## **DISASTER MANAGEMENT DEPARTMENT**

Chief Officer/ T- 02 / DM dtd.20.05.2025

**Tender ID: 2025 MCGM 1182175 1**

### **e-Tender Notice (Web site)**

**Subject: - SITC of IP based CCTV system along with the buyback of existing IP based CCTV system installed at DMU MHO and Comprehensive Annual Maintenance Contract of CCTV system for 4 years after DLP Period of 1 year.**

The Municipal Commissioner of Greater Mumbai invites the following online tender. The application form can be downloaded from NICs portal (<https://mahatenders.gov.in>) on payment of ₹3630 + 18% GST. A Bidder will be required to deposit an Earnest Money Deposit of Rs.22300/- . The applicants not registered with BMC are mandated to get registered (Vendor Registration) with BMC.

The forms of Tender documents are available on the e-Tendering website <https://mahatenders.gov.in>. The aspiring Applicants will have to download Tender form, from the website mentioned above. The bidder has to fill in online format and upload information regarding Tender Online. Also he has to download the Tender application form from website, fill it and upload the scanned copy of duly filled form, along with required documents.

For purchasing the Tender documents, the bidders will have to get registered with e-tender portal (<https://mahatenders.gov.in>) for the e-tendering process and obtain login credentials to participate in the online Tender process. The details of the same are available on <https://mahatenders.gov.in>. For registration, enrolment for digital signature certificates and user manual, please refer to respective links provided in e-tendering tab on <https://mahatenders.gov.in>.

Note:-\*Applicable only if e-procurement (Mahatenders) system permits.

In terms of the 3 stage system of e-tendering, a Bidder will be required to deposit, along with its Bid, an Earnest Money Deposit of ₹ 22300/- through payment gateways of GOM on URL <https://mahatenders.gov.in> refundable in accordance to the relevant clause of bid document, from the Bid Due Date, except in the case of the selected Bidder whose Bid Security/EMD shall be retained. The Bidders will have to provide Earnest Money Deposit through the payment gateways while submitting the bids. The Bid shall be summarily rejected if it is not accompanied by the Earnest Money Deposit. The e-tender notice is available on NIC Portal <https://mahatenders.gov.in> as mentioned in the Header Data of the tender.

As per THREE Packet systems, the document for Packet A & B is to be uploaded by the bidder in vendors' document online in Packet A, B. Packet A, B & C shall be opened on dates as mentioned in header data. All the responsive and eligible bidders if they so wish can be present at the time of opening of bids, in the office of **Chief Officer (Disaster Management Department)** . The Packet C shall be opened if bids submission in Packet A& B satisfies/includes all the requirements and same are found acceptable to the Authority.

The Municipal Commissioner reserves the right to reject all or any of the e- tender(s) without assigning any reasons at any stage.

The dates and time for submission and opening the bids are as shown in the Header Data. If there are any changes in the dates the same will be displayed on the NIC Portal <https://mahatenders.gov.in>.

BMC has opened a help desk regarding queries related to online tender filling process. Bidders may contact helpdesk on any working day between 1100Hrs to 1700Hrs, Telephone No. 022-24811275& e-Mail Id: [etendering.it@mcgm.gov.in](mailto:etendering.it@mcgm.gov.in) for assistance regarding e-Tendering procedure.

Any clarification on Tender contents i.e. scope of work, terms & conditions of subject work shall be communicated to concern Executive Engineer (M&E) or Sub Engineer (M&E) or Junior Engineer(M&E) whose contact Nos. are 61234000, 22694725/27, 9820303625, 9921735060, 9595043643 & email address is [co.dm@mcgm.gov.in](mailto:co.dm@mcgm.gov.in)

The technical and commercial bids shall be submitted on line up to the Bid End Date & Time mentioned below.

