11			Tender Prices

		11.1		The Tender shall be for the whole works as described in the Tendering Document, based on the rates submitted by the Tenderer.
		11.2		The Tenderer shall fill in rates for all items of the Works listed in the Bill of Quantities. Items for which no rate or price is entered by the Tenderer shall be considered as incomplete tender & will be treated as non responsive & shall be rejected.
		11.3		G.S.T. and other state levies/cess which are not subsumed under GST will be applicable. The tenderer shall quote inclusive of all taxes. It is clearly understood that MCGM will not bear any additional liability towards payment of any Taxes & Duties. Wherever the Services to be provided by the Tenderers falls under Reverse Charge Mechanism, the Price quoted shall be exclusive of GST, but inclusive of Taxes/Duties/Cess other than GST, if any. Rates accepted by MCGM shall hold good till completion of work and no additional individual claim shall be admissible on account of fluctuations in market rates; increase in taxes / any other levies / tolls etc. except that payment / recovery for overall market situation shall be made as per price Variation
		11.4		The rates and prices quoted by the Tenderer shall be firm during the validity period and during the execution of contract.
		11.5		Import duties (Custom duty) will be paid by MCGM directly to concern authority. However, in case of foreign bidder quoting the cost on CIF / DAP Mumbai basis, the clearing of the vehicle has to be carried out by supplier or their Indian agent and port charges and clearing charges etc. has to be paid by them. The insurance of the vehicles shall be suppliers' warehouse to purchase warehouse upto Fire Brigade H.Q. shall be the responsibility of supplier. Tenderer is allowed to draw insurance policy from supplier's warehouse to buyer's warehouse or from supplier's warehouse to Mumbai Port and separate policy from Mumbai port to Fire Brigade H.Q. The insurance policies shall remain valid for minimum period of one month from the date of arrival of goods in Mumbai dock.
	12			Currencies of Tender and Payment
		12.1		The prices shall be quoted by the Tenderer either in INR on FOR basis inclusive of all taxes and duties or in Euro or Dollars on CIF / DAP Mumbai Basis including the taxes and duties applicable out of India.
	13			Tender Validity
		13.1		Tenders shall remain valid for a period of min. 180 days from the date of submission of the tender. A Tender validity for a shorter period will be treated as non responsive & shall be rejected.
		13.2		In exceptional circumstances, prior to expiry of the original time limit, the Municipal Commissioner may request that the Tenderer may extend the period of validity for a specified additional period. The request and the Tenderer's responses shall be made in writing. A Tenderer may refuse the request without forfeiting its E.M.D. A Tenderer agreeing to the request will not be required or permitted to modify terms & conditions of the tender.

14			Earnest Money Deposit (E.M.D.)
	14.1		The Tenderer shall pay, as part of his Tender, Earnest Money Deposit of Rs. 22,31,000/- stipulated in the Tender Notice. This E.M.D. amount shall be paid online only as per MCGM procedure. The firms / contractors who are already registered with M.C.G.M. and have paid Standing Deposit shall also have to pay the full amount of E.M.D.
	14.2		The E.M.D. of the Tenderers will be returned on Tenderers' request at the end of the Tender validity period or from award of Tender to the successful Tenderer, whichever is earlier as per MCGM circular.
	14.3		The E.M.D. of the successful Tenderer will be discharged when the Tenderer has signed the Agreement and furnished the required Performance Security/ Contract Deposit. The refund process will be as per circular no. CA/FRD/II/04 dated 18.04.2012.
	14.4		The E.M.D. may be forfeited,
		(a)	if the Tenderer withdraws the Tender after Tender opening during the period of Tender validity; or
		(b)	if the Tenderer does not accept the correction of the Tender Price, pursuant to Clause 27; or
		(c)	in case of a successful Tenderer, if the Tenderer fails within the specified time limit to
			i. sign the Agreement ; or
			ii. Furnish the required Performance Security/ Contract Deposit.
		(d)	It the tenderer fails to submit the mandatory documents within 3 days from the date of closing of tender or from the date of intimation by e mail, 10% of EMD amount will be forfeited,
15			Alternative Proposals by Tenderers
			No Alternative Proposals by Tenderers will be accepted. In case Alternative Proposals are submitted by the Tenderer, such tender will be rejected outright.
16			Incomplete tender
	16.1		The Tenderer shall have to tender for complete job and shall fill up the BOQ accordingly.
	16.2		The tenderer who does not tender for complete job shall be rejected outright.
	16.3		The Tenderer who does not fill and submit the filled BOQ shall be rejected outright.
	16.4		The tenderer who stipulates hedging conditions or own conditions shall be rejected outright.
	16.5		The tenderer who does not quote the rates in INR of Fully convertible foreign currency shall be rejected outright.
	16.6		However, The Corporation reserves right of splitting the Tender amongst two or more Tenderers, where the Bill of Quantities are distinctly separate as different parts of the same Contract.
17			Format and Signing of Tender

		17.1		The Tenderer shall prepare documents comprising the Tender as described in Clause 10 of these Instructions to Tenderers.
		17.2		The original and all copies of the Tender shall be typed or written in indelible ink (in case of copies, photo copies are also acceptable.) and shall be signed by a person or persons duly authorized to sign on behalf of the Tenderer, pursuant to Sub Clause 4.3 and 4.4. All pages of the Tender where entries or amendments have been made shall be initialed by the person or persons signing the Tender.
		17.3		The Tender shall contain no alterations, omissions or additions unless such corrections shall be initialed by the person or persons signing the Tender.
		17.4		The tenderers are requested to sign at appropriate place, the Tender form, Specifications & Annexures after making appropriate entries wherever necessary & then scan & upload the same.
D				Priority of Contract Documents
	18			Priority of Contract Documents
				The several documents forming the contract are to be taken as mutually explanatory of one another, but in case of ambiguities or discrepancies the same shall be explained and adjusted by the CFO who shall thereupon issue to the contractor instructions thereon & in such event, unless otherwise provided in the contract the priority of the document forming the contract shall be interpreted in the following order of precedence
				i) Agreement ii) Work Order /Letter of Acceptance iii) Instructions to tenders in 'e' Tendering manual iii) Contractor's Bid iv) Contract Data v) Conditions of contract including Special Condition of Contract. vi) Technical Specifications vii) Corrigendum /Addenda, if any viii) Priced Bill of Quantities
E				Submission of Tenders
	19			Sealing and Marking of Tenders
				This is an 'e' tender hence the tender shall only be filled online. However in case of foreign bidders, the tender documents can be uploaded under the digital signature of their authorized Indian Agent /Distributors subject to authorization letter issued by their principle to submit the tender on their behalf. The notarized copy of authorization letter shall be uploaded in Packet 'A'.
	20			Deadline for submission of Tenders
		20.1		Tenders must be received by the Municipal Commissioner on line not later than the time and date stipulated in the Tender Notice. In the event of the specified date for the submission of Tenders declared a holiday for the Municipal Corporation, the Tenders will be received up to the appointed time on the next working day.

