damages to the B.M.C. resulting from such cancellation / rescission and the B.M.C. shall be entitled to deduct the amount so payable from the money due to the Bidder.

4.8 Forfeiture of Performance Security in case of a decision by the B.M.C. to forfeit the same without assigning any reason for imposing sanction for violation of the Pact.

4.9 The decision of B.M.C. to the effect that the breach of the provisions of this Pact has been committed by the Bidder shall be final and conclusive on the Bidder.

4.10 The Bidder accepts and undertakes to respect and uphold the absolute right of BMC to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground including the lack of any hearing before the decision to resort to such exclusion is taken.

4.11 To debar the Bidders from participating in future bidding process of B.M.C. for a minimum period of three years.

4.12 Any other action as decided by Municipal Commissioner based on the recommendation by Independent External Monitors (IEMs).

5. FALL CLAUSE

5.1 The Bidder undertakes that it has not supplied similar products / systems or subsystems in the past six months in the Maharashtra State for quantity variation upto -50% or +10%, at a price lower than that offered in the present bid in respect of any other Ministry / Department of the Government of India or PSU or BMC and if it is found at any stage that similar products / systems or sub systems was supplied by the BIDDER to any other Ministry / Department of the Government of India or a PSU or BMC at a lower price, then that very price will be applicable to the present case and the difference in the cost would be refunded by the BIDDER to the BMC, if the contract has already been concluded, else it will be recovered from any outstanding payment due to the bidder from BMC.

6. EXTERNAL INDEPENDENT MONITOR / MONITORS

6.1 The B.M.C. Appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the Parties comply with the obligations under this Agreement.

6.2 The Monitor is not subject to instructions by the representatives of parties and perform his functions neutrally and independently and report to the Municipal Commissioner / concerned Additional Municipal Commissioner.

6.3 Both the parties accept that the IEM has the right to access, to all documentation submitted in response to the Tender.

6.5 The IEM is under contractual obligation to treat the information and documents

BMC PORTAL COPY

of the Bidder/Contractor/sub-contractor, with confidentiality.

6.6 The BMC will provide to the IEM sufficient information about all meetings among the parties related to the Tender provided such meetings could have an impact on the contractual relations between the parties. The parties will offer to the IEM the option to participate in such meetings.

6.7 As soon as the IEM notices, or believes to notice, a violation of this Agreement, he will so inform the Additional Municipal Commissioner. The IEM can in this regard submit non-binding recommendations. If Additional Municipal Commissioner has not, within a reasonable time, taken visible action to proceed against such offence, the IEM may inform directly to the Municipal Commissioner.

6.8 The IEM will submit a written report to the Municipal Commissioner / Additional Municipal Commissioner within 8 to 10 weeks from the date of service or intimation to him by B.M.C./ Bidder and should the occasion arise, submit the proposal for correcting problematic situations.

6.9 The word "IEM" would include both singular and plural.

6.10 Both the parties accept, that the recommendation of IEM would be in the nature of advise and would not be legally binding. The decision of Municipal Commissioner in any matter/ complaint will be the final decision.

7. VALIDITY OF THE PACT

7.1 The validity of this Integrity Pact shall be from the date of its signing and extend upto two years or the complete execution of the contract to the satisfaction of the B.M.C. and BIDDER / Seller, including warranty period, whichever is later. In case BIDDER is unsuccessful, this Integrity Pact shall expire after six months from the date of the signing of the contract.

7.2 If any claim is made/ lodged during the validity of this contract, such claim shall be binding and continue to be valid despite the lapse of this pact unless it is discharged / determined by the Municipal Commissioner / Additional Municipal Commissioner of the B.M.C.

8. FACILITATION OF INVESTIGATION

In case of any allegation of violation of any provisions of this Pact or payment of commission, the BMC or its agencies OR Independent External Monitor shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible health for the purpose of such examination.

9. MISCELLANEOUS

9.1 This Agreement / Pact is subject to the Indian Laws, place of performance and jurisdiction is the registered office of the B.M.C. i.e. Mumbai and the actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extent law in force relating to any civil or criminal proceedings.
