III. E-Tendering Process

1. Tender Forms can be downloaded from e - Procurement system of Government of Maharashtra i.e. <http://mahatenders.gov.in> after entering the details of payment toward Tender Fees as per the Header Data / tender notice.
2. The tender submitted by the tenderer shall be based on clarification, additional facility issued (if any) by the BMC, and this tender shall be unconditional. Conditional tenders will be summarily REJECTED.

3. All tenderers are cautioned that the tenders containing any deviation, from the contractual terms and conditions, specifications or other requirements, and conditional tenders will be rejected as non- responsive.
4. Tenderer should have valid class III digital signature certificates (DSC) obtained from any certifying Authorities. In case of requirements of DSC, interested Bidders should go to <http://mahatenders.gov.in>, information about DSC and follow the procedure mentioned in the document. Procedure for application of "Digital Signature Certificate".
5. Bidder should do Online Enrolment in e-procurement portal of Government of Maharashtra i.e. <https://mahatenders.gov.in> using the option Click Here to Enroll available in the Home Page. Then the Digital Signature enrolment has to be done with the e -token, after logging into the portal. The e-token may be obtained from one of the authorized Certifying Authorities such as e-Mudhra CA /GNFC IDRBT MTNLTrustline /SafeScript /TCS.
6. Bidder then logs into the portal giving user id / password chosen during enrolment.
7. The e-token that is registered should be used by the bidder and should not be misused by others.
8. DSC once mapped to an account cannot be remapped to any other account. It can only be inactivated.
9. The Bidders can update well in advance, the documents such as certificates, purchase order details etc., under My Documents option and these can be selected as per tender requirements and then attached along with bid documents during bid submission. This will ensure lesser upload of bid documents.
10. After downloading / getting the tender schedules, the Bidder should go through them carefully and then submit the documents as per the tender document, otherwise, the bid will be rejected.
11. The BOQ template must not be modified/replaced by the bidder and the same should be uploaded after filling the relevant columns, else the bidder is liable to be

rejected for that tender. Bidders are allowed to enter the Bidder Name and Values only.

14. Bidder should arrange for the EMD as specified in the tender.
15. The bidder reads the terms and conditions and accepts the same to proceed further to submit the bids.
16. The bidder has to submit the tender document (s) online well in advance before the prescribed time to avoid any delay or problem during the bid submission process.
17. There is no limit on the size of the file uploaded at the server end. However, the upload is decided on the Memory available at the Client System as well as the Network bandwidth available at the client side at that point of time. In order to reduce the file size, bidders are suggested to scan the documents in 75-100 DPI so that the clarity is maintained and also the size of file also gets reduced. This will help in quick uploading even at very low bandwidth speeds
18. It is important to note that, the bidder has to Click on the Freeze Bid Button, to ensure that he/she completes the Bid Submission Process. Bids which are not frozen are considered as Incomplete /Invalid bids and are not considered for evaluation purposes.
19. The Tender Inviting Authority (TIA) will not be held responsible for any sort of delay or the difficulties faced during the submission of bids online by the bidders due to local issues.

20. The bidder may submit the bid documents online mode only, through this portal. Offline documents will not be handled through this system.
21. At the time of freezing the bid, the e-Procurement system will give a successful bid updating message after uploading all the bid documents submitted and then a bid summary will be shown with the bid no, date & time of submission of the bid with all other relevant details. The documents submitted by the bidders will be digitally signed using the e-token of the bidder and then submitted.
22. After the bid submission, the bid summary has to be printed and kept as an acknowledgement as a token of the submission of the bid. The bid summary will act as a proof of bid submission for a tender floated and will also act as an entry point to participate in the bid opening event.
23. Successful bid submission from the system means, the bids as uploaded by the bidder is received and stored in the system. System does not certify for its correctness.
24. The bidder should see that the bid documents submitted should be free from virus and if the documents could not be opened, due to virus, during tender opening, the bid is liable to be rejected.
25. The time that is displayed from the server clock at the top of the tender Portal, will be valid for all actions of requesting bid submission, bid opening etc., in the e-Procurement portal. The Time followed in this portal is as per Indian Standard Time (IST) which is GMT+5:30. The bidders should adhere to this time during bid submission.
26. All the data being entered by the bidders would be encrypted at the client end, and the software uses PKI encryption techniques to ensure the secrecy of the data. The data entered will not be viewable by unauthorized persons during bid submission and not viewable by any one until the time of bid opening. Overall, the submitted bid documents become readable only after the tender opening by the authorized individual.

27. During transmission of bid document, the confidentiality of the bids is maintained since the data is transferred over secured Socket Layer (SSL) with 256 bit encryption technology. Data encryption of sensitive fields is also done.
28. The bidders are requested to submit the bids through online e-Procurement system to the TIA well before the bid submission end date and time (as per Server System Clock).
29. Bidder Manual Kit available on website <https://mahatenders.gov.in> for online payment of Tender Fee and EMD, submission of tender Packet 'A', 'B' and 'C', etc.

GENERAL CONDITIONS OF CONTRACT

General Conditions of Contract

A. General

1. Definitions

1.1. Terms which are defined in the Contract Data are not also defined in the Conditions of Contract but keep their defined meanings. Capital initials are used to identify defined terms.

The “Contract” shall mean the tender and acceptance thereof and the formal agreement if any, executed between the Contractor, Commissioner and the Corporation together with the documents referred to therein including these conditions and appendices and any special conditions, the specifications, designs, drawings, price schedules, bills of quantities and schedule of rates. All these documents taken together shall be deemed to form one Contract and shall be complementary to one another.

The Contract Data defines the documents and other information which comprise the Contract.

The “Contractor” shall mean the individual or firm or company whether incorporated or not, whose tender has been accepted by the employer and the legal successor of the individual or firm or company, but not (except with the consent of the Employer) any assignee of such person.

The Bidder is a person or corporate body who has desired to submit Bid to carry out the Works, including routine maintenance till the tender process is concluded.

The Contractor's Bid is the completed bidding document submitted by the Contractor to the Employer.

The “Contract Sum” means the sum named in the letter of acceptance including Physical contingencies subject to such addition thereto or deduction there-from as may be made under the provisions hereinafter contained.

Note : The contract sum shall include the following -

- In the case of percentage rate contracts the estimated value of works as mentioned in the tender adjusted by the Contractor’s percentage.

- In the case of item rate contracts, the cost of the work arrived at after finalisation of the quantities shown in schedule of items / quantities by the item rates quoted by the tenderers for various items and summation of the extended cost of each item.
- In case of lump sum contract, the sum for which tender is accepted.
- Special discount / rebate / trade discount offered by the tenderer if any and accepted by the Corporation.
- Additions or deletions that are accepted after opening of the tenders.

The “Contract Cost” means the Contract Sum plus Price Variation. This cost shall be included in the letter of acceptance.

A Defect is any part of the Works not completed in accordance with the Contract.

The Defects Liability Certificate is the certificate issued by the Engineer, after the Defect Liability Period has ended and upon correction of Defects by the Contractor.

Drawings means all the drawings, calculations and technical information of a like nature provided by the Engineer to the Contractor under the Contract and all drawings, calculations, samples, patterns, models, operation & maintenance manual and other technical information of like nature submitted by the Contractor and approved by the Engineer.

The Authority shall mean Brihanmumbai Municipal Corporation (BMC)

The “Employer” shall mean the Municipal Corporation for Greater Mumbai / Municipal Commissioner for Greater Mumbai, for the time being holding the said office and also his successors and shall also include all “Additional Municipal Commissioners, Director (Engineering Services & Projects)” and the Deputy Municipal Commissioner, to whom the powers of Municipal Commissioner, have been deputed under Section 56 and 56B of the Mumbai Municipal Corporation Act.

The Engineer in-charge shall mean the Executive Engineer in executive charge of the works and shall include the superior officers of the Engineering department i.e. Dy.Ch.Eng./ Ch.Eng. and shall mean and include all the successors in Brihanmumbai Municipal Corporation

The Engineer's Representative shall mean the Assistant Engineer, Sub. Engineer/Jr. Engineer in direct charge of the works and shall include Sub Eng./ Jr. Eng of Civil section/ Mechanical section/ Electrical section appointed by Brihanmumbai Municipal Corporation.

The “Engineer” shall mean the City Engineer / the Hydraulic Engineer / the Chief Engineer / the Special Engineer, appointed for the time being or any other officer or officers of the Municipal Corporation who may be authorized by the commissioner to carry out the functions of the City Engineer / the Hydraulic Engineer / the Chief Engineer / the Special Engineer or any other competent person appointed by the employer and notified in writing to the Contractor to act in replacement of the Engineer from time to time.

Contractor’s Equipment means all appliances and things of whatsoever nature required for the execution and completions of the Works and the remedying of any defects therein, but do not include plant material or other things intended to form or forming part of the Permanent Works.

The Initial Contract Price is the Contract Price listed in the Employer's Letter of Acceptance.

The Intended Completion Date is the date on which it is intended that the Contractor shall complete the construction works. The Intended Completion Date is specified in the Contract Data. The Intended Completion Date may be revised only by the Engineer by issuing an extension of time.

Materials are all supplies, including consumables, used by the Contractor for incorporation in the Works and works of routine maintenance.

Plant is any integral part of the Works that shall have a mechanical, electrical, electronic, chemical, or biological function.

Routine Maintenance is the maintenance of activities of the completed structure for five years as specified in the Contract Data.

The “Site” shall mean the land and other places including water bodies more specifically mentioned in the special conditions of the tender, on, under in or through which the permanent works or temporary works are to be executed and any other lands and places

provided by the Municipal Corporation for working space or any other purpose as may be specifically designated in the contract as forming part of the site.

Site Investigation Reports are those that were included in the bidding documents and are reports about the surface and subsurface conditions at the Site.

“Specification” shall mean the specification referred to in the tender and any modification thereof or addition or deduction thereto as may from time to time be furnished or approved in writing by the Engineer.

The Start Date/Commencement Date is given in the Contract Data. It is the date when the Contractor shall commence execution of the Works. It does not necessarily coincide with any of the Site Possession Dates.

A Nominated Sub-Contractor is a person or corporate body who has a Contract with the Contractor to carry out a part of the construction work and/or routine maintenance in the Contract, which includes work on the Site.

Temporary Works are works designed, constructed, installed, and removed by the Contractor that are needed for construction or installation of the Works.

Variation means a change to the:-

- i) Specification and /or Drawings (if any) which is instructed by the Employer.
- ii) Scope in the Contract which is instructed by the Employer.
- iii) Price in the Contract which is instructed by the Employer.

The Works, as defined in the Contract Data, are what the Contract requires the Contractor to construct, install, maintain, and turn over to the Employer. Routine maintenance is defined separately.

Jurisdiction: In case of any claim, dispute or difference arising in respect of a contract, the cause of action thereof shall be deemed to have arisen in Mumbai and all legal proceedings in respect of any claim, dispute or difference shall be instituted in a competent court in the City of Mumbai only.

2. Interpretation

2.1. In interpreting these Conditions of Contract, singular also means plural, male also means female or neuter, and the other way around. Headings have no significance. Words have their normal meaning under the language of the Contract unless specifically defined. The Engineer will provide instructions clarifying queries about these Conditions of Contract.

2.2. If sectional completion is specified in the Contract Data, references in the Conditions of Contract to the Works, the Completion Date, and the Intended Completion Date apply to any Section of the Works (other than references to the Completion Date and Intended Completion Date for the whole of the Works).

2.3. The documents forming the Contract shall be interpreted in the following documents:

(1) Agreement, (2) Letter of Acceptance, (3) Notice to Proceed with the Work , (4) Contractor's Bid, (5) Contract Data, (6) Special Conditions of Contract Part (7) General Conditions of Contract Part I, (8) Specifications, (9) Drawings, (10) Bill of Quantities, and (11) Any other document listed in the Contract Data.

3. Engineer's Decisions

3.1. Except where otherwise specifically stated, the Engineer will decide contractual matters between the Employer and the Contractor in the role representing the Employer. However, if the Engineer is required under the rules and regulations and orders of the Employer to obtain prior approval of some other authorities for specific actions, he will so obtain the approval, before communicating his decision to the Contractor.

3.2. Except as expressly stated in the Contract, the Engineer shall not have any authority to relieve the Contractor of any of his obligations under the contract.

4. Delegation

The Engineer, with the approval of the Employer, may delegate any of his duties and responsibilities to other person(s), except to the Adjudicator, after notifying the Contractor, and may cancel any delegation after notifying the Contractor.

5. Communications

All certificates, notices or instructions to be given to the Contractor by Employer/ Engineer shall be sent on the address or contact details given by the Contractor of Bid. The address and contact details for communication with the Employer/ Engineer shall be as per the details given in Contract Data. Communications between parties that are referred to in the conditions shall be in writing. The Notice sent by facsimile (fax) or other electronic means shall be effective on confirmation of the transmission. The Notice sent by Registered post or Speed post shall be effective on delivery or at the expiry of the normal delivery period as undertaken by the postal service.

6. Subcontracting

6.1. Unless specifically mentioned in the contract subletting will not be allowed. Subletting, where otherwise provided by the contract shall not be more than 25% of the contract price.

6.2. The Contractor shall not be required to obtain any consent from the Employer for:

- a. the sub-contracting of any part of the Works for which the Subcontractor is named in the Contract;
- b. the provision for labour, or labour component.
- c. the purchase of Materials which are in accordance with the standards specified in the Contract.

6.3. Beyond what has been stated in clauses 6.1 and 6.2, if the Contractor proposes sub-contracting any part of the work during execution of the Works, because of some unforeseen circumstances to enable him to complete the Works as per terms of the Contract, the Employer will consider the following before according approval:

a. The Contractor shall not sub-contract the whole of the Works.

b. The permitted subletting of work by the Contractor shall not establish any contractual relationship between the sub-contractor and the Brihanmumbai Municipal Corporation and shall not relieve the Contractor of any responsibility under the Contract.

6.4. The Engineer should satisfy himself before recommending to the Employer whether,

- a. the circumstances warrant such sub-contracting; and

b.the sub-Contractor so proposed for the Work possesses the experience, qualifications and equipment necessary for the job proposed to be entrusted to him.

7. Other Contractors

7.1. The Contractor shall cooperate and share the Site with other Contractors, public authorities, utilities, and the Employer between the dates given in the Schedule of Other Contractors, as referred to in the Contract Data. The Contractor shall also provide facilities and services for them as described in the Schedule. The Employer may modify the Schedule of Other Contractors, and shall notify the Contractor of any such modification.

7.2. The Contractor should take up the works in convenient reaches as decided by the Engineer to ensure there is least hindrance to the smooth flow and safety of traffic including movement of vehicles and equipment of other Contractors till the completion of the Works.

8. Personnel

8.1. The Contractor shall employ for the construction work and routine maintenance the key personnel including technical personnel named in the Contract Data or other personnel approved by the Engineer. The Engineer will approve any proposed replacement of technical personnel only if their relevant qualifications and abilities are substantially equal to those of the personnel stated in the Contract Data.

8.2. The Contractor's personnel shall appropriately be qualified, skilled and experienced in their respective trades or occupations. The Engineer shall have authority to remove, or cause to be removed, any person employed on the site or works, who carries out duties incompetently or negligently and persists in any conduct which is prejudicial to safety, health or the protection of the environment.