Sr. No.	Name of the work	Earnest Money Deposit (Rs.)	Scrutiny Price (Rs.)	Bid Start Date & time	Pre-bid date & time	Bid End Date & time
1	2	3	4	5	6	7
1.	SITC of IP based CCTV system along with the buyback of existing IP based CCTV system installed at DMU MHO and Comprehensive Annual Maintenance Contract of CCTV system for 4 years after DLP Period of 1 year.  <b>Tender ID.: 2025_MCGM_1182175_1</b>	Rs. 22300/-	Rs. 3630 + 18% GST	<b><u>21/05/2025</u> from 06:00 PM</b>	<b><u>28/05/2025</u> at 03.00 PM</b>	<b><u>11/06/2025 Upto 03:00PM</u></b>

**The bidders fulfilling the following criteria are eligible to bid for tender-**

**1.1 Technical Capacity (For Routine Work)**

The renderer(s) in their own name should have satisfactorily executed the work of similar nature in BMC /Semi Govt. /Govt. & Public Sector Organizations during **last seven (7) years ending last day of month previous to the one in which bids are invited** as a prime Contractor (or as a nominated sub-Contractor, where the subcontract had involved similar nature of work as described in the scope of works in this bid document, provided further that all other qualification criteria are satisfied)

**Note: Partly completed work of ongoing contract will not be considered as completed work and the same will not be considered for evaluation of technical capacity.**

- a) **Three similar completed works each** of value not less than the value equal to Rs.222397/-  
Or
- b) **Two similar completed works each** of value not less than the value equal to Rs.277996/-  
Or
- c) **One similar completed work** of value equal and or not less than the Rs.444794/-

The value of executed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.

Chief Officer  
(DMP & CCRS)

**BRIHANMUMBAI MUNICIPAL CORPORATION**  
**DISASTER MANAGEMENT DEPARTMENT**

**TECHNICAL SPECIFICATIONS & SCOPE OF WORK**

**Preamble:** Disaster Management Department of BMC is situated at 2<sup>nd</sup> floor of Annex building of Municipal head office, Mumbai. The centralized operation of disaster management is executed from this office. This department has installed IP based CCTV system at this office during the FY 2016-17. CSMC period of 5 years of this system has completed in Dec-2022.

This department has proposed to buyback the existing IP based CCTV system installed at this department and install new IP based CCTV system along with 4 years of CSMC after the completion of DLP period of 1 year.

➤ **Scope of Work & Terms & Conditions**

• **Part A – SITC of IP Based CCTV System as per the specification and BOQ :**

1. The bidders shall visit this office to assess the quantum of the work & terms and conditions and get well acquainted with entire Scope of work prior to submitting their offer.

**Chief Officer (DMP&CCRS)**

**2nd floor, Annex Building,**

**BMC Head Office, Mahapalika Marg,**

**Fort, Mumbai – 400001.**

**Tel. 022-22694725 / 27 Fax.022 22694719.**

The bidder shall be solely responsible for the discrepancy or any shortcomings in their offer thereafter. Also all the prospective bidders must upload site survey report duly signed by BMC site in charge during the visit in Packet A.

2. The entire work will be treated as a single job. There will not be any splitting of work on line item basis.
3. **Lowest successful bidder has to complete the entire work mentioned against part A within 45 days from the issuance of Letter of Acceptance by this department** Failing to which, a penalty of 1000/- per day will be levied.
4. This department will not provide any additional cost besides the cost quoted in the Packet 2 (Commercial Packet) submitted by the bidder.

5. The overall quantum of the work may vary to any extent and if the scope of the work is reduced to any extent, the contractor shall not claim any compensation and no payment will be made towards claim / compensation. If the quantum of the work get exceed tender amount, the contractor has to execute the work for additional amount at the same quoted rate. This point shall be considered while quoting the tender. however the payment will be made as per the actual quantity of BOQ utilised within contract limit.
6. The allied accessories / components, if required to make CCTV Surveillance system functional, shall be considered and installed without any extra cost. These accessories / components shall be installed as per BMC's approved procedure mentioned in USOR 2023. The contractor shall make the arrangement for referring USOR 2023 of BMC on their own before submission of tender.
7. All prospective bidders have to strictly followed the specifications mentioned BOQ. All the Cameras and allied equipments shall be strictly as per BMC's technical specifications. No Chinese brand cameras will be entertained / considered for fair competitiveness and organizational benefits. Any such proposals with Chinese brand equipments will be out rightly rejected. BMC have every right to demand Certificate of Origin for the cameras as well as their prime components.
8. The contractor shall carry out servicing, repairs and maintenance of CCTV Surveillance System to render trouble free uninterrupted services to the user department as per their requirements and recommendation of manufacturer.
9. The successful bidder shall visit the sites and submit the required architecture / plan  
Drawings of complete surveillance system & the necessary interfacing arrangements, types of cables, cabling arrangement for the transfer of video images, data, signal etc. along with the specifications within 7 days from issuance of LOA.
10. The successful bidder should attend the break down calls whenever called by the department free of cost.
11. The contractor shall replace the spares of all the equipments related to the CCTV Surveillance System if found necessary at their cost during the entire contract period.

