

BRIHANMUMBAI MUNICIPAL CORPORATION

Water Supply Projects

NOTICE FOR INVITATION OF TENDERS

TENDERID :2025_MCGM_1212532

Subject:-Structural Repairs to Powai High Level Reservoir-I in S ward including consultancy charges.

The Brihanmumbai Municipal Corporation (BMC) invites online e-Tender for the following work in three packets (A, B &C) System on **Percentage Rate Basis**, to appoint Contractor for the aforementioned work from contractors of repute, multidisciplinary engineering organizations i.e. eminent firm, Proprietary/Partnership Firms/ Private Limited Companies/ Public Limited Companies / companies registered under the Indian companies act 2013, the contractors registered with the Brihanmumbai Municipal Corporation, (BMC) in **Class IA as per the new registration rules** and from the contractors/firms equivalent and superior classes registered in Central or State Government/Semi Govt. Organization/Central or State Public Sector Undertakings (excluding those who are blacklisted or debarred from bidding in BMC, P.W.D, other Government/ Semi Government organizations in India), will be allowed subject to condition that, the contractors who are not registered with BMC will have to apply for registering their firm within three months time period from the award of contract, and shall establish office in Mumbai Metropolitan Region otherwise their Bid Security i.e.E.M.D (Earnest Money Deposit) will be forfeited/recovered and an amount equal to Registration Fee of respective class will be recovered as a penalty. Bidding Process will comprise of **THREE** stages.

A. Technical Capacity (Clause No 2.1)

The tenderer(s) should have satisfactorily completed the work of similar nature in BMC /Semi Govt. /Govt. & Public Sector Organizations during **last Seven(7) years** ending last day of month previous to the one in which bids are invited as a prime Contractor (or as a nominated sub-Contractor, where the subcontract had involved in similar nature of work as described in the scope of works in this bid document, provided further that all other qualification criteria are satisfied).

- a. **Three completed works of similar nature having estimated cost not less than Rs. 5.80 Cr each.**

OR

- b. **Two completed works of similar nature having estimated cost not less than Rs. 7.25 Cr each.**

OR

- c. **One completed works of similar nature having estimated cost not less than Rs. 11.60 Cr.**

The value of completed works shall be brought to current costing level by enhancing the actual value of work at compound rate of 10 % per annum; calculated from the date of completion to last date of receipt of applications for tenders.

In case of ongoing works, the bidder must have received payment bills of 80% of the contract sum for the work/works executed last day of month previous to the one in which bids are invited.

Similar Work Experience (Clause No 2.2)

Similar work means Construction or Re-construction or Structural repair of RCC / Masonry/Colcrete Water Reservoirs/Water treatment plant/Sewage treatment plant etc. partly underground or above ground, having minimum storage capacity of 22 ML.

B. Financial Capacity (Clause No 2.3)

The bidder shall have achieved **an average annual financial turnover** as certified by 'Chartered Accountant' (in all classes of civil engineering construction works only) not less

than **Rs. 8.70 Crore** in **last 3 (three) financial years** immediately preceding the financial year in which bids are invited.

- To ascertain this, tenderer(s) shall furnish / upload the financial statement (Audited balance sheet) duly certified by Chartered Accountant.
- The turnover can be enhanced by 10% every year to bring the present level.

Bid Capacity (Clause No 2.4)

The bid capacity of the prospective bidders will be calculated as under:

$$\text{Assessed Available Bid Capacity} = (A * N * 2 - B)$$

Where,

A = Maximum value of Civil Engineering works executed in any one year (year means Financial year) during **the last five years** (updated to the price level of the Financial year in which bids are received at a rate of 10% per year) taking into account the completed as well as works in progress.

N= Number of years prescribed for completion of the Project/Works, excluding monsoon period, for which these bids are being invited.(E.g. 7 months = 7/12 year) For every intervening monsoon,0.33 shall be added to N.(**Take value of N = 3.49**)

B= Value of existing commitments (only allotted works) on the last date of submission of bids as per bidding document and on-going works to be completed during the period of completion of the Project/Works for which these bids are being invited. **For cost of balance works, the certificate issued by authority indicating the cost of balance works is necessary.** The copy of Measurement Book (MB) /Bill copy will not be accepted for evaluation/calculation of balance work.

Note: The statement showing the value of existing commitments and on-going works as well as the stipulated period of completion remaining for each of the works listed should be attached along with certificates duly signed by the Engineer-in Charge, not below the rank of an Executive Engineer or equivalent.

The evaluated bid capacity shall be more than the total cost of the work.

Even though the bidders meet the above qualifying criteria, they are subject to be disqualified if they have:

- made misleading or false representation in the forms, statements and attachments submitted in proof of the qualification requirements; and/or
- Record for poor performance such as abandoning the works, not properly completing the contract, inordinate delays in completion, litigation history, or financial failures etc.