8.3. If the Engineer asks the Contractor to remove a person who is a member of the Contractor's staff or work force, stating the reasons, the Contractor shall ensure that the person leaves the Site within seven days and has no further connection with the Works in the Contract.

8.4. The Contractor shall not employ any retired Gazetted officer who has worked in the Engineering Department of the Brihanmumbai Municipal Corporation /State Government and has either not completed two years after the date of retirement or has not obtained Brihanmumbai Municipal Corporation /State Government's permission to employment with the Contractor.

9. Employer's and Contractor's Risks

9.1. The Employer carries the risks which this Contract states are Employer's risks, and the Contractor carries the risks which this Contract states are Contractor's risks.

10. Employer's Risks

10.1. The Employer is responsible for the excepted risks which are (a) in so far as they directly affect the execution of the Works in the Employer's country, the risks of war, invasion, act of foreign enemies, rebellion, revolution, insurrection or military or usurped power, civil war, riot, commotion or disorder (unless restricted to the Contractor's employees) and contamination from any nuclear fuel or nuclear waste or radioactive toxic explosive, or (b) a cause due solely to the design of the Works, other than the Contractor's design.

11. Contractor's Risks

11.1. All risks of loss of or damage to physical property and of personal injury and death which arise during and in consequence of the performance of the Contract other than the excepted risks, referred to in clause 10.1, are the responsibility of the Contractor.

12. Insurance

12.1. The Contractor at his cost shall provide, in the joint names of the Employer and the Contractor, insurance cover from the Start Date to the end of Defects Liability Period, in the amounts and deductibles stated in the Contract Data for the following events which are due to the Contractor's risks:

- a) Loss of or damage to the Works, Plant and Materials;
- b) Loss of or damage to Equipment;

- c) Loss of or damage to property (other than the Works, Plant, Materials, and Equipment) in connection with the Contract; and
- d) Personal injury or death.

12.2. Insurance policies and certificates for insurance shall be delivered by the Contractor to the Engineer for the Engineer's approval on or before 30 days from the date of acceptance of LOA or actual start date of work at site, whichever is earlier. All such insurance shall provide for compensation to be payable in the types and proportions of currencies required to rectify the loss or damage incurred.

12.3. Alterations to the terms of insurance shall not be made without the approval of the Engineer.

12.4. Both parties shall comply with any conditions of the insurance policies.

12.5. If the Contractor does not provide any of the policies and certificates required, the Employer may affect the insurance which the Contractor should have provided and recover the premiums the Employer has paid, from payments otherwise due to the Contractor or if no payment is due, the payment of premiums shall be debt due.

13. Site Investigation Reports

13.1. The Contractor, in preparing the Bid, may rely, at his own risk, on any Site Investigation Reports referred to in the Contract Data, supplemented by any other information available to him, before submitting the bid.

14. Queries about the Contract Data

14.1. The Engineer will clarify queries on the Contract Data.

15. Contractor to Construct the Works and Undertake Maintenance (if specified in the tender)

15.1. The Contractor shall construct, and install and maintain the Works in accordance with the Specifications and Drawings and as per instructions of the Engineer.

15.2. The Contractor shall construct the works with intermediate technology, i.e., by manual means with medium input of machinery required to ensure the quality of works as per

specifications. The Contractor shall deploy the equipment and machinery as required in the contract.

15.3. The Contractor shall take all reasonable steps to protect the environment on and off the Site and to avoid damage or nuisance to persons or to property of the public or others resulting from pollution, noise or other causes arising as a consequence of his methods of operation.

During continuance of the contract, the Contractor and his sub-contractors shall abide at all times by all existing enactments on environmental protection and rules made there under, regulations, notifications and byelaws of the State or Central Government, or local authorities and any other law, bye-law, regulations that may be passed or notification that may be issued in future by the State or Central Government or the local authority. Salient features of some of the major laws that are applicable are given below:

- The Water (Prevention and Control of Pollution) Act, 1974, this provides for the prevention and control of water pollution and the maintaining and restoring of wholesomeness of water. 'Pollution' means such contamination of water or such alteration of the physical, chemical or biological properties of water or such discharge of any sewage or trade effluent or of any other liquid, gaseous or solid substance into water (whether directly or indirectly) as may, or is likely to, create a nuisance or render such water harmful or injurious to public health or safety, or to domestic, commercial, industrial, agricultural or other legitimate uses, or to the life and health of animals or plants or of aquatic organisms.
- The Air (Prevention and Control of Pollution) Act, 1981, this provides for prevention, control and abatement of air pollution. 'Air Pollution' means the presence in the atmosphere of any 'air pollutant', which means any solid, liquid or gaseous substance (including noise) present in the atmosphere in such concentration as may be or tend to be injurious to human beings or other living creatures or plants or property or environment.
- The Environment (Protection) Act, 1986, this provides for the protection and improvement of environment and for matters connected therewith, and the prevention

of hazards to human beings, other living creatures, plants and property. 'Environment' includes water, air and land and the interrelationship which exists among and between water, air and land, and human beings, other living creatures, plants, micro-organism and property.

- The Public Liability Insurance Act, 1991, This provides for public liability insurance for the purpose of providing immediate relief to the persons affected by accident occurring while handling hazardous substances and for matters connected herewith or incidental thereto. Hazardous substance means any substance or preparation which is defined as hazardous substance under the Environment (Protection) Act 1986, and exceeding such quantity as may be specified by notification by the Central Government.

16. The Works and Routine Maintenance to be completed by the Intended Completion Date

16.1. The Contractor may commence execution of the Works on the Start Date and shall carry out the Works and Routine Maintenance, if specified in the tender, in accordance with the Programme submitted by the Contractor, as updated with the approval of the Engineer, and complete them by the Intended Completion Date.

17. Approval by the Engineer

17.1. The Contractor shall submit Specifications and Drawings showing the proposed Temporary Works to the Engineer, who is to approve them if they comply with the Specifications and Drawings.

17.2. The Contractor shall be responsible for design and safety of Temporary Works.

17.3. The Engineer's approval shall not alter the Contractor's responsibility for design and safety of the Temporary Works.

17.4. The Contractor shall obtain approval of third parties to the design of the Temporary Works, where required.

17.5. All Drawings prepared by the Contractor for the execution of the temporary or permanent Works, are subject to prior approval by the Engineer before their use.

18. Safety

18.1. The Contractor shall be responsible for the safety of all activities on the Site. He shall comply with all applicable safety requirements and take care of safety of all persons entitled to be on the site and the works. He shall use reasonable efforts to keep the site and the works, both during construction and maintenance, clear of unnecessary obstruction so as to avoid danger to the persons and the users.

- Workers employed on mixing asphaltic materials, cement and lime mortars shall be provided with protective footwear and protective goggles.
- Stone breaker shall be provided with protective goggles and protective clothing and seated at sufficiently safe intervals.
- The area should be barricaded or cordoned off by suitable means to avoid mishaps of any kind. Power warning signs should be displayed for the safety of the public whenever cleaning works are undertaken during night or day.
- The workers engaged for cleaning the manholes/sewers should be properly trained before allowing working in the manhole.

18.2. Safety Programs:-

- I. Have adequate safety supervision in place to ensure that safety programs set up by the firms/agencies are in compliance with prevalent laws and regulations.
- II. Review safety programs developed by each of the trade firms, prepare and submit a comprehensive safety program.
- III. Monitor day to day implementation of safety procedures.

18.3. First Aid Facilities: -

- i. At every work place there shall be provided and maintained, so as to be easily accessible during working hours, first-aid boxes at the rate of not less than one box for 150 contract labour or part thereof ordinarily employed.
- ii. The first-aid box shall be distinctly marked with a red cross on white back ground.
- iii. Adequate arrangements shall be made for immediate recoupment of the equipment when necessary.
- iv. Nothing except the prescribed contents shall be kept in the First-aid box.
- v. The first-aid box shall be kept in charge of a responsible person who shall always be readily available during the working hours of the work place.

- vi. A person in charge of the First-aid box shall be a person trained in First-aid treatment, in the work places where the number of contract labour employed is 150 or more.

19. Discoveries

- 19.1.** Anything of historical or other interest or of significant value unexpectedly discovered on the Site shall be the property of the Employer. The Contractor shall notify the Engineer of such discoveries and carry out the Engineer's instructions for dealing with them.

20. Possession of the Site

- 20.1.** The Employer shall handover complete or part possession of the site to the Contractor 7 days in advance of construction programme. At the start of the work, the Employer shall handover the possession of at-least 75% of the site free of all encumbrances, the remaining 25 % of the possession as per contractor's construction programme.

21. Access to the Site

- 21.1.** The Contractor shall allow access to the Site and to any place where work in connection with the Contract is being carried out, or is intended to be carried out to the Engineer and any person/persons/agency authorized by: a. The Engineer b. The Employer or authorized by the Employer.

22. Instructions

- 22.1.** The Contractor shall carry out all instructions of the Engineer, which comply with the applicable laws where the Site is located.
- 22.2.** The Contractor shall permit the appointed and/or authorized persons to inspect the Site and/or accounts and records of the Contractor and its subcontractors relating to the performance of the Contract, and to have such accounts and records audited by auditors appointed, if so required. The Contractor's attention is invited to Clause of 'Fraud and Corruption', which provides, inter alia, that acts intended to materially impede the exercise of the inspection and audit rights provided for under the Clause & constitute a obstructive practice subject to contract termination
- 22.3.** Engineer to have power to issue further drawings or instructions:

The Engineer shall have the power and authority from time to time and at all times to make

and issue such further drawings and to give such further instructions and directions as may appear to him necessary or proper for the guidance of the contractor and the good and sufficient execution of the works according to terms of the specifications and Contractor shall receive, execute, obey and be bound by the same, according to the true intent and meaning thereof, as fully and effectually as though the same had accompanied or had been mentioned or referred to in the specification, and the Engineer may also alter or vary the levels or position of nature of works contemplated by the specifications, or may order any of the works contemplated thereby to be omitted, with or without the substitution of any other works in lieu thereof, or may order any work or any portion of work executed or partially executed, to be removed, changed or altered, added if needful, may order that other works shall be substituted instead thereof and difference of expense occasioned by any such diminution or alteration so ordered and directed shall be added to or deducted from the amount of this Contract, as provided under condition no.10(a) hereinafter.

No work which radically changes the original nature of the Contract shall be ordered by the Engineer and in the event of any deviation being ordered which in the opinion of the Contractor changes the original nature of Contract he shall nevertheless carry it out and disagreement as to the nature of the work and the rate to be paid therefore shall be resolved in accordance with condition no. 73.

The time for completion of the Works, shall be in even of any deviations resulting in additional cost over the contract price being ordered, be extended or reduced reasonably by the Engineer. The Engineer's decision in this case shall be final.

B. Time Control

23. Programme

23.1. Within the time stated in the Contract Data, the Contractor shall submit to the Engineer for approval a Programme, including Environment Management Plan showing the general methods, arrangements, order, and timing for all the activities in the Works, along with monthly cash flow forecasts for the construction of works.

After the completion of the construction works, the programme for the Routine Maintenance Work, showing the general methods, arrangements, order and timing for all the activities involved in the Routine Maintenance will also be submitted by the Contractor to the Engineer for approval if specified in the tender. The programme for Routine Maintenance will be submitted in each year for the period of Maintenance.

23.2. The Contractor shall submit the list of equipment and machinery being brought to site, the list of key personnel being deployed, the list of machinery / equipments being placed in field laboratory and the location of field laboratory along with the Programme. The Engineer shall cause these details to be verified at each appropriate stage of the programme.

23.3. An update of the Programme shall be a programme showing the actual progress achieved on each activity and the effect of the progress achieved on the timing of the remaining Works, including any changes to the sequence of the activities.

23.4. The Contractor shall submit to the Engineer for approval an updated Programme at intervals no longer than the period stated in the Contract Data. If the Contractor does not submit an updated Programme within this period, the Engineer may withhold the amount stated in the Contract Data from the next payment certificate and continue to withhold this amount until the next payment after the date on which the overdue Programme has been submitted.

23.5. The Engineer's approval of the Programme shall not alter the Contractor's obligations. The Contractor may revise the Programme and submit it to the Engineer again at any time. A revised Programme shall show the effect of Variations and Compensation Events.

24. Extension Of Time In Contracts :

Subject to any requirement in the contract as to completion of any portions or portions of the works before completion of the whole, the contractor shall fully and finally complete the whole of the works comprised in the contract (with such modifications as may be directed under conditions of this contract) by the date entered in the contract or extended date in terms of the following clauses:

a) Extension attributable to Brihanmumbai Municipal Corporation

- i) **Extension Due To Modification:** If any modifications have been ordered which in the opinion of the Engineer have materially increased the magnitude of the work, then such extension of the contracted date of completion may be granted as shall appear to the Engineer to be reasonable in the circumstances, provided moreover that the Contractor shall be responsible for requesting such extension of the date as may be considered necessary as soon as the cause thereof shall arise and in any case **should not be less than 30 days before the expiry of the date fixed for completion of the works.**
- ii) **Extension For Delay Due To Brihanmumbai Municipal Corporation:** In the event of any failure or delay by the Brihanmumbai Municipal Corporation to hand over the Contractor possession of the lands necessary for the execution of the works or to give the necessary notice to commence the works or to provide the necessary drawings or instructions or any other delay caused by the Brihanmumbai Municipal Corporation due to any other cause whatsoever, then such failure or delay shall in no way affect or vitiate the contract or alter the character thereof or entitle the contractor to damages or compensation therefore, but in any such case, the Brihanmumbai Municipal Corporation may grant such extension(s) of the completion date as may be considered reasonable.

Note: For extension of time period as governed in (i) and (ii) above, any modifications in design/drawings, specifications, quantities shall be needed to be justified with recorded reasons with approval of Ch.Eng. for not anticipating the same while preparing estimates and draft tender.

b) Extension Of Time For Delay Due To Contractor :

The time for the execution of the work or part of the works specified in the contract documents shall be deemed to be the essence of the contract and the works must be completed no later than the date(s) / the programme for completion of work as specified in the contract. If the contractor fails to complete the works within the time as specified in the contract for the reasons other than the reasons specified in above as (a.i) and (a.ii), the Brihanmumbai Municipal Corporation may, if satisfied that the works can be completed by the contractor within reasonable short time hereafter, allow the contractor for further extension of time as the Engineer may decide. On such extension the Brihanmumbai Municipal Corporation will be entitled without prejudice to any other right and remedy available on that behalf, to recover the compensation as governed by Clause 8(e) of GCC.

For the purpose of this Clause, the contract value of the works shall be taken as value of work as per contract agreement including any supplementary work order/contract agreement issued.

Further, competent authority while granting extension to the currency of contract under Clause (b) of as above may also consider levy of penalty, as deemed fit based on the merit of the case. Also, the reasons for granting extension shall be properly documented.

25. Delays Ordered by the Engineer

25.1. The Engineer may instruct the Contractor to delay the start or progress of any activity within the Works. Delay/delays totalling more than 30 days will require prior written approval of the DMC/AMC.

26. Management Meetings

26.1. The Engineer may require the Contractor to attend a management meeting. The business of a management meeting shall be to review the plans for progress of the Works.

26.2. The Engineer shall record the business of management meetings and provide copies of the record to those attending the meeting. The responsibility of the parties for actions to be taken shall be decided by the Engineer either at the management meeting or after the management meeting and stated in writing to all those who attended the meeting.