		20.2		The Municipal Commissioner may extend the deadline for submission of Tenders by issuing an amendment in accordance with Clause 8, in which all rights and obligations of the Municipal Commissioner and the Tenderers previously subject to the original deadline will then be subject to the new deadline.
	21			Late Tenders
		21.1		No Tender submission is possible after the deadline prescribed in Clause 20 as system will automatically close the acceptance of tender at Packet "A" & "B" opening date & time
	22			Modification & Withdrawal of Tenders
				No modification or withdrawal of tender is allowed once the tender is submitted & due date & time has passed. In case the contractors come forward with a request to allow them to withdraw from fulfilling their contractual obligations during currency of contract normally such withdrawal is not allowed. However if due to circumstance such withdrawal is allowed, such firms may not be considered for award of work for a period of NEXT THREE YEARS and the Contract Deposit will be forfeited. However, the contractor shall intimate at least three months in advance about such withdrawal to make at least alternate arrangement.
F				Tender Opening & Evaluation
	23			Tender Opening
		23.1		CFO will open the Tenders in the presence of Tenderers or their representatives who choose to attend at the time, date and location stipulated in the Tender Notice. The Tenderers representatives who are present shall sign a register evidencing their attendance.
		23.2		On the Tender opening day only Packet 'A' & 'B' will be opened.
		23.3		The Tenderers' names and of any alternative Tender (if alternatives have been requested or permitted), and such other details as the CFO may consider appropriate, will be announced by the CFO at the time opening.
		23.4		CFO or nominated officer shall prepare the details of the tenderers at the time of Tender opening, including the information disclosed to those present in accordance with Sub-clause 23.3.
		23.5		Packet 'C' of the only eligible and responsive Tenderer(s) shall be opened on the scheduled date and the price and other relevant details shall be read out. Packet C of non-responsive Tenderers shall not be opened.
		23.6		The evaluation of the bid price will be carried out on total price of goods FOR destination inclusive of all taxes and duties in case of local bid.
		23.7		In case of foreign bid and prices are offered in foreign currency on CIF / DAP basis then for the evaluation purpose the exchange rate of that particular currency prevailing on the date of opening of "C" packet will be considered for converting into Indian currency by obtaining the exchange rates from RBI/SBI . In addition to this an amount will be added in lieu of custom duty and Cess(11%), IGST (18%),Banking and clearing charges (3%), to bring the foreign bids at par with local bids. The lowest bid will be decided on this basis
	24			Process to be Confidential
		24.1		Information relating to the examination, clarification, evaluation and comparison of Tenders and recommendations for the award of a contract

			shall not be disclosed to Tenderers or any other persons not officially concerned with such process until the award to the successful Tenderer has been announced. Any effort by a Tenderer to influence the Municipal Commissioner's processing of Tenders or award decisions by way of written representations, e-mails, phone calls or influence may result in the rejection of his Tender.
	24.2		Tender shall be termed to be under consideration from the opening of the tenders, until such time an official announcement of award of the tenders is made. While tenders are under consideration, tenderers and their representatives or other interested parties, are advised to refrain from contacting by any means the Corporations personnel or representatives on matters related to the tenders under Consideration. CFO if necessary will obtain clarification from tenderer by requesting such information from any or all the tenderers either in writing or through personal contact as may be necessary. The tenderer will not be permitted to change the substance of his tender after tenders have been opened. This includes and Post tender Price revision of major modifications. Non compliance with the provision is a cause for disqualification
	25		Clarification of Tenders
	25.1		To assist in the examination, evaluation, and comparison of Tenders, the Municipal Commissioner may, at his discretion, ask any Tenderer for clarification of the Tenderer's Tender, including break up of the prices in the Bill of Quantities. The request for clarification and the response shall be in writing or by e mail, but no change in the price or substance of the Tender shall be sought, offered, or permitted except as required to confirm the correction or arithmetic errors discovered by the Municipal Commissioner in the evaluation of the Tenders in accordance with Clause 27.
	25.2		Subject to sub-clause 25.1, no Tenderer shall contact the Municipal Commissioner on any matter relating to its Tender from the time of the Tender opening to the time of the contract is awarded. If the Tenderer wishes to bring additional information to the notice of Municipal Commissioner, he should do so in writing.
	25.3		Any effort by the Tenderer to influence the Municipal Commissioner in the Municipal Commissioner's Tender evaluation, Tender comparison or contract award decisions may result in the rejection of the Tenderers' Tender.
	26		Examination of Tenders and Determination of Responsiveness
	26.1		Prior to the detailed evaluation of Tenders, the Municipal Commissioner will determine whether each Tender:-
		[a]	meets the eligibility criteria defined in Clause 4;
		[b]	has been properly signed;
		[c]	is accompanied by the required securities ;
		[d]	is responsive to the requirements of the Tendering documents; and