12. The contractor shall clean the premises of Control room, after carrying out servicing works & as when directed by site in charge. No material, dirt, caused during servicing shall be left in the room.
13. The contractor shall submit the copies of service reports to competent authority every month for the services rendered to CCTV Surveillance System.
14. The lowest successful bidder must have to conduct SITC of Fluke Testing of UTP Submission report after the installation of whole system.
15. The complete risk of human life while carrying out the service & maintenance of CCTV will be borne by contractor for their employees. Any damages caused to the municipal property/human being will be recovered from the bills of the contractor.
16. The payment shall be preferably made quarterly on Pro-rata basis after satisfactory service during the quarter period and on receipt of bill and service report from the contractor.
17. This contract is terminable by BMC by giving one calendar month's notice in writing of intention to discontinue it.
18. In case of dispute the Municipal Commissioner's decision will be final and binding on both the parties.
19. Municipal Commissioner is not bound for any relief/compensation if there is any reduction in the scope/quantum of the work or if no work is awarded at all.
20. Municipal Commissioner reserves the right to reject any tender or all tenders without assigning any reason therefore. Municipal Commissioner reserves the right to negotiate with the lowest bidder of each zone.
21. System Hardware: All the cables (Data cable, Power cable, etc., if required) shall be laid down as per BMC's approved procedure mentioned in USOR-2018. The contractor shall go through Specifications and USOR-2018 available on BMC website before submission of tender.
22. . The contractor shall submit the reference list of installation for similar products / components in the technical bid along with the copy of work order, satisfactory work completion certificate from the organizations where these equipments were installed.
23. The contractor shall submit the information about, the make, their technical data sheet along with codification and order code for the products which they are going to offer in the technical bid.

24. All the cameras and NVR shall be exclusively of same make in (Axis/Pelco/Matrix/Bosch) only. The same shall be necessarily certified by the Original Equipment Manufacturer (OEM)
25. Civil Work: The lowest successful bidder will have to carry out all the necessary civil works like trenching, cutting & filling of terminates, arrangement for cable pulling, pole foundation, etc. if required for the successful installation of above CCTV system. Also, this department will not borne any additional cost for civil work during installation of CCTV Camera at CIDM, Parel.
26. Remote Viewing facility: Contractor shall make arrangement so that live streaming of cameras shall be made available on web browser and on Mobile App to BMC officials.
27. The contractor shall extend full cooperation and interaction with other agencies at site, if involved.
28. While carrying out the work, if any damage is caused to any Municipal property, the same shall be restored by the contractor as per the guidelines from the BMC engineer. The cost of restoration / re - installation shall be borne by the contractors.
29. The work shall be carried out with good workmanship following standard Engineering practice.
30. The successful contractors shall take utmost care not to cause any nuisance due to noise, welding, operations etc. All the proper precautions shall be taken by them in this respect.
31. Rack of appropriate size as per requirement of site along with trays for mounting Switches, NVR, Monitor etc., if any, shall be provided at each location.
32. While carrying out the work, if any damage is caused to any Municipal property, the same shall be made good by the contractor as per the guidelines from the BMC engineer. The cost of re-instatement shall be borne by the contractors.
33. The work shall be carried out with good workmanship following standard Engineering practice. The contractor shall depute the workmen of best knowledge of carrying out the work.
34. The contractor shall provide "Identity Card" to all the work force at site.

35. The contractor shall extend full cooperation and interaction with other agencies at site, if involved.
36. Electricity & water required for carrying out the work will be provided by BMC, however necessary arrangements to get the same up to the site shall be made by the successful Contractor.
37. Guarantee shall consist of repairing or replacing defective parts free of cost during guarantee period.
38. All the cables to be supplied (Data cable, Power cable, Video cable etc., if required) shall be new and of the fresh stock.
39. The payment of cable and conduit shall be made on actual laid basis and the quantity of cable given in the tender are only for estimate purpose.
40. All tools, tackles, testing equipments, skilled and unskilled manpower for the execution of contract are to be arranged by the successful contractor.
41. The bidder shall have service center or Support / Back-up office in Mumbai or Thane.
42. Training: The contractor shall impart necessary exhaustive training to staff so that they should be able to operate the system fluently on their own.
43. All the required software and firmware upgrades shall be the contractor's responsibility without having any additional cost during the contract period.