C. Quality Control

27. Quality Control

27.1. Work to be open to Inspection and Contractor or Responsible agent to be present

However, while quoting the rates benefit of Input Tax Credit or exceptions shall be passed on to the BMC by way of equivalent reduction in quoted price.

39. Currencies

All payments will be made in Indian Rupees.

40. Liquidated Damages

Both, the Contractor and the Employer have agreed that it is not feasible to precisely estimate the amount of losses due to delay in completion of works and the losses to the public and the economy, therefore, both the parties have agreed that the Contractor shall pay liquidated damages to the Employer and not by way of penalty, at the rate per week or part thereof stated in the Contract Data for the period that the Completion Date is later than the Intended Completion Date. Liquidated damages at the same rates shall be withheld if the Contractor fails to achieve the milestones prescribed in the Contract Data. However, in case the Contractor achieves the next milestone, the amount of the liquidated damages already withheld shall be restored to the Contractor by adjustment in the next payment certificate. The Employer and the contractor have agreed that this is a reasonable agreed amount of liquidated damage. The Employer may deduct liquidated damages from payments due to the Contractor. Payment of liquidated damages shall not affect the Contractor's other liabilities.

41. Cost of Repairs

Loss or damage to the Works or Materials to be incorporated in the Works between the Start Date and the end of the Defects Correction periods shall be remedied by the Contractor at his cost if the loss or damage arises from the Contractor's acts or omissions.

E. Finishing the Contract

42. Completion of Construction and Maintenance

42.1. The Contractor shall request the Engineer to issue a certificate of completion of the construction of the works, and the Engineer will do so upon deciding that the works is completed. This shall be governed as per clause no.8 (g) of Standard General Conditions of Contract.

43. Taking Over

43.1. The Employer shall take over the works within seven days of the Engineer issuing a certificate of completion of works. The Contractor shall continue to remain responsible for its routine maintenance during the maintenance period if specified in the contract.

44. Final Account

Final joint measurement along with the representatives of the contractor should be taken recorded and signed by the Contractors. Contractors should submit the final bill within 1 month of physical completion of the work.

If the contractor fails to submit the final bill within 1 month, the Brihanmumbai Municipal Corporation staff will prepare the final bill based on the joint measurement within next 3 months.

Engineer's decision shall be final in respect of claims for defect and pending claims against contractors.

No further claims should be made by the Contractor after submission of the final bill and these shall be deemed to have been waived and extinguished. Payment of those items of the bills in respect of which there is no dispute and of items in dispute, for quantities and rates as approved by the Commissioner shall be made within a reasonable period as may be necessary for the purpose of verification etc.

After payment of the final bill as aforesaid has been made, the contractor may, if he so desires, reconsider his position in respect of a disputed portion of the final bills and if he fails to do so within 84 days, his disputed claim shall be dealt with as provided in the contract.

A percentage of the retention money, over and above the actual retention money as indicated below shall be held back from payments till the finalization of final bill to be submitted as per above and will be paid within 30 days of acceptance of the final bill.

Sr.no.	Amount of Contract Cost	Minimum Payable Amount in final bill
1	Up to Rs.5 Crs.	Rs.10 Lacs or final bill whichever is more
2	Up to Rs.25 Crs.	Rs.1 Crore or final bill amount whichever is more
3	Up to Rs. 50 Crs.	Rs.2 Crores or final bill amount whichever is more
4	Up to Rs.100 Crs.	Rs.4 Crore or final bill amount whichever is more
5	More than Rs.100 Crs.	Rs.7 Crore or final bill amount whichever is more

The contractor has to submit the bill for the work carried out within 15 days from the date of completion of the work to the respective executing department. If the contractor fails to submit their bills to concerned executing department, penalty or action as shown below will be taken for each delayed bill:-

After 15 days from the date of completion/running bill up to certain date, up to next 15 days i.e. up to 30 days	Equal to 5% of bill amount
Next 15 days up to 45 days from the date of completion/running bill up to specified date	Equal to 10% of bill amount
If not submitted within 45 days from the date of completion/ R.A. bill	Bill will not be admitted for payment.

45. Operating and Maintenance Manuals

45.1. If "as built" Drawings and/or operating and maintenance manuals are required, the Contractor shall supply them by the dates stated in the Contract Data.

45.2. If the Contractor does not supply the Drawings and/or manuals by the dates stated in the Contract Data, or they do not receive the Engineer's approval, the Engineer shall withhold the amount stated in the Contract Data from payments due to the Contractor.

46. Termination

46.1. The Employer or the Contractor may terminate the Contract if the other party causes a fundamental breach of the Contract.

46.2. Fundamental breaches of Contract shall include, but shall not be limited to, the following:

- b) the Contractor is declared as bankrupt or goes into liquidation other than for approved reconstruction or amalgamation;
- c) the Engineer gives Notice that failure to correct a particular Defect is a fundamental breach of Contract and the Contractor fails to correct it within a reasonable period of time determined by the Engineer;
- d) the Contractor does not maintain a Security, which is required;
- e) the Contractor has delayed the completion of the Works by the number of days for which the maximum amount of liquidated damages can be paid, as defined in relevant clause.
- f) the Contractor fails to provide insurance cover as required under relevant clause .
- g) if the Contractor, in the judgment of the Employer, has engaged in the corrupt or fraudulent practices as defined in GCC in competing for or in executing the Contract.
- h) if the Contractor fails to set up a field laboratory with the prescribed equipment, within the period specified in the Contract Data; and
- i) any other fundamental breaches as specified in the Contract Data.
- j) if the Contractor fails to deploy machinery and equipment or personnel as specified in the Contract Data at the appropriate time.

46.3. When either party to the contract gives notice of a breach of contract to the Engineer for a cause other than those listed above, the Engineer shall decide whether the breach is fundamental or not.

46.4. Notwithstanding the above, the Employer may terminate the Contract for convenience.

46.5. If the Contract is terminated, the Contractor shall stop work immediately, make the Site safe and secure, and leave the Site as soon as reasonably possible.

47. Payment upon Termination

47.1. If the Contract is terminated because of a fundamental breach of Contract by the Contractor, the Engineer shall issue a certificate for value of the work done and materials ordered less liquidated damages, if any, less advance payments received up to the date of the issue of the certificate and less the percentage to apply to the value of the work not completed, as indicated in the Contract Data. If the total amount due

to the Employer exceeds any payment due to the Contractor, the difference shall be recovered from the security deposit, and performance security. If any amount is still left un-recovered it will be a debt due from the Contractor to the Employer

47.2. If the Contract is terminated at the Employer's convenience, the Engineer shall issue a certificate for the value of the work done, the reasonable cost of removal of Equipment, repatriation of the Contractor's personnel employed solely on the Works, and the Contractor's costs of protecting and securing the Works and less advance payments received up to the date of the certificate, less other recoveries due in terms of the Contract, and less taxes due to be deducted at source as per applicable law.

48. Property

48.1. All Materials on the Site, Plant, Equipment, Temporary Works, and Works shall be deemed to be the property of the Employer for use for completing balance construction work if the Contract is terminated because of the Contractor's default, till the Works is completed after which it will be transferred to the Contractor and credit, if any, given for its use.

49. Release from Performance

If the Contract is frustrated by the outbreak of war or by any other event entirely outside the control of the Employer or the Contractor, the Engineer shall certify that the Contract has been frustrated. The Contractor shall make the Site safe and stop work as quickly as possible after receiving this certificate and shall be paid for all work carried out before receiving it and for any work carried out afterwards to which a commitment was made.

A) Other Conditions of Contract

50. Labour

50.1. The Contractor shall, unless otherwise provided in the Contract, make his own arrangements for the engagement of all staff and labour, local or other, and for their payment, housing, feeding and transport.

50.2. The Contractor shall, if required by the Engineer, deliver to the Engineer a return in detail, in such form and at such intervals as the Engineer may prescribe, showing the

staff and the number of the several classes of labour from time to time employed by the Contractor on the Site and such other information as the Engineer may require.

51. Compliance with Labour Regulations

- a) During continuance of the Contract, the Contractor and his sub-Contractors shall abide at all times by all existing labour enactments and rules made there under, regulations, notifications and bye laws of the State or Central Government or local authority and any other labour law (including rules), regulations, bye laws that may be passed or notification that may be issued under any labour law in future either by the State or the Central Government or the local authority.
- b) Furthermore, the Contractor shall keep the Employer indemnified in case any action is taken against the Employer by the competent authority on account of contravention of any of the provisions of any Act or rules made there under, regulations or notifications including amendments. If the Employer is caused to pay or reimburse, such amounts as may be necessary to cause or observe, or for non-observance of the provisions stipulated in the notifications/bye laws/Acts/Rules/regulations including amendments, if any, on the part of the Contractor, the Engineer/Employer shall have the right to deduct any money due to the Contractor including his amount of performance guarantee. The Employer/Engineer shall also have right to recover from the Contractor any sum required or estimated to be required for making good the loss or damage suffered by the Employer.
- c) The Contractor shall require his employees to obey all applicable laws, including those concerning safety at work.
- d) The employees of the Contractor and the Sub-Contractor in no case shall be treated as the employees of the Employer at any point of time.

79. Price Variation Clause (Not Applicable)

The Contractor shall be reimbursed or shall refund to the Corporation as he case may be the variation in the value of the work carried out from time to time, depending on whether the prices of material and labour as a whole rise or fall, and the method adopted for such computations shall be as given below, it being clearly understood that the contractor shall have no claim for being reimbursed on the ground that the price of a particular material or group of materials have risen beyond the limits of the presumptions made in the following paras, however, no price variations shall be made applicable for contracts up to 12 months:

- A) Controlled materials: Price variations shall be permitted in respect of these materials the price level of which is controlled by the Government or its agency. The rate ruling on the date of submission of the tender shall be considered as the basic price of such material for adjustment. Any variation in this rate shall be considered for reimbursement to the contractor or refund to be claimed from the contractor as the case may be. The contractor shall, for the purpose of adjustment submit in original the relevant documents from the suppliers.
- B) Labour and other materials: For the purpose of this contract and for allowing reimbursement of refund on account of variation of prices of (i) labour, and (ii) materials other than materials mentioned in A above, computation will be based on the formula enunciated below which is based on the presumptions that :
 - i) The general price level of labour, rises or falls in proportion to the rise or fall of consumer price index number 9 (general) for working class in Mumbai.
 - ii) The general price level of materials rises or falls in proportion to rise or fall of whole-sale price index as published by 'Economic Adviser to Govt. of India'.
 - iii) And that the component of labour is to the extent of 30 percent of 88 percent and the component of materials is to the extent of 70 percent of 88 percent of the value of the work carried out. The remaining 12 percent being the presumptive profit of the contractor.

a) Formula for Labour component:

$$V_L = \frac{(0.88 R) \times 30}{100} \times \frac{(I - I_0)}{I_0}$$

b) Formula for Material component :

$$V_M = \frac{(0.88 R \times 70 - C)}{100} \times \frac{(W - W_0)}{W_0}$$

Where -

V_L = Amount of price variation to be reimbursed or claimed as refund on account of general rise or fall of index referred to above.

I = Consumer Price Index number of working class for Mumbai declared by the Commissioner of Labour and Director of Employment, Mumbai) applicable to the period under reference (base year ending 2004-05 as 100 i.e. new series of indices).

I_0 = Consumer price index number for working class for Mumbai (declared by the Commissioner of labour and Director of Employment, Mumbai) prevailing, on the day of 28 days prior to the date of submission of the tender.

V_M = The amount of price variation to be reimbursed or claimed as refund on account of general rise or fall of wholesale price index for period under reference.

W = Average wholesale price index as published by Economic Adviser to Govt. of India applicable to the period under reference.

W_0 = Wholesale price index as stated above prevailing on the day of 28 days prior to the date of submission of the tender.

R = Total value of the work done during the period under reference as recorded in the Measurement Book excluding water charges and sewerage charges but including cost of excess in respect of item upto 50 percent

C = Total value of Controlled materials used for the works as recorded in Measurement Book and paid for at original basic rate plus the value of materials used .

- i) The quantity of the Controlled material adopted in working out the value of 'C' shall be inclusive of permitted wastages as / if mentioned in specifications.
- ii) The basic rate for the supply of controlled material shall be inclusive of all the components of cost of materials excluding transport charges incurred for bringing the material from place of delivery to the site.

Computations based on the above formula will be made for the period of each bill separately and reimbursement will be made to (when the result is plus) and refund will claimed from (when the result is minus) the contractor's next bill. The above formulae will be replaced by the formulae in Annexure-I as and when mentioned in special conditions of contract.

The operative period of the contract for application of price variation shall mean the period commencing from the date of commencement of work mentioned in the work order and ending on the date when time allowed for the work order and ending on the date when time allowed for the work specified in the contract for work expires, taking into consideration, the extension of time, if any, for completion of the work granted by Engineer under the relevant clause of the conditions of contract in cases other than those where such extension is necessitated on account of default of the contractor.

The decision of the Engineer as regards the operative period of the contract shall be final and binding on the contractors.

- iii) Where there is no supply of controlled items to contractor the component 'C' shall be taken as zero.
- C) Adjustment after completion: If the Contractor fails to complete the works within the time for completion adjustment of prices thereafter until the date of completion of the works shall be made using either the indices or prices relating to the prescribed time for completion, or the current indices or prices whichever is more favourable to the employer, provided that if an extension of time is granted, the above provision shall apply only to adjustments made after the expiry of such extension of time.

- D) Price variation will be calculated similarly and separately for extra items and / or excess quantities and provisional sums calculated under Sub Clause 10 (b)A i)&(ii) and Sub Clause 10 (b) B(ii) based on the above formula/formulae in Annexure-I as and when mentioned in Special conditions of contract; IO and WO being the indices applicable to the date on which the rates under Sub Clause 10 (a)A (i)&(ii) and Sub Clause 10 (a) B(iii) are fixed. No price variation shall be admissible for FAIR items created during execution.

80. Maximum Price Variation shall be as follows:

Time Period of Project	Maximum limit of Price Variation
Up to 12 months	No variation allowed
Above 12 months to 24 months	5%
Above 24 months	10%

Note:

- 1) The extension in time period for the projects originally estimated including monsoon results in change of price variation slabs as mentioned above i.e. from first slab to second slab or from second slab to third slab, then the maximum limit of original slab will prevail.
- 2) Operative period shall mean original or extended time period of contract.

For example:

Extension of Time period	Maximum Price Variation
If original period of 11 months including monsoon extends to 16. The operative period will be 11+5 months.	No variation allowed
If original period of 11 months excluding monsoon extends to 16. The operative period will be 11+5 months.	Maximum 5% variation allowed

Price Variation during Extended Period of Contract:

- (i) Extension Due To Modification & Extension for delay due to Brihanmumbai Municipal Corporation:**

The price variation for the period of extension granted shall be limited to the amount payable as per the Indices. In case the indices increases or decreases, above/below the indices applicable, to the last month of the original or extended period vide clause 8 (I) (a) (i) and (ii) of standard GCC.

(ii) Extension of Time For Delay Due To Contractor :

- (a) The price variation for the period of extension granted shall be limited to the amount payable as per the Indices in case the indices increase, above the indices applicable, to the last month of the original completion period or the extended period vide above clause 8(I)(a)(i) and (ii) of standard GCC.
- (b) The price variation shall be limited to the amount payable as per the indices, in case the indices decrease or fall below the indices applicable, to the last month of original / extended period of completion period vide above clause 8(I)(b) of standard GCC, then lower indices shall be adopted.