		[e]	provides any clarification and/or substantiation that the Municipal Commissioner may require to determine the responsiveness pursuant to sub clause 26.2.
	26.2		A responsive Tender is one which conforms to all the terms, conditions, and specifications of the Tendering documents, without material deviation or reservation. A material deviation or reservation is one:-
		[a]	which affects in any way, the scope, quality, or performance of the works;
		[b]	which limits in any way, inconsistent with the Tendering documents, the Municipal Commissioner's rights or the Tenderer's obligations under the Contract; or
		[c]	whose rectification would affect unfairly the competitive position of other Tenderer's presenting responsive Tenders.
	26.3		If a Tender is non-responsive, it will be rejected by the Municipal Commissioner, and may not subsequently be made responsive by correction or withdrawal of the non-conforming deviation or reservation.
	26.4		The Municipal Commissioner reserves the right to accept or reject any variation, deviation, or alternative offer. Variations, deviations, and alternative offers and other factors which are in excess of the requirements of the Tendering documents or otherwise result in unsolicited benefits for the Municipal Commissioner shall not be taken into account in Tender evaluation. The Corporation also reserves right of splitting the Tender amongst two or more Tenderers, where the Bill of Quantities are distinctly separate as different parts of the same Contract.
27			Correction of Errors
	27.1		Tenders determined to be responsive will be checked by the Municipal Commissioner for any arithmetic errors. Errors will be corrected by the Municipal Commissioner as follows:
		[a]	Where there is a discrepancy between the amounts in figures and in words, the amount in words will govern.
		[b]	Where there is a discrepancy between the unit rate and the line item total resulting from multiplying the unit rate by the quantity, the unit rate as quoted will govern, unless in the opinion of the Municipal Commissioner, there is an obviously gross misplacement of the decimal point in the unit rate, in which case the line item total as quoted will govern and the unit rates will be corrected.
	27.2		The amount stated in the Tender will be adjusted by the Municipal Commissioner in accordance with the above procedure for the correction of errors and, with the concurrence of the Tenderer, shall be considered as binding upon the Tenderer. If the Tenderer does not accept the corrected amount, the Tender will be rejected, and the E.M.D. may be forfeited in accordance with Sub-Clause 14.5 (b).
G			Award of Contract
	28		Award of Contract

		28.1		Subject to Clause 30, the Municipal Commissioner will award the Contract to the Tenderer whose Tender has been determined to be responsive to the Tendering documents and who has offered the lowest evaluated Tender price for Turn Table Ladder.
	29			Accept or Reject the Tender
		29.1		The Municipal Commissioner reserves the right to accept or reject any tender without giving any reason.
		29.2		Notwithstanding Clause 28, the Municipal Commissioner reserves the right to accept or reject any Tender, and to cancel the Tendering process and reject all Tenders, at any time prior to the award of Contract, without thereby incurring any liability to the affected Tenderer or Tenderers or any obligation to inform the affected Tenderer or Tenderers of the grounds for the Municipal Commissioner's action.
	30			Notification of Award
		30.1		The Tenderer whose Tender has been accepted will be notified of the award by the Municipal Commissioner prior to expiration of the Tender validity period by cable, telex, email or facsimile confirmed by registered letter. This letter (hereinafter and in the Conditions of Contract called the "Letter of Acceptance") will state the sum that the Municipal Commissioner will pay the Contractor in consideration of the execution, completion of the works and the remedying of any defects therein by the contractor as prescribed by the Contract (hereinafter and in the Contract called "the Contract Price").
		30.2		The notification of award will constitute the formation of the Contract, subject only to the furnishing of a Contract Deposit in accordance with the provisions of Clause 32.
		30.3		Upon the furnishing by the successful Tenderer of the Contract Deposit pursuant to clause 32, the Municipal Commissioner will promptly notify the other Tenderers that their Tenders have been unsuccessful.
		30.4		If, after notification of award, a Tenderer wishes to ascertain the ground on which his Tender was not selected, he should address his request to the Municipal Commissioner. The Municipal Commissioner will promptly respond in writing to the unsuccessful Tenderer.
	31			Signing of Agreement
		31.1		At the same time that the Municipal Commissioner notifies the successful Tenderer that his Tender has been accepted, the Municipal Commissioner will send the Tenderer the agreement in the form provided in the Tendering documents, incorporating all agreement between the parties.
		31.2		Within 15 days of receipt of agreement, the successful Tenderer will pay the requisite legal & stationery charges, sign the Agreement and deliver it to the Chief Fire Officer, together with the required Contract Deposit.
		31.3		Upon fulfillment of sub clause 31.2, the Municipal Commissioner/Chief Fire Officer will promptly notify the other Tenderers that their Tenders have been unsuccessful and their E.M.D. will be returned as promptly as possible, in accordance with clause no.14.

32			Contract Deposit
	32.1		Within 30 days of receipt of the Letter of Acceptance, the successful Tenderer shall deliver to the Municipal Commissioner a Contract Deposit of 5 % of total contract cost in the form stipulated in the Tender Notice and the conditions of contract. The format for Contract Deposit provided in section 9 of the tender document shall be used.
	32.2		If the Contract Deposit is provided by the successful Tenderer in the form of a Bank Guarantee, it shall be issued either (a) at the Tenderer's option, by a Nationalized/Scheduled Indian Bank or (b) by a foreign bank located in India and acceptable to the Municipal Commissioner as listed under Section 3. Such guarantees shall be enforceable within jurisdiction of competent courts in Mumbai.
	32.3		Failure of the successful Tenderer to comply with the requirements of Sub Clause 32.1 shall constitute sufficient grounds for cancellation of the award and forfeiture of the E.M.D., and any such other remedy the Municipal Commissioner may take under the Contract, and the Municipal Commissioner may resort to awarding the contract to the next ranked Tenderer.
33			Corrupt or Fraudulent Practices
			The M.C.G.M. requires that Tenderers/Suppliers/Contractors under contracts, observe the highest standard of ethics during the procurement and execution of such contracts. In pursuance of this policy, M.C.G.M.
		[a]	defines, for the purposes of this provision, the terms set forth below as follows :
		i	"corrupt practice" means the offering, giving, receiving or soliciting of any thing of value to influence the action of a public official in the procurement process or in contract execution; and
		ii	"fraudulent practice" means a misrepresentation of facts in order to influence a procurement process or the execution of a contract to the detriment of the Municipal Commissioner, and includes collusive practice among Tenderers (prior to or after Tender submission) designed to establish Tender prices at artificial non-competitive levels and to deprive the Municipal Commissioner of the benefits of free and open competition.
		[b]	will reject a proposal for award if it determines that the Tenderer recommended for award has engaged in corrupt or fraudulent practices in competing for the contract in question. will declare a firm ineligible, either indefinitely or for a stated period of time, to be awarded a contract if it any time determines that the firm has engaged in corrupt or fraudulent practices in competing for, or in executing, a contract.
34			Stamp Duty, Legal Charges & Stationery Charges
			The successful tenderer(s) shall pay stamp duty on the contract and legal charges for preparation of the contract agreement
Contract Value (in Rs.)			Legal Charges and

