Sr.No.	Name of the firm	Queries raised	B.M.C.'s Clarification/Reply
1	M/s J. S. Infratech	1) Kindly consider changes in the conditions of Security Deposit, Contract Deposit, unlike in other Tenders, DD is asked instead of Contract Deposit BG and Retention money clause asks for 15% instead of 5% unlike in	1) Request cannot be accepted. Tender condition prevails.

		<p>other Tenders. Also your BOQ is as per old GST rate of 12% and now the same has been revised by GST department to 18%, kindly clear how the same will be incorporated in this tender. These clauses of Tender is actually revenue loss to the department because after considering such conditions rates will be quoted by the tenderer which obviously run on a higher side to the run of 8% to 10%. Hence it's a request to kindly review the said conditions and give certain relaxation in terms and conditions".</p>	
		<p>2) "In addition to this we would like to bring to your notice that the work site was visited by us and we found that it is very newly laid CC road and we do not get permission to excavate to excavate newly laid road."</p>	<p>2) Refer circular no. Ch. Eng.(Rds & Tr.) / 1744 / dtd:-21.06.2022 for the same. As per above circular, department will take trench permission.</p>