(iii) Extension of Time For Delay due to reasons not attributable to Brihanmumbai Municipal Corporation and Contractor (Reference Cl.8(d) of Standard GCC):

The price variation for the period of extension granted shall be limited to the amount payable as per the Indices in case the indices increases or decreases, above/below the indices applicable, to the last month of the original period.

81. Payment:

Interim Payment:

- i) Interim bills shall be submitted by the Contractor from time to time (but at an interval of not less than one month) for the works executed. The Engineer shall arrange to have the bills verified by taking or causing to be taken, where necessary, the requisite measurement of work.
- ii) Payment on account for amount admissible shall be made on the Engineer certifying the sum to which the Contractor is considered entitled by way of interim payment for all the work executed, after deducting there from the amount already paid, the security deposit / retention money and such other amounts as may be deductible or recoverable in terms of the contract.

- iii) On request, the contractor will be paid upto 75 percent of the value of the work carried out as an adhoc payment in the first week of next month after deducting there from recoveries on account of advances, interest, retention money, income tax etc. The balance payment due will be paid thereafter. (Not Applicable)

- p) All the members of the JV shall certify that they have not been blacklisted or debarred by BMC from participation in tenders/contract in the past either in their individual capacity or the JV firm or partnership firm in which they were members/ partners.
- q) **Credentials & Qualifying criteria:** Technical and financial eligibility of the JV firm shall be adjusted based on satisfactory fulfillment of the following criteria:

Technical eligibility criteria: The Technical Eligibility Criteria as stipulated in the tender document shall be met either by any one member or by both members of Joint Venture Collectively. However, the lead member of the JV firm shall meet at least 35% requirement of Technical Capacity as stipulated in the tender.

Financial eligibility criteria: The average annual contractual payments received by the JV firm or the arithmetic sum of average annual contractual payments received by all the members of JV firm, in proportion to their share in JV, in last three financial years shall be at least 30 % of the estimated value of the work as mentioned in the tender.

84. Compensation for delay:

If the Contractor fails to complete the works and clear the site on or before the Contract or extended date(s) / period(s) of completion, he shall, without prejudice to any other right or remedy of Municipal Corporation on account of such breach, pay as agreed compensation, amount calculated as stipulated below (or such smaller amount as may be fixed by the Engineer) on the contract value of the whole work or on the contract value of the time or group of items of work for which separate period of completion are given in the contract and of which completion is delayed for every week that the whole of the work of item or group of items of work concerned remains uncompleted, even though the contract as a whole be completed by the contract or the extended date of completion. For this purpose the term 'Contract Value' shall be the value of the work at Contract Rates as ordered including the value of all deviations ordered:

- Completion period for projects (originally stipulated or as extended) not exceeding 6 months : **to the extent of maximum 1 percent per week.**
- Completion period for projects (originally stipulated or as extended) exceeding 6 months and not exceeding 2 years: **to the extent of maximum ½ percent per week.**
- Completion period for projects (originally stipulated or as extended) exceeding 2 years : **to the extent of maximum ¼ percent per week.**

When the delay is not a full week or in multiple of a week but involves a fraction of a week the compensation payable for that fraction shall be proportional to the number of days involved.

Provided always that the total amount of compensation for delay to be paid this condition shall not exceed the undernoted percentage of the Contract Value of the item or group of items of work for which a separate period of completion is given.

- i) Completion period (as originally stipulated or as extended) not exceeding 6 months: **10 percent.**
- ii) Completion period (as originally stipulated or as extended) exceeding 6 months and not exceeding 2 years: **7½ percent.**
- iii) Completion period (as originally stipulated or as extended) exceeding 2 years: **5 percent.**

The amount of compensation may be adjusted set off against any sum payable to the contractor under this or any other contract with the Municipal Corporation.

85. Action And Compensation Payable In Case Of Bad Work And Not Done As Per Specifications

All works under or in course of execution or executed in pursuance of the contract, shall at all times be open and accessible to the inspection and supervision of the Engineer-in-charge, his authorized subordinates in charge of the work and all the superior officers, officer of the Vigilance Department of the Brihanmumbai Municipal Corporation or any organization engaged by the Brihanmumbai Municipal Corporation for Quality Assurance and the contractor shall, at all times, during the usual working hours and at all other times at which reasonable notice of the visit of such officers has been given to the contractor, either himself be present to receive orders and instructions or have a responsible agent duly accredited in writing, present for that purpose. Orders given to the Contractor's agent shall be considered to have the same force as if they had been given to the contractor himself.

If it shall appear to the Engineer-in-charge or his authorized subordinates in-charge of the work or to the officer of Vigilance Department, that any work has been executed with unsound, imperfect or unskilful workmanship or with materials of any inferior description, or that any materials or articles provided by him for the execution of the work are unsound or of a quality inferior to that contracted for or otherwise not in accordance with the contract, the contractor shall, on demand in writing which shall be made within twelve months of the

completion of the work from the Engineer-in-Charge specifying the work, materials or articles complained of notwithstanding that the same may have been passed, certified and paid for forthwith rectify, or remove and reconstruct the work so specified in whole or in part, as the case may require or as the case may be, remove the materials or articles so specified and provide other proper and suitable materials or articles at his own charge and cost. In the event of the failing to do so within a period specified by the Engineer-in-Charge in his demand aforesaid, then the contractor shall be liable to pay compensation at the same rate as under clause 8.e. of the general condition of contract in section 9 of tender document (for Compensation for delay) for this default. In such case the Engineer-in Charge may not accept the item of work at the rates applicable under the contract but may accept such items at reduced rates as the Engineer in charge may consider reasonable during the preparation of on account bills or final bill if the item is so acceptable without detriment to the safety and utility of the item and the structure or he may reject the work outright without any payment and/or get it and other connected and incidental items rectified, or removed and re-executed at the risk and cost of the contractor. Decision of the Engineer-in-Charge to be conveyed in writing in respect of the same will be final and binding on the contractor.

If the penalisation amount exceeds maximum limit with respect to Clause 8.e of Standard General Conditions of Contract, then a show cause notice shall necessarily be issued to the contract as to why the contract should not be terminated.

86. Contractors remain liable to pay compensation:

In any case in which any of the powers conferred upon the Engineer In-charge by the **relevant clauses** in documents that form a part of contract as exercised or is exercisable in the event of any future case of default by the Contractor, he is declared liable to pay compensation amounting to the whole of his security deposit. The liability of the Contractor for past and future compensation shall remain unaffected.

In the event of the Executive Engineer taking action against these relevant clauses, he may, if he so desires, take possession of all or any tools and plant, materials and stores in or upon the work of site thereof or belonging to the Contractor or procured by him and intended to be used for the execution of the work or any part thereof paying or allowing for the same in account at the contract rates, or in the case of

contract rates not being applicable at current market rates to be certified by the Executive Engineer, may after giving notice in writing to the Contractor or his staff of the work or other authorized agent require him to remove such tools and plants, materials or stores from the premises within a time to be specified in such notice and in the event of the Contractor failing to comply with any such requisition, the Executive Engineer may remove them at the contractors expense or sell them by auction or private sale on account of the Contractor at his risk in all respects and certificate of the Executive Engineer as to the expense of any such removal and the amount of the proceeds and expense of any such sale be final and conclusive against the Contractor.

87. No Claim To Any Payment Or Compensation Or Alteration In Or Restriction Of Work

- (a) if at any time after the execution of contract documents, the Engineer shall for any reason whatsoever, desires that the whole or any part of the works specified in the Tender should be suspended for any period or that the whole or part of the work should not be carried out, at all, he shall give to the Contractor a Notice in writing of such desire and upon the receipt of such notice, the Contractor shall forthwith suspend or stop the work wholly or in part as required after having due regard to the appropriate stage at which the work should be stopped or suspended so as not to cause any damage or injury to the work already done or endanger the safety thereof, provided that the decision of the Engineer as to the stage at which the work or any part of it could be or could have been safely stopped or suspended shall be final and conclusive against the contractor. The Contractor shall have no claim to any payment or compensation whatsoever by reason of or in pursuance of any notice as aforesaid, on account of any suspension, stoppage or curtailment except to the extent specified hereinafter.
- (b) Where the total suspension of Work Order as aforesaid continued for a continuous period exceeding 90 days the contractor shall be at liberty to withdraw from the contractual obligations under the contract so far as it pertains to the unexecuted part of the work by giving 10 days prior notice in writing to the Engineer within 30 days of the expiry of the said period of 90 days, of such intention and requiring the Engineering to record the final measurement of the work already done and to pay final bill. Upon giving such Notice, the Contractor shall be deemed to have been discharged from his obligations to complete the

remaining unexecuted work under his contract. On receipt of such notice the Engineer shall proceed to complete the measurement and make such payment as may be finally due to the contractor within a period of 90 days from the receipt of such Notice in respect of the work already done by the contractor. Such payment shall not in any manner prejudice the right of the contractor to any further compensation under the remaining provisions of this clause.

- (c) Where the Engineer required to Contractor to suspend the work for a period in excess of 30 days at any time or 60 days in the aggregate, the Contractor shall be entitled to apply to the Engineer within 30 days of the resumption of the work after such suspension for payment of compensation to the extent of pecuniary loss suffered by him in respect of working machinery remained ideal on the site of on the account of his having an to pay the salary of wages and labour engaged by him during the said period of suspension provided always that the contractor shall not be entitled to any claim in respect of any such working machinery, salary or wages for the first 30 days whether consecutive or in the aggregate or such suspension or in respect of any such suspension whatsoever occasion by unsatisfactory work or any other default on his part, the decision of the Engineer in this regard shall be final and conclusive against the contractor.

88. Contractor to supply plant, ladder, scaffolding, etc and is liable for damages arising from non-provision of lights, fencing, etc.

The Contractor shall supply at his own cost all material, plant, tools, appliances, implements, ladders, cordage, tackle scaffolding and temporary works requisite or proper for the proper execution of the work, whether, in the original altered or substituted form and whether included in the specification of other documents forming part of the contract or referred to in these conditions or not and which may be necessary for the purpose of satisfying or complying with the requirements of the Eng-In-Charge as to any matter as to which under these conditions is entitled to be satisfied, or which is entitled to require together with the carriage therefore to and from the work.

The Contractor shall also supply without charge, the requisite number of person with the means and materials necessary for the purpose of setting out works and counting, weighing and assisting in the measurements of examination at any time and from time to time of the work or materials, failing which the same may be provided by the Engineer

In-charge at the expense of the contractor and the expenses may be deducted from any money due to the contractor under the contract or from his security deposit or the proceeds of sale thereof, or offers sufficient portion thereof.

The contractor shall provide all necessary fencing and lights required to protect the public from accident and shall also be bound to bear the expenses of defence of every suit, action or other legal proceedings, that may be brought by any person for injury sustained owing to neglect of the above precautions and to pay any damages and cost which may be awarded in any such suit action or proceedings to any such person or which may with the consent of the contractor be paid for compromising any claim by any such person.

89. Prevention of Fire :

The contractor shall not set fire to any standing jungle, trees, brushwood or grass without a written permit from the Engineer In-charge. When such permit is given, and also in all cases when destroying cut or dug up trees brushwood, grass, etc., by fire, the contractor shall take necessary measure to prevent such fire spreading to or otherwise damaging surrounding property. The Contractor shall make his own arrangements for drinking water for the labour employed by him.

- 90.** Compensation for all damages done intentionally or unintentionally by contractor's labour whether in or beyond the limits of Brihanmumbai Municipal Corporation property including any damage caused by spreading the fire shall be estimated by the Engineer In-charge or such other officer as he may appoint and the estimate of the Engineer in-charge to the decision of the Dy. Chief Engineer on appeal shall be final and the contractor shall be bound to pay the amount of the assessed compensation on demand failing which the same will be recovered from the Contractor as damages or deducted by the Engineer In-charge from any sums that may be due or become due from Brihanmumbai Municipal Corporation to contractor under this Contract or otherwise. Contractor shall bear the expenses of defending any action or other legal proceedings that may be brought to prevent the spread of fire and he shall pay any damages and costs that may be awarded by the Court in consequence.

91. In the case of Tender by partners, any change in the constitution of the firm shall be forthwith, notified by the contractor through the Engineer In-charge for his information.

92. Action where no specifications :

In the case of any class of work for which there is no such specifications, such works shall be carried out in accordance with the specifications and in the event of there being no such specifications, then in such case, the work shall be carried out in all respects in accordance with all instructions and requirements of the Engineer In-charge.

93. Safety and medical help :

- (i) The Contractor shall be responsible for and shall pay the expenses of providing medical help to any workmen who may suffer a bodily injury as a result of an accident. If such expenses are incurred by Brihanmumbai Municipal Corporation, the same shall be recoverable from the contractor forthwith and be included without prejudice to any other remedy of Brihanmumbai Municipal Corporation from any amount due or that may become due to the Contractor.
- (ii) The contractor shall provide necessary personal safety equipment and first-aid box for the use of persons employed on the site and shall maintain the same in condition suitable for immediate use at any time.
- (iii) The workers shall be required to use the safety equipments so provided by the contractor and the contractor shall take adequate steps to ensure the proper use of equipments by those concerned.
- (iv) When the work is carried on in proximity to any place where there is risk or drawing all necessary equipments shall be provided and kept ready for use and all necessary steps shall be taken for the prompt rescue of any person in danger.

94. No compensation shall be allowed for any delay caused in the starting of the work on account of acquisition of land or in the case of clearance of works, on account of any delay in according to sanction of estimates.

95. Anti-malaria and other health measures:

Anti-Malaria and other health measures shall be taken as directed by the Executive Health Officer of Brihanmumbai Municipal Corporation. Contractor shall see that mosquitogenic

conditions are created so as to keep vector population to minimum level. Contractor shall carry out anti-malaria measures in the area as per the guidelines issued by the Executive Health Officer of Brihanmumbai Municipal Corporation from time to time. In case of default, in carrying out prescribed anti-malaria measures resulting in increase in malaria incidence, contractor shall be liable to pay Brihanmumbai Municipal Corporation on anti-malaria measures to control the situation in addition to fine.

96. Internal Grievance Redressal Mechanism:

BMC has formed internal grievance redressal Mechanism for redressal of bidders' grievances. Any bidder aggrieved by any decision, action or omission of the procuring entity being contrary to the provisions of the tender or any rules or guidelines issued therein, in Packet A,B&C can make an application for reviewed of decision of responsiveness in Packet A,B & C within the period of 7 days.

While making such an application, to procuring entity for review, aggrieved bidders or prospective bidders shall clearly specify the ground or grounds in respect of which he feels aggrieved.

Provided that after declaration of a bidder as successful in Packet A (General Requirements), an application for review may be filed by a bidder who has participated in procurement proceedings and after declaration of successful bidder in Packet 'B' (Technical Bid), an application for review may be filed only by successful bidders of Packet 'A'. Provided further that, an application for review of the financial bid can be submitted, by the bidder whose technical bid is found to be acceptable / responsive.

Upon receipt of such application for review, B.M.C. may decide whether the bid process is required to be suspended pending disposal of such review. The B.M.C. after examining the application and the documents available to him, give such reliefs, as may be considered appropriate and communicate its decision to the applicant and if required to other bidders or prospective bidders, as the case may be.