				Stationery Charges (in Rs.)	
Upto 50,000				NIL	
50,001	To	3,00,000	610.00		
3,00,001	To	20,00,000	1020.00		
20,00,001	To	1,00,00,000	3930.00		
1,00,00,001	To	ABOVE	9770.00 (Maximum)		
			This can change and the successful tenderer shall have to pay the applicable legal charges at the time of award of contract. The Stamp Duty payable on the Contract Value shall also be paid to Government at actuals and as per the provisions of "Stamp Duty Act 1958" (amended till date). The present rate of stamp duty is as follows.		
	Sr. No.	Amount (Rs)		Stamp duty (Rs)	
	1	Where the amount or value set forth in such contract does not exceed Rs. Ten Lacs		Five Hundred Rs. Stamp duty.	
	2	Where it exceeds Rs. Ten Lacs		Five hundred Rs. Plus 0.1% of the amount above Rs. Ten lacs subject to the Max. of Rs. Twenty Five lacs only.	
	3	Stamp duty on Bank guaranty		As per article 54 read with 40(b) of stamp duty act, stamp duty of 0.5% will be applicable to the all bank guarantee submitted also which are required to be renewed after expiry of time period.	
	35		Stationery Charges		
			The successful tenderer(s) shall pay the Stationery Charges mentioned above for preparation of documents for contract execution.		
	36		TENDERING UNDER DIFFERENT NAMES :		
		[a]	Firms with common proprietor/partner or connected with one another either financially or as principal and agent or as master and servant or with proprietor/partners closely related to each as husband, wife, father, mother and minor son/daughter and brother/sister and minor brother/sister, shall not tender separately under different names for the same Contract.		
		[b]	If it is found that firms as described in (a) have tendered separately Under different names for the same Contract, all such tender(s) shall stand rejected and tender deposit of each such firm /establishment		

				shall be forfeited. In addition such firms /establishments shall be liable, at the direction of the Municipal Commissioner, for further penal action including blacklisting.
			[c]	If it is found that clearly related persons as in (a) have submitted separate tender/quotations under different names of firms / establishments but with common address for each establishment/firm, though they have different addresses, are managed or governed by the same person/persons jointly or severally, such tenders shall be liable for action as in para (b) above including Similar action against the firms/establishments concerned. If after the Award of Contract, it is found that the accepted tender violated any of the conditions in paras (a), (b) or (c) above, the contract shall be liable for cancellation at any time during its currency in addition to penal action against the contractors as well as related firms / establishments.
	37			Jurisdiction of Courts
				In case of any claim, dispute or difference arising in respect of the contract, the cause of action thereof shall be deemed to have arisen in Mumbai and all legal proceedings in respect of any such claim, dispute or difference shall be instituted in a competent court in the city of Mumbai only.
	38			Import License
				The tenderer shall have to make their own arrangements to secure import license and/or release of controlled or scarce raw materials or parts if required by them for fulfillment of their contract. The Municipal Commissioner shall not be bound to give any assistance to the tenderer in that behalf.
	39			Delays in the Supplier's performance:
		39.1		Delivery of the goods and performance of Services shall be made by the Supplier in accordance with the time schedule specified by the Purchaser in its schedule of Requirements.
		39.2		An unexpected delay by the Supplier in the performance of its delivery obligations shall render the Supplier liable to any or all of the following actions, forfeiture of its performance security, imposition of liquidated damages, and/ or termination of the Contract for default.
		39.3		It at any time during performance of the Contract, the Supplier or its subcontractor (s) should encounter conditions impeding timely delivery of the goods and performance of services, the Supplier shall promptly notify the Purchaser in writing of the fact of the delay its likely duration and its cause (s). As soon as practicable after receipt of the Supplier's notice, the Purchaser shall evaluate the situation and may at its discretion extend the supplier's time for performance, in which case the extension shall be Ratified by the parties by amendment of the contract.
		39.4		LIQUIDATED DAMAGES:
			a	If the Supplier fails to supply any or all of the goods or perform the services within the time period (s) specified in the contract, the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the

				contract price as liquidated damages, a sum equivalent to half percent of the delivered price of the delayed goods or unperformed services for each week of delay until actual delivery or performance, upto a maximum deduction of 10% of the delayed goods or services contract price. Once the maximum is reached the Purchaser may consider termination of the contract.
			b	If the supplier fails to perform services during CSMC period in stipulated time period then the Purchaser shall, without prejudice to its other remedies under the Contract, deduct from the contract price as liquidated damages, a sum Rs. 2000/- per day per vehicle till the service is performed to the satisfaction of purchaser. If the delay is beyond 30 days the action such as black listing of the supplier will be initiated.
	40			RISK AND COST:
			40.1	In case the successful bidder fails to deliver the quantity as stipulated in the delivery schedule, the Commissioner reserves right to procure same or similar material from alternate sources at risk, cost and responsibility of successful bidder.
			40.2	If it is observed that the Contractors carrying out the work fail to comply with instructions given by the authorities at the Additional Municipal Commissioners / Municipal Commissioner's level during execution of work twice, the work will be terminated and will be carried out at the risk and cost of the contract & penal action will be taken against them. This decision will not be arbitrable at all.
			40.3	The above condition will be in addition to the relevant condition in General Conditions of Contract regarding cancellation of full or part of the work, finality of the decision of the disputes, differences or claims raised by the contractors relating to any matter arising out of the contract.
	41			VENDOR REGISTRATION :
				It is compulsory for the Indian contractor to get themselves registered with MCGM as a vendor by payment of appropriate fees & following due procedure for enabling payment through Real Time Gross Settlement RTGS/NEFT. It is mandatory for the contractors to open Bank Account in the State Bank of India for easy and quick payments. All payments under contract will be made only on this Bank Account through ECS.

