SECTION 4: Instructions to Vendors participating in e-Tendering for the supply of Infusion Set to KEM Hospital

1.	The e-Tendering process of BMC is enabled through Mahatender portal (https://mahatenders.gov.in). However, tender document can be downloaded from BMC's portal website under "Quotation" section or from Mahatender portal.
2.	Bidder should do Online Enrolment in this Portal using the option Click Here to Enroll available in the Home Page. Then the Digital Signature enrollment has to be done with the e-token, after logging into the portal. The e-token may be obtained from one of the authorized Certifying Authorities such as eMudhraCA /GNFC/ IDRBT/ MTNL Trustline/ SafeScript/TCS.
3.	Bidder then logs into the portal giving user id / password chosen during enrollment. and follow the instructions given in the document 'Bidders manual kit – online bid submission – Three Cover Bid Submission New' which is available on e-tendering portal of Government of Maharashtra i.e.' https://mahatenders.gov.in '
4.	The e-token that is registered should be used by the bidder and should not be misused by others.
5.	DSC once mapped to an account cannot be remapped to any other account. It can only be Inactivated
6.	The Bidders can update well in advance, the documents such as certificates, purchase order details etc, under My Documents option and these can be selected as per tender requirements and then attached along with bid documents during bid submission. This will ensure lesser upload of bid documents
7.	After downloading / getting the tender schedules, the Bidder should go through them carefully and then submit the documents as per the tender document; otherwise, the bid will be rejected.
8.	The BOQ template must not be modified/ replaced by the bidder and the same should be uploaded after filling the relevant columns, else the bidder is liable to be rejected for that tender. Bidders are allowed to enter the Bidder Name and Values only.
9.	If there are any clarifications, this may be obtained online through the e-Procurement Portal, or through the contact details given in the tender document. Bidder should take into account of the corrigendum published before submitting the bids online
10.	Bidder, in advance, should prepare the bid documents to be submitted as indicated in the tender schedule and they should be in PDF/XLS/RAR/DWF formats. If there is more than one document, they can be clubbed together. Bidders should upload the documents serially as asked in document.
11.	Bidder should Pay EMD and other charges, where applicable, as per the instructions given in the Tender Notice and / or Tender Document

12.	Bidders should note that the Tender fee will be payable through mahatenders portal by online only.
13.	The bidder reads the terms and conditions and accepts the same to proceed further to submit the bids.
14.	The bidder has to submit the tender document(s) online well in advance before the prescribed time to avoid any delay or problem during the bid submission process. Vendors trying to submit the bid at last moment just before due date and due time and failing to do so due to system problems at their end, internet problems, User Id locking problems etc. shall note that no complaints in this regard will be entertained. The Tender Inviting Authority (TIA) will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues. So The bidders are requested to submit the bids through online e-Procurement system to the TIA well before the bid submission end date and time (as per Server System Clock).
15.	There is no limit on the size of the file uploaded at the server end. However, the upload is decided on the Memory available at the Client System as well as the Network bandwidth available at the client side at that point of time. In order to reduce the file size, bidders are suggested to scan the documents in 75-100 DPI so that the clarity is maintained and also the size of file also gets reduced. This will help in quick uploading even at very low bandwidth speeds.
16.	It is important to note that, the bidder has to Click on the Freeze Bid Button, to ensure that he / she completes the Bid Submission Process. Bids Which are not Frozen are considered as Incomplete / Invalid bids and are not considered for evaluation purposes.
17.	The bidder may submit the bid documents online mode only, through mahatenders portal. Offline documents will not be handled through this system.
18.	At the time of freezing the bid, the e-Procurement system will give a successful bid updation message after uploading all the bid documents submitted and then a bid summary will be shown with the bid no, date & time of submission of the bid with all other relevant details. The documents submitted by the bidders will be digitally signed using the e-token of the bidder and then submitted.
19.	After the bid submission, the bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid. The bid summary will act as a proof of bid submission for a tender floated and will also act as an entry point to participate in the bid opening event.
20.	Successful bid submission from the system means, the bids as uploaded by the bidder is received and stored in the system. System does not certify for its correctness.
21.	It is the responsibility of the vendors to maintain their computers, which are used for submitting their bids, free of viruses, all types of malware etc. by installing appropriate anti-virus software and regularly updating the same with virus free signatures etc. Vendors should scan all the documents before uploading the same. if the documents

	could not be opened, due to virus, during tender opening, the bid is liable to be rejected.
22.	The time that is displayed from the server clock at the top of the tender Portal, will be valid for all actions of requesting bid submission, bid opening etc., in the e-Procurement portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30. The bidders should adhere to this time during bid submission
23.	All the data being entered by the bidders would be encrypted at the client end, and the software uses PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission and not viewable by any one until the time of bid opening. Overall, the submitted bid documents become readable only after the tender opening by the authorized individual.
24.	During transmission of bid document, the confidentiality of the bids is maintained since the data is transferred over secured Socket Layer(SSL) with 256 bit encryption technology. Data encryption of sensitive fields is also done.
25.	All the tender notices including e-Quotation notices will be published under the ‘ ‘ section of MCGM Portal and on Mahatender portal.
26.	All interested vendors, are required to be registered with BMC for e-Tendering process. Vendors not registered with BMC before can apply on-line by clicking the link ‘Vendor Registration’ under the ‘e-Procurement’ section of BMC Portal, Vendors already registered with BMC need to contact helpdesk to extend their registration to e-Tendering process.
27.	Manual offers sent by post/Fax or in person will not be accepted against e-tenders even if these are submitted on the Firm’s letter head and received in time. All such manual offers shall be considered as <u>invalid offers</u> and shall be rejected summarily without any consideration.
28.	As BMC has switched over to e-Tendering, if any references in this tender document are found as per manual bidding process like Packets A, B, C etc. may please be ignored. All documents that are required to be submitted as part of eligible & technical bid, need to be uploaded in the Packets provided for this purpose and commercial bid need to be filled online.
29.	Affixing of digital signature for the bid document while submitting the bid, shall be deemed to mean acceptance of the terms and conditions contained in the tender document as well as confirmation of the bid/bids offered by the vendor which shall include acceptance of special directions/terms and conditions if any, incorporated.
30.	The browser settings required for digitally signing the uploaded documents are provided under download section of Mahatender Portal. Site compatibility required for Mahatender portal has been provided under Site compatibility on Home Page of Mahatender Portal.
31.	The administrative, technical and commercial evaluation documents will be available for all the participating vendors after completion of the evaluation.

32.	Additional information can be availed by referring to FAQs under FAQ on Home Page of Mahatender Portal.
33.	For any help, in the e-Tendering process, can be availed by dialing help-desk number or Email support provided under contact us on Home Page of Mahatender Portal.