B.M.C. shall deal and dispose off such application as expeditiously as possible and in any case within 10 days from the date of receipt of such application or such other period as

may be specified in pre-qualification document, bidder registration document or bid documents, as the case may be.

Where B.M.C. fails to dispose off the application within the specified period or if the bidder or prospective bidder feels aggrieved by the decision of the procuring entity, such bidder or prospective bidder may file an application for redressal before the Internal Procurement Redressal Committee within 7 days of the expiry of the allowed time or of the date of receipt of the decision, as the case may be. Every such application for internal redressal before Redressal Committee shall be accompanied by fee of Rs. 25,000/- and fee shall be paid in the form of D.D. in favour of B.M.C.

1st appeal by the bidder against the decision of C.E./HOD/ Dean can be made to concerned D.M.C./Director who should decide appeal in 7 days.

If not satisfied, 2nd Appeal by the bidder can be made to concerned A.M.C. for decision.

Grievance Redressal Committee (GRC) is headed by concerned D.M.C./Director of particular department for the first appeal / grievances by the bidder against the decision for responsiveness / non-responsiveness in Packet 'A', Packet 'B' or Packet 'C' and if not satisfied, concerned A.M.C. will take decision as per second appeal made by the bidder.

This Grievance Redressal Committee (GRC) will be operated through DMC(CPD) office where appeals of aggrieved bidder will be received with fee of Rs. 25,000/- from aggrieved bidder. The necessary correspondence in respect of said applications to the aggrieved bidder & concerned department, issuing notices, arranging of Grievance Redressal Committee (GRC) with D.M.C. and further proceeding will be carried out through registrar appointed by BMC.

No application shall be maintainable before the redressal Committee in regard of any decision of the BMC. relating to following issues:

Determination of need of procurement.

The decision of whether or not to enter into negotiations.

Cancellation of a procurement process for certain reasons.

On receipt of recommendation of the Committee, It will be communicated his decision thereon to the applicant within 10 days or such further time not exceeding 20 days, as may be

considered necessary from the date of receipt of the recommendation and in case of non-acceptance of any recommendation, the reason of such non-acceptance shall also be mentioned in such communication.

Additional Municipal Commissioner and / or Grievance Redressal Committee, if found, come to the conclusion that any such complaint or review is of vexatious, frivolous or malicious nature and submitted with the intention of delaying or defeating any procurement or causing loss to the procuring entity or any other bidder, then such complainant shall be punished with fine, which may extend to 5 lac rupees or 2% of the value of the procurement, whichever is higher.

SECTION 10
TECHNICAL SPECIFICATIONS

BRIHANMUMBAI MUNICIPAL CORPORATION

Technical Specifications

**Sub.: - Design, Supply, Installation, Testing and Commissioning of the Penstock Gates (2 Nos.)
with Actuators on New Screen Chamber at Old Ghatkopar Pumping Station.**

Preamble:-

The work of construction of a new screen chamber for connecting the 1800 mm and 1200 mm diameter laid sewage lines to the Old Ghatkopar Pumping Station is completed in the year 2025 which is to be commissioned shortly. The requirement of Design and Supply, Installation, Testing and Commissioning (SITC) of two penstock gates at inlet and outlet point of the screen chamber are utmost necessary for isolation and maintenance of the screen chamber in future. The connecting 2400mm diameter sewer line which is connected to the new screen chamber does not have any provision for penstock gates at either the inlet or the outlet on the faces of screen chamber required for isolation purpose. Therefore, it is necessary to provide and install these gates to ensure safe and effective operation and maintenance of the system.

The wet weather flow at Old Ghatkopar Pumping Station is approx. 345 MLD and average dry weather flow is 240 MLD approx. The penstock gate shall be provided with actuator for electrically operation of gate with manual override. The penstock gates are to be installed approx.15 to 20 mtrs. below the ground level.

Technical Details of Penstock Gate & Electrical Actuator with Gear Box are given below:

A) Penstock Gate :- (2 Nos.)

Gate Type :- Cast Iron Penstock Gate

Approved Make:- JASH / Ham Baker / Orbinox / VAG

Location:- Incoming and Outgoing of 2400 mm dia. sewer line to screen chamber

Depth:- Approx. 15 Mtrs. (from Ground Level)

Size:- 3000mm X 3000mm (Rectangular) with rising spindle

Gate Model :- As per Manufacturer

B) Actuator with Gear Box :- (2 Nos.)

Approved Make:- Rotork / Auma / Limitorque / L. Bernard

Type:- Electrical + Manual Override

Motor:- Squirrel Cage Induction motor suitable for 415V, 50Hz, 3 phase AC Power Supply, Class - F insulated Enclosed to IP67 after mounting on the actuator.

This section is planning to carry out Work of Design and SITC of the Penstock Gates (2 Nos.) with Actuators on new Screen Chamber at Old Ghatkopar Pumping Station.

Scope of work:-

The scope of work comprises of following:-

1. Design of Cast Iron Penstock Gates of approximate size 3000mm X 3000mm (2 Nos.) for mounting on the new screen chamber walls. The Penstock Gates shall be of direct face wall-mounted type without wall thimbles. The bidder shall submit the design along with the General Arrangement (GA) drawings at the time of submission.
2. Supply, Installation, Testing and Commissioning of Penstock Gates (2 Nos.) of size 3000mm X 3000mm along with Electrical Actuators at both incoming and outgoing side of new Screen Chamber.
3. The civil design and supporting structures for the Penstock Gates shall be approved and vetted from the RCC Structural Engineer. The work shall be executed only after obtaining such approval.
4. To carryout various mechanical works at drop shaft as per specifications.
5. To carry out the completion, approval and certification of the trial run and successful commissioning of the Penstock Gates and Actuators at site, operate them for one month as per the technical specifications, terms, and conditions and submit the As-Built Drawings and Operation Manuals after successful commissioning of Penstock Gates and Electrical Actuators along with all allied works.

Technical Specifications:-

1. Necessary Submittals and Approvals prior to starting the work

The successful tender shall visit the site for consideration of available space, depth of drop shaft, working conditions, flow and other relevant parameters prior to submission of bid.

The exiting Drawings and details of equipment are available at site for reference of the bidders.

2. Taking necessary Isolation

The successful tender shall take the isolation to carry out the work of “Design and SITC of the Penstock Gates (2 Nos.) with Actuators on new Screen Chamber at Old Ghatkopar Pumping Station” in coordination with Pumping and Main sewer staff of BMC.

3. Dewatering Arrangement

- a) After taking isolation for the SITC work of the 3000mm × 3000mm Penstock Gates at the Old Ghatkopar Pumping Station, the successful bidder shall arrange for dewatering arrangement with suitable & adequate capacity pumps with the required hose pipes and DG power supply arrangement to provide temporary relief to low-lying areas. The number of flooding locations will be provided by BMC as per requirements, and all such arrangements shall be done the successful contractor at no extra cost to BMC.
- b) The successful bidder shall note that there should not be flooding at any location in connected sewer network during the work. Isolation shall be in the scope of bidder to carry out the said work.
- c) All installation activities, including excavation, PCC levelling, isolation, plugging of sewer lines, diversion of flow and other related works shall be in the scope of the bidder, if any.

The successful tenderer shall submit the following documents for approval of BMC prior starting the work -

- i) General arrangement drawing of entire drop shaft,
- ii) General arrangement drawings of 3000mm X 3000mm Penstock Gates, Actuators and allied works

- iii) All the Mechanical and civil structure drawings regarding the 3000mm × 3000mm Penstock Gates and equipment's,
- iv) Schematic diagram of the panels. Cable schedule and layout,
- v) The successful tenderer shall submit the datasheets and QAP.
- vi) The tenderer shall submit flow designing from approved structural consultant.
- vii) The tenderer shall submit the safety plan to be implemented during execution of work as per actual site conditions
- viii) The tenderer shall submit flow diversion plan to be implemented during execution of work in coordination with BMC staff.
- ix) Bill of Material along with the model and make, details, catalogues. The Makes are specified in the table.

Only after approval from concerned BMC Engineers / Officials for above mentioned submittals, the successful tenderer shall proceed for carrying out the work as per technical specifications as follows:

4. To carry out SITC of 3000mm X 3000mm Penstock Gates (2 Nos.) at Old Ghatkopar Pumping Station along with new Electrical Actuators as per specifications

A. The successful tenderer shall carry out work of SITC of 02 Nos. of Cast Iron direct face wall mounted Penstock Gates type without wall thimble. The Drawings, Datasheets and Specifications are intended to set the acceptable minimum standard. Ensure that the installed equipment shall be trouble-free and meets performance requirements.

B. Codes and Standards:

The following applicable standards established by the Bureau of Indian Standards shall be used to govern the material and workmanship for the work under this section.

1.	AWWA C560	Standard for Cast-Iron Slide Gates
2.	BS 7775	Specification for Penstocks
3.	IS 9338	Cast Iron Flush-Bottom Sluice Gates
4.	IS 13349	Cast Iron – Single Faced Thimble Mounted Sluice Gates

Use the latest issue of Standards.

C. Materials of Construction:

Sr. No.	Gate Parts	Material of Construction
1	Gate frame, Door/Shutter	Cast Iron IS: 210 Gr. FG 260
2	Wedge block	Cast Iron IS: 210 Gr. FG 260
3	Seat facings and screws	Stainless Steel ASTM A240 type 316
4	Wedges/wedge lining	Stainless Steel ASTM A240 type 316
5	Stem Block/Thrust Nut	Stainless Steel ASTM A276 type 316
6	Spindle / Lifting rod / stem	Stainless Steel ASTM A276 type 316
7	Coupling and stop nut	Stainless Steel ASTM A276 type 316
8	Stem guides	Cast Iron IS: 210 Gr. FG 260
9	Stem guides Brackets	Cast Iron IS: 210 Gr. FG 260 / Structural Steel
10	Gate assembly bolts & nuts	Stainless Steel ASTM A276 type 316
11	Headstock Pillar assembly bolts & nuts	Stainless Steel ASTM A276 type 316
12	Pipe hood / Stem Cover	Polycarbonate tube / Galvanized MS Pipe
13	Actuator Pillar	Cast Iron IS: 210 Gr. FG 200
14	Actuator + Gear Box Body	Cast Iron IS: 210 Gr. FG 200 / As per electric actuator / Gear Box make
15	Lifting Nut/drive nut	Brass / Bronze / as per electric actuator / Gear Box make
16	Painting	Black Coal Tar Epoxy Paint
17	Flush bottom Rubber Seal (if required)	EPDM Rubber ASTM D2000
18	Seal Retainer Bar (if required)	Cast Iron IS: 210 Gr. FG 260
19	Rubber Gasket	EPDM Rubber

D. The details of the components of Penstock Gates:

The design, supply, installation, testing and commissioning (SITC) of Cast Iron Penstock Gates of size 3000mm x 3000mm is a critical activity, particularly as the gates are required to be mounted directly on the chamber wall without the provision of wall thimbles. The bidder shall ensure that the design and execution strictly adhere to the relevant IS codes and guidelines. All components of the gates shall be manufactured using suitable materials of proven quality and shall be designed to withstand the site conditions to ensure durability, functionality, and leak-proof performance.

1) GATE FRAME:

- a) The gate frames are generally of two types – flat back type for seating head

applications and flange back type for seating as well as unseating head applications. Both types of frames are designed for ease of mounting on the flat face of the wall same shall be as per applicable IS Codes. In either case, the back face or flange shall be drilled to engage with mechanical type anchor fasteners fixed on the wall. Any uneven gap between the wall face and the back face/flange of the gate frame shall be properly sealed with grout during installation.

- b) For mounting of gate assembly on the wall, suitable quantity of mechanical type anchor fasteners as required to suit the applicable seating/unseating water head action on gate will be provided. The bidder to take proper precaution to fixing gate frame.
- c) The gate frame provided for round opening in the wall will be provided with square inner opening enveloping the round opening.
- d) A mild steel drilling template shall be provided for each size of gate for ease in drilling of holes in the civil wall for mechanical type anchor fasteners.
- e) The frame shall be so designed that it is possible to tighten or unscrew the nuts of mechanical type anchor fasteners from the front of frame using a box spanner. Hence, even if sufficient clearance of more than 200 mm at side of frame is not available, it shall be possible to mount the frame on wall and tighten the securing nuts on frame.
- f) The entire gate frame shall be of split construction and shall be provided with either integrally cast extension guides or bolted type extension guides. The gate guides shall be provided with grooves to guide the vertical travel of gate.
- g) The offered gate frame shall be non-self-contained type having short length extension guides and shall be without yoke at their top. The length of extension guides in such cases shall be sufficient to engage at least half the overall vertical height of door when the gate is full open.

2) GATE SLIDE / SHUTTER / DOOR:

- a) The gate slide / shutter / door shall be made from close grained grey Cast Iron and shall be of one piece construction with sufficient horizontal and vertical ribs to withstand the water head applicable on it.
- b) The shutter shall be provided with pads on the sides, top and bottom to mount the

wedges. The pads shall be machined and provided with a machined slot to guide the wedge in it.

- c) The gate slide / shutter shall be provided with integral pocket to house the thrust nut used to connect the stem with the slide.
- d) The horizontal clearance between the gate shutter and gate frame shall be maintained within 1.6 mm.

3) SEATING / SEALING FACES:

- a) Penstock gates shall be provided with sealing arrangements on all four sides i.e. on two vertical sides and on top and bottom side. The sealing arrangement comprises of matching non-corroding seat facings shall be fitted along the periphery of gate opening on frame as well as shutter.
- b) Seat facings shall be fitted on finished rectangular grooves of gate frame and shutter and shall be precisely finished for proper contact so that the clearance or gap, if any, between the mating seating faces, in gate closed position, does not exceed 0.1mm.

4) WEDGING DEVICES:

- a) Penstock gates shall be provided with adjustable wedging devices to ensure forced contact between frame and shutter seat facings, when the gate is in closed position.
- b) The gates meant for seating head shall be provided only with side wedging devices. Gates meant for seating/unseating head, provided with side, top and bottom wedging devices.
- c) The wedging devices comprise of wedge blocks shall be fitted on gate aperture frame and shutter /door. The wedge blocks on the frame shall be remain in a fixed position and those on door shall be adjustable. A sort of slot and tennon arrangement shall be provided on the base of wedge blocks to prevent any tendency to shift. Provision shall be made to clamp the adjustable wedge blocks firmly in adjusted position.
- d) The wedge blocks shall be made of Cast iron and shall be provided with wedges having contacting faces of non-ferrous metal/Stainless steel.

- e) Gates having conventional bottom closing arrangement shall be provided with side, top and bottom wedging devices and gates having flush bottom arrangement shall be provided with side and top wedging devices.

5) FLUSH BOTTOM CLOSING:

- a) Penstock gates shall be provided with flush bottom closing arrangement in cases where the invert of the gate is kept flush with the floor of the channel/ chamber.
- b) Flush bottom closing shall involve a flexible rubber seal mounted at the bottom invert of the gate frame with its face flush with the floor and bottom sealing shall be achieved by pressing the shutter end on to this seal.
- c) It shall be at the discretion of the bidder to decide whether a cut-out or recess at the bottom of the gate frame is required for embedding into the channel or chamber floor. In case such a cut-out or recess shall be considered necessary, the bidder shall design and provide the same with adequate dimensions beneath the waterway opening along the gate invert during construction of the floor. The bidder shall also specify suitable filling material, such as removable asphalt or loose concrete mixed with sand dust or vermiculite, to be placed after the gate installation. The filling material shall be of such nature that it can be removed in the future to enable dismantling of the gate assembly or replacement of the seals. The entire responsibility for the design, provision, execution, and maintainability of this arrangement shall rest solely with the bidder, and BMC shall not be held liable in this regard.
- d) The rubber seal employed shall be of EPDM rubber and the fasteners for fitting the rubber seal and the retainer bar are of cast iron. In case of flush bottom closing gates bottom wedges shall not be provided even for gates meant for unseating head.