SECTION 4
GENERAL CONDITIONS OF THE CONTRACT

A.			GENERAL OBLIGATIONS
	1.		Works to be carried out
			The works to be carried out under this contract shall except or otherwise provided in these conditions include all labour, materials, tools, plant, equipment and transport which may be required for preparation of and for the full and entire execution and completion of the works. The description given in the schedule of works / items/quantities and the bills of quantities shall unless otherwise stated be held to in and for the entire execution and completion as aforesaid in accordance with good practice and recognised principles.
	2.		Contract Deposit
			The contractor shall furnish Banker's Guarantee's in lieu of contract deposit i.e. Banker's guarantee equal to 5 per cent of contract sum as security deposit for due fulfillment of contract and certification of the final bill; which will remain with the Corporation till currency of the work or expiry of warranty period or CSMC period whichever is later. The deposit shall be either by way of DD or Pay Order/ Cash or Bank Guarantee with special adhesive stamp of 0.5 % of security deposit amount issued on behalf of the contractors by the banks from the approved list of the Municipal Corporation, provided the banker's guarantee is renewed as required and / or directed from time to time so as to cover the entire period of contract including the extended period, till physical completion of the work and certification of the final bill and completion of warranty period or CSMC period whichever is later .
	3.		Sufficiency of the tender
			The contractor shall be deemed to have satisfied himself before tendering or to the correctness and sufficiency of his tender for the works and of the rates and prices quoted in schedule of works / items / quantities or in bill of quantities, which rate and prices shall, except or otherwise provided, cover all his obligations under the contract and all matters and things necessary for proper completion and maintenance of the works. No extra charges consequent. On any misunderstanding or otherwise shall be allowed.
	4.		Contractor's supervision
			The contractor shall himself supervise the execution of works or shall appoint a competent Supervisor approved by the Corporation to act in his stead. Orders given to the contractor's Supervisor shall be considered to have the same force as if these had been given to the contractor himself.
	5.		Safety provisions
			The contractor shall at his own expenses arrange for the safety precautions or required by the Corporation, in respect of all

			labour directly or indirectly employed for performance of the works and shall provide all facilities in connection therewith. In case the contractor fails to provide such facilities, the Corporation shall be entitled to do so and recover the costs thereof from the contractor. The tenderer shall note that MUNICIPAL COMMISSIONER OF GREATER MUMBAI shall not be responsible for any mishap or accident to workmen of the contractor or MUNICIPAL CORPORATION OF GREATER MUMBAI's employee working at site, while performing these jobs and no compensation shall be payable by MUNICIPAL CORPORATION OF GREATER MUMBAI In case of mishap or accident, the amount of compensation decided by the concerned authorities will be kept in deposit from contractor's bills. The successful tenderer shall take all the precautions to avoid any damages to municipal property while working. If any damage is noticed, the charges for setting right the same will be recovered from their bills.
6.			Contractor's other liabilities
			The contractor shall indemnify & keep indemnified the MCGM against all losses and claims for injuries or damage to any person or property whatsoever which may arise out of or in consequence of the execution of the work and against all claims, demands, proceedings, damages, costs, charges and expenses whatsoever respect of or in relation thereto.
7.			Details to be Confidential
			The Contractor shall treat the details of the Contract as private and confidential, save in so far as may be necessary for the purpose thereof, & shall not publish for disclose the same or any particulars thereof in any trade or technical paper or elsewhere without the previous consent in writing of the Department or the CFO. If any disputes arises as to the necessity of any publication or disclosure for the purpose of the contract the same shall referred to the Department whose determination shall be final.
8.			Order of Precedence
			The document forming the contract shall be interpreted in the following order of precedence
		8.1	Agreement
		8.2	Work Order /Letter of Acceptance
		8.3	Contractor's Bid
		8.4	Contract Data
		8.5	Conditions of contract including Special Condition of Contract.
		8.6	Technical Specifications
		8.7	Corrigendum /Addenda, if any
		8.8	Priced Bill of Quantities
		8.9	Annexures.
9.			Past Litigations

				The bidder shall submit details of all past litigations in the contracts he has executed before with Government / Semi-Government Organizations / Public Sector Undertakings, etc. If the same is not disclosed in the tender and subsequently the Corporation comes to know about past litigations of the tenderer, the tender of such tenderers shall be out rightly rejected.
	10			Maintenance and Defects
		10.1		Defects liability period
				The Contractor shall be responsible to make good and remedy at his own expense within such period as may be stipulated by the CFO and defects which may develop or may be noticed before the expiry of the period mentioned from certified date of completion and intimation of which has been sent to the Contractor within seven days of expiry of the said period by letter sent by hand delivery or by registered post or e mail.
		10.2		Liability for defects or imperfections and rectifications thereof
				If it shall appear to the CFO or to his representative at any time during inspection or testing or during the defects liability period, that any work that has been executed with unsound, imperfect or unskillful workmanship or that any material or article provided by the Contractor for execution of the work is unsound or of a quality inferior to that contracted for, or otherwise, not in accordance with in contract, or that any defect, shrinkage or other faults have appeared in the work arising out of defective or improper materials or workmanship, the Contractor shall, upon receipt of notice in writing in that behalf from the CFO forthwith rectify or remove or replace the work so specified in whole or part, as the case may require, or as the case may be, and/or remove the materials or articles so as specified and provide other proper and suitable materials or articles at his own expense notwithstanding that the same may have been inadvertently passed, certified and paid for, and in the event of his failing to do so within the period to be specified by the CFO in his notice aforesaid the CFO may rectify or remove and re-execute the work and/or remove and replace with others the materials or articles complained of, as the case may be, by other means at the risk and cost of the Contractor.
		10.3		Liability for damages and risks
				The Contractor shall be responsible for all risks to the work and shall make good at his own cost, all loss or damage, whether to the works themselves or to any other Municipal property, or third party or to the lives, persons, or property of others, from whatsoever cause, arising out of, or in connection with the works, either during their progress or during the defects liability period, and this although all reasonable and proper precautions may have been taken by the Contractor, and in case the Commissioner or the Corporation shall be called upon to make

