	Letter	of work, Retention Money (RM) clause was	
	Dtd :26.08.2024	kept at 15%. After that the same conditions	
		were revised to 5% for CCRD work. Now	
		again in this CCRD Tender, there is again a	
		revision in RM to 15%. We as a Contractor	
		are seriously confused and amazed why

2)We would like to reiterate and stress upon the point of Retention money which should be looked upon because Deduction of 15% R.M. in every RA bill is in turn causing loss to BMC as Tenderer quoting the Tender would definitely take this over heads of work into consideration while quoting for the Tender and which in turn escalates the cost so we therefore request to change 15% R.M. to 5% R.M likewise which was done in earlier Tenders and thus saving the precious funds of BMC. 3)As per MCGM Rate Analysis format the profit of firm quoting the tender is beenfixed at 15%, and before the execution of work the tenderer is asked to deposit15% for Retention money, 2% Contract deposit and 1% Performance BG, 5% Vigilance Deposit & 5% GIS than how a firm quoting the Tender would actually benefit by filling in this Tender. Over and above there are certain investment also while executing the Tender than how come Tenderer would actually be able to execute the day-to-day activity of the Tender if he himself is not getting anything out of executing the work. 4)As per the DLP clause the work of HE the DLP stands at 1 year and for RI the DLP stands at 1 year and for RI the DLP stands at 3 years than it's a request to kindly split the Bank Guarantee depending on the amount of the work as per the respective DLP.	clause?

		which is mentioned WDIP Work as scope	
		of works are same. (Copy of Scope of work	
		of Both WDIP and BOC tender Attached at	
		Pg. No. C-5to C-13)	
4)	M/s. Swastik	1)In this regard we would like to request	Please refer Corrigendum I.
	Constructions Dtd: 27.08.2024	you your good self to please extend the date	
	Dia. 27.00.2024	of submission of WDIP tenders by 03	
		working days as it practically takes 3-4	
		working days to prepare 15 tenders and its	
		related paper works as all the 15 tenders are	

on same date & time. We strongly fill date	
that extending the tender submission date of	
WDIP tenders by 3-4 days will not make	
any difference to BMC & in fact will help	
more vendors/Contractors to prepare	
maximum tenderers there by increasing the	
competition for caption tenders	

All tenderer's should note that all the documents shall be carefully uploaded.

The meeting then concluded with vote of thanks to the chair.