6) ELECTRIC GATE OPERATING MECHANISM:

- a) The electrically operated gates shall comprise of electric actuator with manual override unit. The hand wheel of the manual override unit shall be at a convenient operating height of approximately 800 to 1500 mm.

- b) Electric operator meant for mounting on operating platform shall be supplied with a pedestal / floor pillar and suitable anchor fasteners/bolts to secure the pillar to the civil platform / fabricated structure.
- c) The actuators shall be either from any one of the actuator manufacturers i.e. Rotork / Auma / Limitorque / L. Bernard.
- d) Bidder shall provide civil platform or any fabricated structure / ISMC Channels to mount Gate operating unit to mount Gate operating unit.

7) LIFTING SPINDLE / STEM:

- a) Stem of suitable length shall be required for connecting the door / shutter mounted on gate assembly to the operating arrangement mounted on operating platform shall be provided.
- b) The slide gates shall be supplied with rising type lifting spindles / stems. In case of rising spindle gates, the threaded portion of spindle generally remain out of water and can be cleaned and greased periodically.
- c) The stem shall be provided with stub-acme (trapezoidal) threading, length of threaded portion being about 200 to 400 mm more than the height of waterway opening or as per the specified height of operating platform.
- d) The stem shall have single start threads or two start threads as required to enable operate the gates within the required operating time as specified in the tender specification as applicable.

8) STEM BLOCK / CONNECTING BLOCK / THRUST NUT:

- a) Stem Block shall be provided to connect the operating spindle / stem to the door / shutter.
- b) The rising type stem shall be connected to the door through a Stem Block / Thrust Nut housed in a ribbed pocket weld integral with the door or bolted to the door. The bottom end of stem shall be threaded into the stem block and shall be locked in place by a set screw to prevent the stem from unscrewing.

9) SAFETY STOP NUT:

- a) The rising stem gates shall be provided with a safety stop nut over the operating arrangement to prevent the chances of over closing of gate which may otherwise damage either the stem due to buckling or the lifting platform due to possible uprooting of headstock anchors.
- b) The stop nut shall be furnished with a set screw for setting it in a fixed position after the gate is installed. Upon installation the safety stop nut should be set in such a way that its bottom remains about 1 to 2 mm away from the top of headstock, in gate closed position.

10) STEM / SPINDLE COUPLINGS:

- a) For ease in transportation and handling, maximum length of one piece stem shall be restricted within 4.5 to 5.5 meter length. Hence, when the distance from centre line of gate opening to top of platform (CL-PL) is greater than 4 meters necessitating more than one piece of stem, threaded stem couplings are provided to interconnect different sections of the stem. The couplings shall have provision for pinning after inserting in the threaded end of the stem. For Higher Stem Dia. More than 100 mm, internal couplings provision shall be provided as per Manufacturer design or IS codes.

11) STEM GUIDE & STEM GUIDE BRACKETS:

- a) Longer stems shall be provided with sufficient number of stem guides to prevent buckling of stem. The quantity of stem guides shall be provided as per IS codes.
- b) The stem guides provided shall be adjustable in the slots provided on wall bracket in a direction perpendicular to the face of wall.

12) PIPE HOOD FOR STEM:

- a) Pipe hood shall be provided on the top of headstock in case of rising spindle / stem gates to cover the spindle threads for protection against damage, dirt, dust, water etc.
- b) Pipe hood shall be made of transparent fracture resistant polycarbonate material.

The pipe hood shall have vent holes to prevent condensation. Gates having heights 2 meters & above 2 meters shall be provided with pipe hood made of galvanized steel pipe.

E. Testing and Inspection:

a) MATERIALS TESTING:

For major components and castings, Tensile Test for C.I. casting material for determining the grade of castings. Tensile Test Certificates issued by an approved laboratory shall be submitted for review of the inspecting authority at the time of final inspection of penstock gates, at Manufacturer's Workshop.

For Stainless steel materials, a Tensile Test Certificate as well as Chemical Analysis Certificate of important elements of metal-one certificate for each lot purchased shall be furnished.

For Rubber material, Copy of test certificates verifying compliance with the standards shall be furnished at the time of final inspection at Manufacturer's Workshop.

For Non-ferrous material, Copy of test certificates verifying chemical composition for the important elements of the metal shall be furnished at the time of final inspection of gates at Manufacturer's Workshop.

b) DIMENSIONAL VERIFICATION:

Actual dimensions of the gates shall be verified with reference to the important dimensions given in the approved general arrangement drawings. Variations in dimensions, if any, shall be within the permissible limits as per the applicable Standards.

c) SEAT CLEARANCE CHECK:

Clearance, if any, between the mating sealing faces of the gate frame and shutter, in gate fully closed position shall be checked to ensure that the clearance or gap, if any, between the mating sealing faces in gate closed position, shall not allow 0.1 mm thick feeler gauge to pass through. This check shall be carried out for each

gate.

d) MOVEMENT TEST:

The gate shall be mounted horizontally / vertically along with its stern and headstock and shall be checked for correct length of stem as well as interference free movement. The gate shall be fully opened and closed once. This test shall be carried out for one gate selected at random out of a lot of similar size gates.

e) SHOP LEAKAGE TEST:

The gate shall be mounted on a test bench and a hydraulic pressure equal to the specified maximum unseating operating head above gate centre line shall be applied from the back i.e. unseating side of the gate, in closed position. Water leaked through the gate under above maximum unseating pressure shall be collected and its volume measured. The test shall not show leakage in excess of that specified in IS-13349-1992 standard.

Shop leakage tests shall be conducted prior to dispatch of gates to site to ensure fixing of responsibility in event of any problem pertaining to leakage observed while conducting final leakage test after installation of gate at site. Gates should not leak over the permissible requirement after installation at site.

In the event of excessive leakage at site, the responsibility for non-performance shall rest with the bidder, who shall be required to rectify the defect at no additional cost to BMC.

The bidder shall ensure that all materials and components are strictly in accordance with the approved GA drawings and the Quality Assurance Plan (QAP) prior to carrying out the shop leakage test at the Manufacturer's Workshop / premises.

The necessary Testing and Inspection shall be done as per the Quality Assurance Plan (QAP) at Manufacturer's Workplace in the presence of BMC Engineer.

F. Finishing and Painting

- a) Cast Iron components shall be blast cleaned to near white metal finish and after cleaning applied with epoxy primer and paint.
- b) Surface preparation: Blast clean or Ground to near white metal finish.

- c) Painting for gate assembly: 2 coats of black coal tar epoxy paint for gate assembly.
Total paint
- d) Thickness inclusive of priming shall be 250 microns approx.
- e) Finish painting for headstock pillar: Grey epoxy paint. Total paint thickness inclusive of priming shall be 150 microns.

G. Supply and Installation of Electric Actuators on both gates

The actuators shall have following components –

- a) 4 Nos. Limit switches and 2 Nos. Torque switches of 2NO+2NC contacts. Current rating 5A/0.4A at 240V, AC/DC. Enclosure of switches IP66;
- b) Motor suitable for 415V, 50Hz, 3 phase AC power supply, Class - F insulated (for S2-15 minutes), 3 thermo-switches are embedded in each motor winding for protection against burn out. Enclosed to IP67 after mounting on the actuator. (Duty: S2-15 mins.) (Max.: 60 starts/hr)
- c) Hand wheel for emergency manual operation which disengages as soon as motor operation is resumed.
- d) Space heater in switch compartment.
- e) Suitable for an ambient temperature of -20°C to +80°C;
- f) Double compression cable glands shall be provided.
- g) All switches and motor connections shall be brought out to a common terminal box for connections with Plug in type terminals for power and control. Terminals shall be suitable to accommodate incoming wires of cross section up to 4 sq. mm for power and 2.5 Sq. mm for control;
- h) Enclosure of Actuators - IP67/IP68 (Weatherproof, suitable for safe Area).
- i) Paint - Epoxy based. Shade - smoke grey (Shade 692 as per IS-5)
- j) Integral starter with:
 - i. Reversing Contactors (Electrically & Mechanically interlocked)
 - ii. Push buttons for "OPEN-STOP-CLOSE"
 - iii. Selector switch (LOCAL/OFF/REMOTE) with potential free contacts for remote indication.
 - iv. Control Transformer 415/110V.

- v. Input command signals OPEN-STOP-CLOSE (potential free contacts) OPEN-STOP-CLOSE with 24V, DC from internal power supply OR from external source.
- vi. Single phase protection + Auto phase correction.
- k) Actuators shall be suitable for remote and local operation, with torque and speed matching the gate requirements.
- l) Proper interlocking, limit switches, and protective features shall be incorporated.
- m) The bidder shall provide electrical panel and cable for providing electrical supply to actuators from nearest electrical supply point/ panel. All the material shall be of approved make.
- n) The bidder shall provide cable trays for proper routing and support of all cables, if any.

The necessary Testing and Inspection shall be done as per the Quality Assurance Plan (QAP) at Manufacturer's Workplace in the presence of BMC Engineer.

I. Payment Schedule:-

The payment schedule for said works will be as follows :-

BOQ Item No.	Major Work Activities	Payment (in % of Quoted Price of the Item)
1	Design, Supply, Installation, Testing and Commissioning of the Penstock Gates (2 Nos.) with Actuators on New Screen Chamber at Old Ghatkopar Pumping Station as per Technical Specifications, Terms and Conditions	
	a) Design and approval of General Arrangement (GA) drawings of Cast Iron Penstock Gates of approx. size 3000mm X 3000mm (2 Nos.) for mounting on the new screen chamber walls along with Civil RCC design drawings as per Technical Specifications, Terms and Conditions b) Supply of 3000mm X 3000mm Penstock Gates (2 Nos.) along with Electrical Actuators & other accessories as per Technical Specifications, Terms and Conditions	40% (a + b)
	c) Installation of 3000mm X 3000mm Penstock Gates (2 Nos.) along with Electrical Actuators & other accessories as per Technical Specifications, Terms and Conditions	35%
	d) Testing and Commissioning of 3000 mm X 3000 mm Penstock Gate (2 No) along with Electrical Actuators & other accessories as per Technical Specifications, Terms and Conditions	15%
	e) Operation of Penstock Gates along with Electrical Actuators & other accessories for one month as per specifications and Submission of As-Built Drawings and Operation Manuals after successful commissioning of Penstock Gates	10%

General Terms & Conditions:-

1. The bidder shall ensure that no damage caused to existing civil structure / M&E Equipment of screen chamber while carrying out the said work. Any damage to the civil structure / M&E Equipment caused during work shall be reinstated by the bidder at no extra cost to BMC.
2. The successful tenderer shall depute at least one Graduate Engineer having minimum experience of 5 years during the execution of the work.
3. The tenderer shall submit Structural Stability Certificate from approved structural consultant.
4. As the earlier project of construction of new screen chamber along with electro-mechanical equipment is carried out by the SP Department and the MSDP Department, necessary support required for installation of new gates as proposed in this tender, will be sought from these departments for civil and mechanical works, as and when required, specifically for activities of a civil nature.
5. The BMC will not be responsible for any accident / hazard caused to the person of the bidders while carrying out works.
6. The complete design of Penstock Gates, frames, actuators, and supporting Civil/Mechanical arrangements shall be prepared and submitted by the bidder.
7. All designs shall be in compliance with relevant IS codes, BMC standards and good engineering practices.
8. Approval of drawings by BMC does not absolve the bidder of responsibility for performance and safety.
9. All materials shall conform to relevant IS standards and approved QAP (Quality Assurance Plan). Components shall be robust, corrosion-resistant, and suitable for continuous duty under sewage water conditions.
10. Any substandard material identified during inspection shall be replaced at bidder's cost.
11. The bidder shall arrange all tools, tackles, scaffolding, lifting equipment, manpower, and safety arrangements at site.
12. The bidder shall ensure safe working in pumping station premises without disturbing on-going operations, if any.

13. The bidder shall submit design calculations, GA drawings, fabrication drawings, wiring diagrams and O&M manuals. As-built drawings shall be submitted after completion of the work.
14. All works shall be executed as per relevant safety standards, Factory Act, and environmental regulations.
15. The bidders shall carry out the execution work at site during day time on all days except Sunday and Public Holidays. In case of variation in work time, prior permission of department is necessary before commencement of the work.
16. The bidder shall obtain all statutory approvals, if required, at their own cost.
17. The bidder shall coordinate with other contractors/agencies working at site.
18. The bidder shall ensure that the staff deployed shall not behave/misconduct/disobey instructions.
19. The damages if any caused to the municipal properties shall be recovered from the contractor's risk and cost.
20. Fabrication and installation of an M.S. cover or platform, if required for the proper operation of the gates and actuators.
21. The bidder shall submit the data sheets for the Penstock Gates and actuators ensuring full compliance with the technical specifications provided.
22. Every effort has been made to describe the scope of work, technical specifications, and bill of quantities in detail. The tenderers are required to submit their offers after taking into account all components, accessories, and arrangements necessary for the successful commissioning of the system, even if such items are not explicitly mentioned in the specifications or the BOQ. No claim for extra items shall be entertained on the grounds of missing descriptions or for any other reason whatsoever.

SELECTION OF MATERIAL

- 1) All materials brought on the site of work and meant to be used in the same, shall be the best of their respective kinds and to the approval of the Engineer. The Engineer or his representative will accept that the materials are really the best of their kinds, when it is proved beyond doubt that no better materials of the particular kind in question are available in the market.
- 2) The contractor shall obtain the approval of the Engineer of samples of all materials to be used in the works and shall deposit these samples with him before placing an order for the materials with the suppliers. The materials brought on the works shall conform in every respect to their approved samples. Fresh samples shall be deposited with the Engineer whenever the type or source of any material changes.
- 3) The contractor shall check each fresh consignment of materials as it is brought to the site of works to see that they conform in all respects to the Specifications of the samples approved by the Engineer, or both.
- 4) The Engineer will have the option to have any of the materials tested to find out whether they are in accordance with the Specifications and the Contractor will bear all expenses for such testing. All B bills, vouchers and test certificates, which in the opinion of the Engineer or his representative are necessary to convince him as to the quality of the materials or their suitability shall be produced for his inspection when required.
- 5) Any materials that have not been found to conform to the specifications will be rejected forthwith and shall be removed from the site by the contractor at his own cost within 24 hours.
- 6) The Engineer shall have power to cause the Contractors to purchase and use such materials from any particular source, as may in his opinion be necessary for the proper execution of the work.