			good any such costs, loss or damages, or to pay compensation (including that payable under the provisions of Workmen's Compensation Act) to any person or persons sustaining damage as aforesaid by reason of any act or of any negligence or omissions on the part of the Contractor, the amount which the Commissioner may pay in respect thereof and the amount of any costs or charges(including law costs and charges) in connection with legal proceedings which he may incur in reference thereto, shall be charged to the Contractor. The Commissioner shall have full power and right at his own discretion to pay or to defend or compromise any claim which may be made against the Corporation for damage or in case of threatened legal proceedings, or in anticipation of legal proceedings being instituted, consequent on the action or default of the Contractor, to take such steps as he may consider necessary or desirable to ward off or mitigate the effect of such proceedings charging to the Contractor, as aforesaid, any sum or sums of money which he may pay and any expenses, whether for reinstatement or otherwise which he may incur and the propriety of any payment, defense or compromise, or of the incurrence of any such expense shall not be called in question by the Contractor. The Contractor shall be held responsible for any obligations, damages and fines etc. arising out of or in connection with the works either during their progress or during the defects liability period and shall indemnify the MUNICIPAL CORPORATION or the Commissioner against them and make good any such damages, fines and dues arising out of non compliance of any regulation by the Contractor which may develop on the Corporation or the Commissioner.
	11		Certificates and Payments
		11.1	No interest for delayed payments due to disputes etc.
			It is agreed that the MUNICIPAL CORPORATION OF GREATER MUMBAI or it's CFO or offices shall not be liable to pay any interest or damage with respect to any moneys or balance which may be in it's or its CFO's or officers' hands owing to dispute or difference or claim or misunderstanding between the MUNICIPAL CORPORATION OF GREATER MUMBAI or it's CFO or offices on one hand and the Contractor on the other, or with respect to any delay on the part of the MUNICIPAL CORPORATION OF GREATER MUMBAI or it's CFO or officers in making periodical or final payments or in any other respect whatsoever. It is distinctly understood and agreed between the parties hereto that payment for work already executed by the Contractor is not a condition precedent under this contract for the execution of the remaining work.
		11.2	Receipts to be signed in firm's name by any one of the partners
			Every receipt for money which becomes payable or for any security which may become transferable to the Contractor under these

			present shall, if signed in the partnership name by any one of the partners, be a good and sufficient discharge to the Commissioner and Municipal Corporation in respect of the money or security purporting to be acknowledged thereby, and in the event of death of any of the partners during the pendency of the contract, it is hereby expressly agreed that every receipt by any one of the surviving partners shall, if so signed as aforesaid, be good and sufficient discharge on aforesaid provide that nothing in this clause contained shall be deemed to prejudice or effect any claim which the Commissioner or the Corporation may hereafter have against the legal representative of any partners so dying or in respect of any breach of any of the conditions thereof, provided also that nothing in this clause contained shall be deemed to prejudice or affect the respective rights or obligations of the Contractor and of the legal representative of any deceased Contractors interest.
		11.3	Overpayment and underpayment
			Whenever any claim for the payment of a sum to the Municipal Corporation arises of or under this contract against the contractor the same may be deducted by the MUNICIPAL CORPORATION from any sum then due or which at any time thereafter may become due to the Contractor under this contract and failing that under any contract with the MUNICIPAL CORPORATION or from any other sum due to the Contractor from the MUNICIPAL CORPORATION (which maybe available with the MUNICIPAL CORPORATION) or from his security deposit/retention money or he shall pay the claim on demand. The MUNICIPAL CORPORATION reserves the right to carry out post payment audit and technical examination of the final bill including all supporting voucher, abstracts etc. The MUNICIPAL CORPORATION furthers reserves the right to enforce recovery of any overpayment when detected. If as a result of such audit and technical examination any overpayment is discovered in respect of any work done by the contractor or alleged to have been done by him under the contract, it shall be recovered by the MUNICIPAL CORPORATION from the contractor by any or all the methods prescribed above or if any underpayment is discovered the amount shall be duly paid to the contractor by the MUNICIPAL CORPORATION. The aforesaid right of the MUNICIPAL CORPORATION to adjust overpayment against amount due to the contractor under any other contract with the MUNICIPAL CORPORATION shall not be binding for any period from the date of payment of the final bill or in case the final is a " Minus " bill, from the date of the amount payable by the contractor under the "minus" bill is communicated to the contractor. Any amount due to the contractor under this contract for underpayment may be adjusted against any amount then due or which may be at any

				time thereafter become due before payment is made to the contractor, from him to MUNICIPAL CORPORATION on any other contract or account whatsoever.
		11.4		Payment of final bill
				The method and conditions of payment to be made to the Supplier Under Contract are specified hereunder.
			11.4.1	The Supplier's request(s) for payment shall be made to the Purchaser in writing, accompanied by an invoice describing, as appropriate, the Goods delivered and services performed, and by shipping documents, submitted, and upon fulfillment of other obligations stipulated in the contract.
			11.4.2	Payments shall be made promptly within thirty (30) days of submission of an invoice/claim by the Supplier in case of local supplier and by L.C. in case of foreign supplier.
			11.4.3	Payment will be made in the currency or currencies in which the Contract price has been stated in the Supplier's bid as well as in other currencies in which the Supplier had indicated in its bid that it intends to incur expenditures in the performance of the Contract and wishes to be paid.
		11.5		TERMS OF PAYMENT
				The terms of payment both for Foreign and domestic are as follows. The documents to be submitted in the two cases are as enumerated below :
			11.5.1	Foreign Supply
			i	Eighty (80) percent of the Contract price shall be paid on presentation of:
				a) A copy of the bill of lading and Insurance policy;
				b) The Contractor's detail invoice.
				c) A detail packing list:
				d) A certificate of origin.
				e) Inspection report duly signed by the CFO or nominated agency.
			ii	Balance 20% payment will be made after commissioning and training vehicle at Fire Brigade H.Q. Byculla, India.
			iii	The payments will be made in the currency of the tender as defined in the instruction to Tenders.
				Method: Payment by the Purchaser will be made by opening an irrevocable letter of credit through the Bank in Mumbai in favour of the Contractor for 100% value and will be paid 80% and 20%.
			iv	The payment towards CSMC will be paid quarterly upon satisfactory completion of service. The payment towards CSMC cost will be paid in Indian Rupees to authorized Indian Agent/Dealer of vehicle manufacturer. The cost offered in foreign currency for CSMC will be calculated on the basis of foreign exchange rate prevailing on the date of opening of price bid (Packet 'C') and it will be fixed throughout the CSMC contract period of five years. Any fluctuation in foreign currency rate will be to the account of bidder. The bidder has to offer the cost in foreign currency on annual basis.

		11.5.2	Domestic Supply:	
		i	Eighty (80) percent of the Contract price shall be paid on presentation of evidence of dispatch and on presentation of Contractor's detail invoice, packing list and inspection report issued by the nominated officer/agency and balance 20% will be paid after commissioning of vehicle at Fire Brigade H.Q., Byculla, India and completion of training.

		11.5.3	The Contractor shall submit the final bill within 15 days from the date of completion of work. If the contractor fails to submit their bills within 15 days from the date of completion of work penalty or action shown below will be taken for each delayed bill.	
			11.5.3.1 After 15 days from the date of completion/running bill upto certain date upto next 15 days i.e. upto 30 days	Equal to 5% of Bill amount
			11.5.3.2 Next 15 days upto 45 days from the date of completion Running bill upto specified date.	Equal to 10% of bill amount
			11.5.3.3 If not submitted within 45 days from the date of Completion / running	Bill will not be admitted for payment
12			REMEDIES AND POWER	
	12.1		Cancellation of contract in full or in part	
		a	If the Contractor at any time makes default in proceeding with the work with due diligence and continues to do so after notice in writing of fourteen days from the CFO; or	
		b	Commits default in complying with any of the terms and conditions of contract and does not remedy it within fourteen days after a notice in writing is given to him in that behalf by the CFO, or	
		c	Fails to complete the works or items with individual dates completion, on or before the date(s) of completion and does not complete them within the period specified in a notice given in writing in that behalf by the CFO, or	
		d	Shall offer or give or agree to give to any person in MUNICIPAL CORPORATION service or to any person on his behalf any gift or consideration of any kind as an inducement or reward for doing or forbearing to do or for having done or forborne to any other contract for the MUNICIPAL CORPORATION, or	
		e	Shall obtain a contract with the MUNICIPAL CORPORATION as a result of ring tendering or other non bonafide methods of competitive tendering; or	
		f	Being an individual or a firm, any partner thereof, shall at any time be adjudged insolvent or have a receiving order or order for administration of his estate made against him or shall take any proceedings for liquidation or composition (other than voluntary	

				liquidation for the purpose of amalgamation or reconstruction) under any Insolvency Act for the time being in force or make any conveyance of assignment of his effects or composition or arrangement for the benefit of his creditors or purport so to do, or if any application be made under any insolvency Act for the tile being in force for the sequestration of his estate or if a trust deed be executed by him for his creditors; or
			g	Being a company, shall pass a resolution or the court shall make an order for the liquidation of his affairs, or a receiver or a manager on behalf of the debenture holders shall be appointed or circumstances shall arise which entitle the court of debenture holders to appoint a receiver or a Manager, or
			h	Shall suffer an execution being levied on his goods and allow it to be continued for a period of 21 days, or
			i	Assigns, transfers, sublets (engagement of labour on a piece work basis or labour with materials not to be incorporated in the work, shall not be deemed to be subletting) or attempts to assign, transfer or sublet, the entire works or any portion thereof without the prior written approval of the Commissioner; the Commissioner may without prejudice to any other right or remedy which shall have accrued or shall accrue thereafter to the MUNICIPAL CORPORATION by written notice cancel the contract as a whole or only such items of work in default from the contract.
		12.2		The Commissioner shall on such cancellation have powers to
			12.2.1	Take possession of site and any materials, constructional plant, implements, stores, etc., thereon and/or
			12.2.2	Carry out the work by any means at the risk and cost of the contractor. On cancellation of the contract in full or in part the CFO shall determine what amount, if any, is recoverable from the contractor for completion of works or in case the works or part of works is not completed, the loss or damage suffered by the MUNICIPAL CORPORATION, in determining the amount, credit shall be given to the contractor for the value of the work executed by him upto the time of cancellation.
			12.2.3	Any excess expenditure incurred or to be incurred by the MUNICIPAL CORPORATION in completing the works or part of the works or excess loss or damages suffered or may be suffered by the MUNICIPAL CORPORATION as aforesaid after allowing such credit shall be recovered from any money due to the Contractor on any account and if such moneys are not sufficient the Contractor shall be called upon in writing to pay the same within thirty days. If the Contractor shall fail to pay the required sum within the aforesaid period of thirty days, the CFO shall have right to sell any or all of the Contractor's unused materials, constructional plant, implements, temporary buildings etc. And apply the proceeds of sale thereof