SECTION 11

FRAUD AND CORRUPT PRACTICES

FRAUD AND CORRUPT PRACTICES

- The Applicants and their respective officers, employees, agents and advisers shall observe the highest standard of ethics during the Bidding Process. Notwithstanding anything to the contrary contained herein, the Authority may reject an Application without being liable in any manner whatsoever to the Applicant if it determines that the Applicant has, directly or indirectly or through an agent, engaged in corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice in the Bidding Process.
- Without prejudice to the rights of the Authority under relevant Clause hereinabove, if an Applicant is found by the Authority to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice during the Bidding Process, such Applicant shall not be eligible to participate in any tender or RFQ issued by the Authority during a period of 2 (two) years from the date such Applicant is found by the Authority to have directly or indirectly or through an agent, engaged or indulged in any corrupt practice, fraudulent practice, coercive practice, undesirable practice or restrictive practice, as the case may be.
- For the purposes of this Clause, the following terms shall have the meaning hereinafter respectively assigned to them:
 - A. **“corrupt practice”** means the offering, giving, receiving, or soliciting, directly or indirectly, of anything of value to influence the actions of any person connected with the Bidding Process (for avoidance of doubt, offering of employment to, or employing, or engaging in any manner whatsoever, directly or indirectly, any official of the Authority who is or has been associated in any manner, directly or indirectly, with the Bidding Process or the LOA or has dealt with matters concerning the Concession Agreement or arising there from, before or after the execution thereof, at any time prior to the expiry of one year from the date such official resigns or retires from or otherwise ceases to be in the service of the Authority, shall be deemed to constitute influencing the actions of a person connected with the Bidding Process); **or** save and except as permitted under the relevant sub clause, engaging in any manner whatsoever, whether during the Bidding Process or after the issue of the LOA

or after the execution of the Concession Agreement, as the case may be, any person in respect of any matter relating to the Project or the LOA or the Concession Agreement, who at any time has been or is a legal, financial or technical adviser of the Authority in relation to any matter concerning the Project;

- B. **“fraudulent practice”** means a misrepresentation or omission of facts or suppression of facts or disclosure of incomplete facts, in order to influence the Bidding Process;
- C. **“coercive practice”** means impairing or harming or threatening to impair or harm, directly or indirectly, any person or property to influence any persons participation or action in the Bidding Process;
- D. **“undesirable practice”** means (i) establishing contact with any person connected with or employed or engaged by the Authority with the objective of canvassing, lobbying or in any manner influencing or attempting to influence the Bidding Process; or (ii) having a Conflict of Interest; and
- E. **“Restrictive practice”** means forming a cartel or arriving at any understanding or arrangement among Applicants with the objective of restricting or manipulating a full and fair competition in the Bidding Process.
- F. If the Employer/Financier determines that the Contractor has engaged in corrupt, fraudulent, collusive, coercive or obstructive practices, in competing for or in executing the Contract, then the Employer may, after giving 14 days’ notice to the Contractor, terminate the Contractor’s employment under the Contract and expel him from the Site, and the provisions of relevant Clause shall apply as if such expulsion had been made.
- G. Should any employee of the Contractor be determined to have engaged in corrupt, fraudulent, collusive, coercive, or obstructive practice during the execution of the Works, then that employee shall be removed in accordance with relevant Clause.

For the purposes of this Sub-Clause:

- i. **“corrupt practice”** is the offering, giving, receiving to soliciting, directly or indirectly, of anything of value to influence improperly the actions of another party;
- ii. **“Another party”** refers to a public official acting in relation to the procurement process or contract execution. In this context, “public official” includes Financier staff and employees of other organizations taking or reviewing procurement decisions.

- iii. “fraudulent practice” is any act or omission, including a misrepresentation, that knowingly or recklessly misleads, or attempts to mislead, a party to obtain a financial or other benefit or to avoid an obligation;
- iv. “collusive practice” is an arrangement between two or more parties designed to achieve an improper purpose, including to influence improperly the actions of another party;
- v. “coercive practice” is impairing or harming, or threatening to impair or harm, directly or indirectly, any party or the property of the party to influence improperly the actions of a party;
- vi. “obstructive practice” is deliberately destroying, falsifying, altering or concealing of evidence material to the investigation or making false statements to investigators in order to materially impede the Financier investigation into allegations of a corrupt, fraudulent, coercive or collusive practice; and/or threatening, harassing or intimidating any party to prevent it from disclosing its knowledge of matters relevant to the investigation or from pursuing the investigation; or
- vii. acts intended to materially impede the exercise of the Financer’s inspection and audit rights provided .
- viii. “party” refers to a public official; the terms “benefit” and “obligation” relate to the procurement process or contract execution; and the “act or omission” is intended to influence the procurement process or contract execution.
- ix. “parties” refers to participants in the procurement process (including public officials) attempting to establish bid prices at artificial, non-competitive levels.
- x.a “party” refers to a participant in the procurement process or contract execution.

SECTION 12
PRE BID MEEING

PREBID MEETING

Pre-bid meeting of the interested parties shall be convened at the designated date, time and place. A maximum of three representatives of each Applicant shall be allowed to participate on production of authority letter from the Applicant.

During the course of Pre-bid meeting, the Applicants will be free to seek clarifications and make suggestions for consideration of the Authority. The Authority shall Endeavour to provide clarifications and such further information as it may, in its sole discretion, consider appropriate for facilitating a fair, transparent and competitive Bidding Process.

APPENDIX AND PROFORMA

FORM OF TENDER

To,
The Municipal Commissioner for Greater Mumbai

Sir,

विषय:- बृहन्मुंबई महानगरपालिकेत कंत्राटदारामार्फत पार पाडावयाच्या कामाच्या मसुदा निविदेमध्ये अतिरिक्त सुरक्षा अनामत रक्कमेबाबतची सुधारित अट समाविष्ट करण्याबाबत.

संदर्भ:- एमडीडी/७८७८ दिनांक २७.०९.२०१६.

बृहन्मुंबई महानगरपालिकेत कंत्राटदारामार्फत पार पाडण्यात येणाऱ्या कामाकरिताच्या मसुदा-निविदेत समाविष्ट करावयाच्या अतिरिक्त सुरक्षा अनामत रक्कमेबाबतच्या अटीबाबतचे निर्देश संदर्भित परिपत्रकान्वये निर्गमित करण्यात आले आहेत. त्यामध्ये खालीलप्रमाणे सुधारणा करण्यात येत आहे.

विद्यमान पध्दत:-

ई-निविदा सूचनेस प्रतिसाद करून ज्या ज्या कंत्राटदारांनी वजा -१२% पेक्षा कमी दराने टक्केवारी उद्धृत केली आहे, अशा सर्व कंत्राटदारांना वजा १२% पेक्षा जास्त नमूद केलेल्या प्रत्येक टक्क्याला १% याप्रमाणे कोणतीही मर्यादा न ठेवता ऑनलाईन निविदा सादर करताना अतिरिक्त सुरक्षा अनामत रक्कम ऑनलाईन स्विकारली जाते.

सुधारित पध्दत:-

१. कंत्राटदाराने वजा -१२% पेक्षा कमी दराने टक्केवारी उद्धृत केली असल्यास वजा १२% पेक्षा जास्त असलेल्या प्रत्येक टक्क्याला १% याप्रमाणे ऑनलाईन निविदा सादर करताना अतिरिक्त सुरक्षा अनामत रक्कमेचा ऑनलाईन भरणा करणे आवश्यक नसेल.

२. कंत्राट रकमेनुसार सक्षम प्राधिकाऱ्यांची मंजूरी प्राप्त झाल्यानंतर प्रथम लघुत्तम असलेल्या निविदाकाराने कार्यस्विकृती पत्रात नमूद केल्यानुसार कार्यालयीन कामकाजाच्या १५ दिवसात विद्यमान पध्दतीनुसार अतिरिक्त सुरक्षा अनामत रक्कम डिमांड ड्राफ्ट स्वरूपात महानगरपालिकेचा नागरी सुविधा केंद्रात जमा करणे व त्या पावतीची प्रत खातेप्रमुखाकडे सादर करणे आवश्यक असेल.

३. जर प्रथम लघुत्तम निविदाकाराने कार्यस्विकृती पत्रात नमूद केल्यानुसार कार्यालयीन कामकाजाच्या १५ दिवसांमध्ये अतिरिक्त सुरक्षा अनामत रक्कम जमा केली नाही तर सदर कंपनीने भरणा केलेली संपूर्ण इसारा अनामत रक्कम (EMD) जप्त केली जाईल तसेच कंपनीला दोन वर्षासाठी डीबार (Debar) करण्यात येईल, त्याचप्रमाणे त्या कंपनीचे संचालक/

(Atkising)

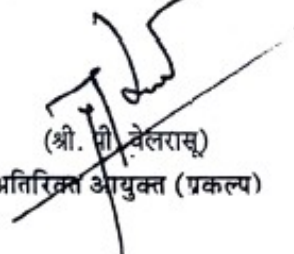

पार्टनर इतर कंपनीमध्ये संचालक/ पार्टनर म्हणून कार्यरत असतील तर ती कंपनी सुद्धा दोन वर्षाकरिता डीबार (Debar) करण्याची कार्यवाही करण्यात येईल.

यापुढील कामाकरिताच्या मसुदानिधिदेत परिपत्रकात नमूद केल्याप्रमाणे अतिरिक्त सुरक्षा अनामत रक्कमेबाबतची अट अंतर्भूत करण्यात यावी.

उपरोक्त सूचनांचे काटेकोरपणे अंमलबजावणी करण्याबाबत सर्व खाते प्रमुख/ सहाय्यक आयुक्त/ रुग्णालय अधिष्ठाता/ वैद्यकीय अधिक्षक/ उप प्रमुख लेखापाल/ लेखा अधिकारी यांनी दक्षता घ्यावी.

विषय :- बँकेने दिलेले हमीपत्र (बँकर्स गॅरंटी) स्वीकारण्याबाबत.

कंत्राटदार/पुरवठादार यांच्याकडून सादर करण्यात येणारी बँक हमीपत्रे (बँकर्स गॅरंटी) स्वीकारण्यासंदर्भात एक प्रशासकीय धोरणात्मक बाब म्हणून (१) स्टेट बँक ऑफ इंडिया आणि तिच्या संलग्न बँका, (२) राष्ट्रीयीकृत बँका, (३) अनुसूचित वाणिज्य बँका, (४) अनुसूचित नागरी सहकारी बँका, (५) विदेशी बँका ह्या प्रवर्गातील बृहन्मुंबई महानगरपालिका तसेच त्यापुढील विरार व कल्याण पर्यंतच्या क्षेत्रातील विहित बँका आणि त्यांच्या शाखा यांनी दिलेली बँक हमीपत्रे स्वीकारण्यास मान्यता देण्यात आलेली असून, यासंदर्भातील सूचना सर्व संबंधितांच्या माहितीकरीता वेळोवेळी परिक्रमित करण्यात आल्या आहेत. त्या सातत्यात पुढील प्रमाणे नमूद करण्यात येत आहे :-

■ रिझर्व बँक ऑफ इंडिया यांनी त्यांच्या 'rbidocs.rbi.org.in/rdocs/publications/pdfs/84656.pdf' ह्या अधिकृत वेबसाईटवर रिझर्व बँक ऑफ इंडिया अधिनियम, १९३४ अन्वयेची अनुसूची-दोन माहितीकरीता उपलब्ध केलेली आहे. सदर अनुसूची-दोन मध्ये (१) स्टेट बँक ऑफ इंडिया आणि तिच्या संलग्न बँका, (२) राष्ट्रीयीकृत बँका, (३) इतर सार्वजनिक क्षेत्रातील बँका, (४) खाजगी क्षेत्रातील बँका, (५) विदेशी बँका ह्या प्रवर्गात नमूद करण्यात आलेल्या बृहन्मुंबई महानगरपालिका तसेच त्यापुढील विरार व कल्याण पर्यंतच्या क्षेत्रातील सर्व बँकांच्या शाखा, बँक हमीपत्रे स्वीकारण्याबाबतच्या प्रयोजनाकरीता मान्यताप्राप्त आहेत.

■ सदर अनुसूची दोन मधील राज्य सहकारी बँका आणि ग्रामीण बँका ह्या प्रवर्गातील बँका मात्र (महाराष्ट्र स्टेट को.ऑप.बँक लि, मुंबई ही एक बँक वगळता) बँक हमीपत्रे स्वीकारण्याबाबतच्या प्रयोजनाकरीता मान्यताप्राप्त नाहीत.

■ महाराष्ट्र सहकारी संस्था अधिनियम, १९६० च्या तरतूदी विचारात घेऊन "महाराष्ट्र स्टेट को.ऑप.बँक" आणि "मुंबई डिस्ट्रिक्ट सेंट्रल को.ऑप.बँक" ह्या दोन सहकारी बँका, बँक हमीपत्रे स्वीकारण्याच्या प्रयोजनाकरिता मान्यताप्राप्त आहेत असे यापूर्वी ठरविण्यात आले आहे. त्यानुसार सदर दोन्ही बँका प्रस्तुत प्रयोजनाकरिता यापुढेही मान्यताप्राप्त आहेत असे समजण्यात यावे.

ANNEXURE

GRIEVANCE REDRESSAL MECHANISM

BMC has formed a Grievance Redressal Mechanism for redressal of bidder's grievances. Any Bidder or prospective Bidder aggrieved by any decision, action or omission of the procuring entity being contrary to the provisions of the tender or any rules or guidelines issued therein, in Packet 'A', 'B' & 'C' can make an application for review of decision of responsiveness in Packet 'A', 'B' & 'C' within a period of 7 days or any such other period, as may be specified in the Bid document.

While making such an application to procuring entity for review, aggrieved bidders or prospective bidders shall clearly specify the ground or grounds in respect of which he feels aggrieved.

Provided that after declaration of a bidder as a successful in Packet 'A' (General Requirements), an application for review may be filed only by a bidder who has participated in procurement proceedings and after declaration of successful bidder in Packet 'B' (Technical Bid), an application for review may be filed only by successful bidders of Packet 'A'. Provided further that, an application for review of the financial bid can be submitted, by the bidder whose technical bid is found to be acceptable / responsive.

Upon receipt of such application for review, BMC may decide whether the bid process is required to be suspended pending disposal of such review. The BMC after examining the application and the documents available to him, give such reliefs, as may be considered appropriate and communicate its decision to the Applicant and if required to other bidders or prospective bidders, as the case may be.

BMC shall deal and dispose off such application as expeditiously as possible and in any case within 10 days from the date of receipt of such application or such other period as may be specified in pre-qualification document, bidder registration document or bid documents, as the case may be.

Where BMC fails to dispose off the application within the specified period or if the bidder or prospective bidder feels aggrieved by the decision of the procuring entity, such bidder or prospective bidder may file an application for redressal before the "Internal Procurement Redressal Committee" within 7 days of the expiry of the allowed time or of the date of receipt of the decision, as the case may be. Every such application for internal redressal before Redressal Committee shall be accompanied by fee of Rs.25,000/- and fee shall be paid in the form of D.D. in favour of M.C.G.M.

1st Appeal by the bidder against the decision of C.E./ HOD/ Dean can be made to concerned DMC/Director who should decide appeal in 7 days.

If not satisfied, 2nd Appeal by the bidder can be made to concerned A.M.C. for decision.

Grievance Redressal Committee (GRC) is headed by concerned D.M.C./ Director of particular department for the first appeal/ grievances by the bidder against the decision for responsiveness / non- responsiveness in Packet 'A', Packet 'B' or Packet 'C' and if not satisfied, concerned A.M.C. will take decision as per second appeal made by the bidder.

This Grievance Redressal Committee (GRC) will be operated through DMC (CPD) office where appeals of aggrieved bidder will be received with fee of Rs. 25,000/- from aggrieved bidder. The necessary correspondence in respect of said applications to the aggrieved bidder & concerned department, issuing notices, arranging of Grievance Redressal Committee (GRC) with D.M.C. and further proceeding will be carried out through registrar appointed by MCGM.

No application shall be maintainable before the redressal Committee in regard of any decision of the BMC relating to following issues:

Determination of need of procurement

The decision of whether or not to enter into negotiations.

Cancellation of a procurement process for certain reasons.

On receipt of recommendation of the Committee, It will be communicate his decision thereon to the Applicant within 10 days or such further time not exceeding 20 days, as may be considered necessary from the date of receipt of the recommendation and in case of non-acceptance of any recommendation, the reason of such non-acceptance shall also be mentioned in such communication.

23rd July, 2020

Order (Public Procurement No. 1)

Subject: Restrictions under Rule 144 (xi) of the General Financial Rules (GFRs), 2017

Attention is invited to this office OM no. 6/18/2019-PPD dated 23rd July 2020 inserting Rule 144 (xi) in GFRs 2017. In this regard, the following is hereby ordered under Rule 144 (xi) on the grounds stated therein:

Requirement of registration

1. Any bidder from a country which shares a land border with India will be eligible to bid in any procurement whether of goods, services (including consultancy services and non-consultancy services) or works (including turnkey projects) only if the bidder is registered with the Competent Authority, specified in **Annex I**.
2. This Order shall not apply to (i) cases where orders have been placed or contract has been concluded or letter/notice of award/ acceptance (LoA) has been issued on or before the date of this order; and (ii) cases falling under **Annex II**.

Transitional cases

3. Tenders where no contract has been concluded or no LoA has been issued so far shall be handled in the following manner: -
 - a) *In tenders which are yet to be opened, or where evaluation of technical bid or the first exclusionary qualificatory stage (i.e. the first stage at which the qualifications of tenderers are evaluated and unqualified bidders are excluded) has not been completed:* No contracts shall be placed on bidders from such countries. Tenders received from bidders from such countries shall be dealt with as if they are non-compliant with the tender conditions and the tender shall be processed accordingly.
 - b) *If the tendering process has crossed the first exclusionary qualificatory stage:* If the qualified bidders include bidders from such countries, the

entire process shall be scrapped and initiated *de novo*. The *de novo* process shall adhere to the conditions prescribed in this Order.

- c) As far as practicable, and in cases of doubt about whether a bidder falls under paragraph 1, a certificate shall be obtained from the bidder whose bid is proposed to be considered or accepted, in terms of paras 8, 9 and 10 read with para 1 of this Order.

Incorporation in tender conditions

- 4. In tenders to be issued after the date of this order, the provisions of paragraph 1 and of other relevant provisions of this Order shall be incorporated in the tender conditions.

Applicability

- 5. Apart from Ministries / Departments, attached and subordinate bodies, notwithstanding anything contained in Rule 1 of the GFRs 2017, this Order shall also be applicable
 - a. to all Autonomous Bodies;
 - b. to public sector banks and public sector financial institutions; and
 - c. subject to any orders of the Department of Public Enterprises, to all Central Public Sector Enterprises; and
 - d. to procurement in Public Private Partnership projects receiving financial support from the Government or public sector enterprises/ undertakings.
 - e. Union Territories, National Capital Territory of Delhi and all agencies/ undertakings thereof

Definitions

- 6. "Bidder" for the purpose of this Order (including the term 'tenderer', 'consultant' 'vendor' or 'service provider' in certain contexts) means any person or firm or company, including any member of a consortium or joint venture (that is an association of several persons, or firms or companies), every artificial juridical person not falling in any of the descriptions of bidders stated hereinbefore, including any agency, branch or office controlled by such person, participating in a procurement process.
- 7. "Tender" for the purpose of this Order will include other forms of procurement, except where the context requires otherwise.
- 8. "Bidder from a country which shares a land border with India" for the purpose of this Order means

- a) An entity incorporated, established or registered in such a country; or
- b) A subsidiary of an entity incorporated, established or registered in such a country; or
- c) An entity substantially controlled through entities incorporated, established or registered in such a country; or
- d) An entity whose *beneficial owner* is situated in such a country; or
- e) An Indian (or other) agent of such an entity; or
- f) A natural person who is a citizen of such a country; or
- g) A consortium or joint venture where any member of the consortium or joint venture falls under any of the above

9. "Beneficial owner" for the purpose of paragraph 8 above will be as under:

- (i) In case of a company or Limited Liability Partnership, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person(s), has a controlling ownership interest or who exercises control through other means.

Explanation—

- a. "Controlling ownership interest" means ownership of, or entitlement to, more than twenty-five per cent of shares or capital or profits of the company;
- b. "Control" shall include the right to appoint the majority of the directors or to control the management or policy decisions, including by virtue of their shareholding or management rights or shareholders agreements or voting agreements;

- (ii) In case of a partnership firm, the beneficial owner is the natural person(s) who, whether acting alone or together, or through one or more juridical person, has ownership of entitlement to more than fifteen percent of capital or profits of the partnership;

- (iii) In case of an unincorporated association or body of individuals, the beneficial owner is the natural person(s), who, whether acting alone or together, or through one or more juridical person, has ownership of or entitlement to more than fifteen percent of the property or capital or profits of such association or body of individuals;

- (iv) Where no natural person is identified under (i) or (ii) or (iii) above, the beneficial owner is the relevant natural person who holds the position of senior managing official;

(v) In case of a trust, the identification of beneficial owner(s) shall include identification of the author of the trust, the trustee, the beneficiaries with fifteen percent or more interest in the trust and any other natural person exercising ultimate effective control over the trust through a chain of control or ownership.

10. "Agent" for the purpose of this Order is a person employed to do any act for another, or to represent another in dealings with third persons.

Sub-contracting in works contracts

11. In works contracts, including turnkey contracts, contractors shall not be allowed to sub-contract works to any contractor from a country which shares a land border with India unless such contractor is registered with the Competent Authority. The definition of "contractor from a country which shares a land border with India" shall be as in paragraph 8 above. This shall not apply to sub-contracts already awarded on or before the date of this Order.

Certificate regarding compliance

12. A certificate shall be taken from bidders in the tender documents regarding their compliance with this Order. If such certificate given by a bidder whose bid is accepted is found to be false, this would be a ground for immediate termination and further legal action in accordance with law.

Validity of registration

13. In respect of tenders, registration should be valid at the time of submission of bids and at the time of acceptance of bids. In respect of supply otherwise than by tender, registration should be valid at the time of placement of order. If the bidder was validly registered at the time of acceptance / placement of order, registration shall not be a relevant consideration during contract execution.

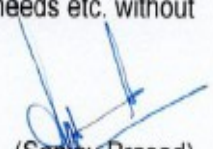

Government E-Marketplace

14. The Government E-Marketplace shall, as soon as possible, require all vendors/bidders registered with GeM to give a certificate regarding compliance with this Order, and after the date fixed by it, shall remove non-compliant entities from GeM unless/ until they are registered in accordance with this Order.

5/11

Model Clauses/ Certificates

15. Model Clauses and Model Certificates which may be inserted in tenders / obtained from Bidders are enclosed as **Annex III**. While adhering to the substance of the Order, procuring entities are free to appropriately modify the wording of these clauses based on their past experience, local needs etc. without making any reference to this Department.

To

- (1) Secretaries of All Ministries/ Departments of Government of India for information and necessary action. They are also requested to inform these provisions to all procuring entities.
- (2) Secretary, Department of Public Enterprises with a request to immediately reiterate these orders in respect of Public Enterprises.
- (3) Secretary DPIIT with a request to initiate action as provided under Annex I
- (4) Chief Secretaries/ Administrators of Union Territories/ National Capital Territory of Delhi

Annex I: Competent Authority and Procedure for Registration

- A. The Competent Authority for the purpose of registration under this Order shall be the Registration Committee constituted by the Department for Promotion of Industry and Internal Trade (DPIIT)*.
- B. The Registration Committee shall have the following members*:
- i. An officer, not below the rank of Joint Secretary, designated for this purpose by DPIIT, who shall be the Chairman;
 - ii. Officers (ordinarily not below the rank of Joint Secretary) representing the Ministry of Home Affairs, Ministry of External Affairs, and of those Departments whose sectors are covered by applications under consideration;
 - iii. Any other officer whose presence is deemed necessary by the Chairman of the Committee.
- C. DPIIT shall lay down the method of application, format etc. for such bidders as stated in para 1 of this Order.
- D. On receipt of an application seeking registration from a bidder from a country covered by para 1 of this Order, the Competent Authority shall first seek political and security clearances from the Ministry of External Affairs and Ministry of Home Affairs, as per guidelines issued from time to time. Registration shall not be given unless political and security clearance have both been received.
- E. The Ministry of External Affairs and Ministry of Home Affairs may issue guidelines for internal use regarding the procedure for scrutiny of such applications by them.
- F. The decision of the Competent Authority, to register such bidder may be for all kinds of tenders or for a specified type(s) of goods or services, and may be for a specified or unspecified duration of time, as deemed fit. The decision of the Competent Authority shall be final.
- G. Registration shall not be granted unless the representatives of the Ministries of Home Affairs and External Affairs on the Committee concur*.
- H. Registration granted by the Competent Authority of the Government of India shall be valid not only for procurement by Central Government and its agencies/ public enterprises etc. but **also for procurement by State Governments and their agencies/ public enterprises etc. No fresh registration at the State level shall be required.**

7/12

- I. The Competent Authority is empowered to cancel the registration already granted if it determines that there is sufficient cause. Such cancellation by itself, however, will not affect the execution of contracts already awarded. Pending cancellation, it may also suspend the registration of a bidder, and the bidder shall not be eligible to bid in any further tenders during the period of suspension.
- J. For national security reasons, the Competent Authority shall not be required to give reasons for rejection / cancellation of registration of a bidder.
- K. In transitional cases falling under para 3 of this Order, where it is felt that it will not be practicable to exclude bidders from a country which shares a land border with India, a reference seeking permission to consider such bidders shall be made by the procuring entity to the Competent Authority, giving full information and detailed reasons. The Competent Authority shall decide whether such bidders may be considered, and if so shall follow the procedure laid down in the above paras.
- L. Periodic reports on the acceptance/ refusal of registration during the preceding period may be required to be sent to the Cabinet Secretariat. Details will be issued separately in due course by DPIIT.

[*Note:

- i. In respect of application of this Order to procurement by/ under State Governments, all functions assigned to DPIIT shall be carried out by the State Government concerned through a specific department or authority designated by it. The composition of the Registration Committee shall be as decided by the State Government and paragraph G above shall not apply. However, the requirement of **political and security clearance as per para D shall remain and no registration shall be granted without such clearance.**
- ii. Registration granted by State Governments shall be valid only for procurement by the State Government and its agencies/ public enterprises etc. and shall not be valid for procurement in other states or by the Government of India and their agencies/ public enterprises etc.]

8/12

Annex II: Special Cases

- A. Till 31st December 2020, procurement of medical supplies directly related to containment of the Covid-19 pandemic shall be exempt from the provisions of this Order.
- B. *Bona fide* procurements made through GeM without knowing the country of the bidder till the date fixed by GeM for this purpose, shall not be invalidated by this Order.
- C. *Bona fide* small procurements, made without knowing the country of the bidder, shall not be invalidated by this Order.
- D. In projects which receive international funding with the approval of the Department of Economic Affairs (DEA), Ministry of Finance, the procurement guidelines applicable to the project shall normally be followed, notwithstanding anything contained in this Order and without reference to the Competent Authority. Exceptions to this shall be decided in consultation with DEA.
- E. This Order shall not apply to procurement by Indian missions and by offices of government agencies/ undertakings located outside India.

9/12

BRIHANMUMBAI MUNICIPAL CORPORATION

Circular

No. CA/Finance/Project/19 , Date 04.03.2024

Subject - Revised guidelines for payment of EMD for tenders to be uploaded on Mahatender Portal.

- Ref -
1. MDD/7878, dt.27.09.2016.
 2. Dir./IT/F-59, dt.10.05.2023.
 3. Dir./IT/505038 , dt.19.12.2023

As per the guideline issued vide circular mention in reference no. 2 & 3, all department are directed to use Mahatender for all the tenders above 25 lacs with effect from 15th June 2023, and for tenders below 25 lacs with effect from 21st December 2023 respectively. Accordingly all departments of BMC shall use e-Procurement System of Government of Maharashtra (Mahatender). Further, it has been directed that, all BMC department will have to follow the standard procedures of the said e-Tendering system of GoM and make relevant changes in their respective tender documents.

For participating in bidding process, bidders are required to deposit Earnest Money Deposit (EMD) through the payment gateways while submitting the bids. In BMC's tenders, in some cases, as per the relevant clause of tender, 10% of EMD amount has to be forfeited. Further, in some cases, for more than 2 curable-defects shortfalls, 2% of EMD per instance is forfeited. However, in Mahatender System, there is no such provision of partial forfeiture of EMD amount. Hence, the existing condition of partial forfeiture of EMD elaborated above needs to be modified. Further, the work of modifying Standard Bid Document of BMC under chairmanship of DMC (Infra) is under progress. Final decision regarding partial forfeiture of EMD will be taken by the committee. However, till then, to streamline the process of bidding, interim instructions regarding EMD are as follows;

C:\Users\3938308\Desktop\100% Online EMD 21.02.2023.docx

1) Mode of payment of EMD

A tenderer shall pay entire amount of EMD through payment gateways of GoM on URL <http://mahatenders.gov.in>. The bidder shall upload scan copy of online paid EMD along with the bid submission in packet 'A'.

Any bid not accompanied by an acceptable Bid Security shall be rejected by the Employer as non-responsive.

2) If non-responsive;

If the bidder is found non-responsive after scrutiny of packet 'A'/'B', in such circumstances, **the bidder will be made non-responsive and financial packet 'C' of non-responsive bidder will not be opened. However, there will not be any forfeiture of EMD.**

3) Shortfalls:-

Maximum 5 shortfalls of curable defects shall be allowed and in case, curable defects are not compiled by bidder within given time period, the bidder shall be treated as '**Non-Responsive**' & such cases will be informed to Registration and Monitoring Cell. Such non-submission of documents will be considered as 'Intentional Avoidance' and if three or more cases in 12 months are reported, shall be viewed seriously and disciplinary action against the defaulters such as banning/de-registration, etc. shall be taken by Registration Cell with due approval of the concerned AMC.

4) Refund of EMD :-

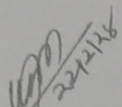

- c) Except successful bidder all other unsuccessful bidders' 100% EMD paid online will be refunded automatically.
- d) The Bid security of successful bidder will be discharged when the bidder has signed the agreement and /or furnish the required Security Deposits as elaborated in Standard Bid Document.

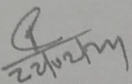

5) Forfeiture of Entire EMD:-

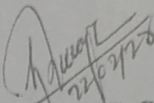

The existing conditions laid down in Standard Bid Document regarding forfeiture of entire bid security (EMD) shall remain unchanged.

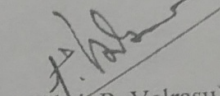

These, interim-instructions will remain in force till the issuance of circular regarding amendment in SBD.

All the concerned Assistant Commissioners / HoDs shall note the above directives and to incorporate suitable clause in the draft tenders to be invited hereafter with immediate effect.