			towards the satisfaction of any sums due from the Contractor under the contract, and if thereafter there be any balance outstanding from the Contractor it shall be recovered in accordance with provision of the contract.
		12.2.4	Any sums in excess of the amounts due to the MUNICIPAL CORPORATION and unsold materials, constructional plant etc. shall be returned to the Contractor, provided always that if cost or anticipated cost of completion by the MUNICIPAL CORPORATION of the works or part of the works is less than the amount of which the Contractor would have been paid had he completed the works or part of the works, such benefit shall not accrue to the Contractor.
		12.2.5	Without prejudice to the generality of the foregoing, the Contractor shall deposit the amount, as contract deposit shall be absolutely forfeited to the MUNICIPAL CORPORATION for such failure, or breach or determination of contract.
		13	Termination of contract for death
			If the Contractor is an individual or proprietary concern and the individual or the proprietor dies and if the Contractor is a partnership concern and one of the partners dies then unless the Commissioner is satisfied that legal representative of the individual Contractor or the proprietor of the proprietary concern and in case of partnership, the surviving partner, are capable of carrying out and completing the contract, the Commissioner shall be entitled to cancel the contract as to its uncompleted part without the Corporation being in any way liable to payment of any compensation to the estate of the deceased contractor and / or to the surviving partners of the Contractor's firm on account of the cancellation of the contract. The decision of the Commissioner that the legal representative of the deceased Contractor or surviving partners of the Contractor's firm can not carry out and complete the contract shall be final and binding on the parties. In the event of such cancellation the Commissioner shall not hold estate of the deceased Contractor and / or the surviving partners of the Contractor's firm liable in damages for not completing the contract.
		14	Urgent works
			If any urgent work (in respect whereof the decision of the CFO shall be final and binding) becomes necessary and the Contractor is unable or unwilling at once to carry it out, the CFO may by his own or other work peoples carry it out as he may consider necessary. If the urgent work shall be such as the Contractor is liable under the contract to carry out at his expense all expense incurred on it by the Corporation shall be recoverable from the contractor and be adjusted or set off against any sum payable to him.
		15	Force Majeure

		15.1	Notwithstanding the provisions of above the supplier shall not be liable for forfeiture of its Contract Deposit, liquidated damages or termination or other failure to perform its obligations under the contract is result of an event of force Majeure.
		15.2	For purposes of this clause, "Force Majeure" means an event beyond the control of the Supplier and not involving the Supplier's fault or negligence and not foreseeable. Such events may include, but are not restricted to, acts of the Purchaser either in its sovereign or contractual capacity, wars or revolutions, fires, floods, epidemics, quarantine restrictions and freight embargoes.
		15.3	If a force Majeure situation arises, the Supplier shall promptly notify the Purchaser in writing of such condition and the cause thereof. Unless otherwise directed by the Purchaser in writing , supplier shall continue to perform its obligations under the contract as far as is reasonably practical, and shall seek all reasonable alternative means for performance not prevented by the Force Majeure event.
16			FORECLOSURE
	16.1		Foreclosure of contract in full or in part
			If at any time after acceptance of the tender the Commissioner shall decide to abandon or reduce the scope of the works for any reasons whatsoever and hence not require the whole or any parts of the works to be carried out, he shall inform the Contractor in writing to that effect and the Contractor shall have no claim to any payment or compensation or otherwise whatsoever, on account of any profit or advantage which he might have derived from the execution of the works in full but which he did not derive in consequence of the foreclosure of the whole or part of the works.
			The Contractor shall be paid at the contract rates full amount of works executed.
17			SETTLEMENT OF DISPUTES
	17.1		Finality of decision and non-arbitrability.
			If any dispute, difference or claim arises by either party to any matter arising out of the contract, the aggrieved party may refer such dispute within a period of 7 days to the concerned Additional Municipal commissioner, who shall constitute a committee comprising of three officers i.e. concerned JT.M.C (dm), Chief Fire Officer and concerned Chief Accountant. The committee shall give its decision within 60 days.
			Appeal from the order of the committee may be referred to Municipal Commissioner within 7 days. Thereafter the Municipal Commissioner shall constitute the committee comprising of three Addl. Municipal Commissioners including Addl. Municipal Commissioner In-charge of finance department. The decision given by this committee shall be final and binding upon the parties.
	17.2		Income Tax

				The Contractor shall pay Indian Income Tax on all payments made to him under the contract, other than reimbursements made to him by the Corporation to cover payments by Contractor of minor customs dues etc., or any other payment which the Contractor may make on the Corporation's behalf. Under the provisions of section 194 -C of the Indian Income Tax Act, the Corporation is required to deduct tax at source and under present legislation will deduct as tax 2 % of the gross amount of each bill submitted. Any ex-patriate site staff or staff not normally resident of India, employed by the Contractor or shall pay personal Income Tax on all money earned and paid in India.
	18			Patent rights and royalties
				The contractor shall indemnify the corporation from all claims and proceedings for or on account of infringement of any patent rights, design trademark or material used for or in connection with the work of any of them and from and against all claims, proceedings, damage, costs, charges and expenses whatsoever, in respect of or in relation thereto.
	19			Contractor's other liabilities and insurance:
			19.1	From commencement to the completion of the works, the contractor shall take full responsibility for the carethere of and for taking precautions to prevent loss or damage and to minimize the loss or damage to the greatest extent possible and shall be liable for any damage or loss that may happen to the works or any part thereof and all Municipal tools and plants from any cause whatsoever (Save and except Excepted Risk) and shall at his own cost repair and make good the same so that at the time of completion of works, all Municipal Tools , Plants and Machinery shall be in good order and condition and in conformity in every respect to the requirements of the contract and as per the instructions of the CFO.
			19.2	In the event of any loss or damage to the works or any part thereof or to any tool and plant or to any material or article at the site from any of the excepted risk, the following provisions shall have effect :
			19.3	The contractor shall, as may be directed in writing by the CFO remove from the site any material and so such of the works as shall have been damaged, taking to the Municipal Store such multiple tools and plants articles and / or on materials as may be directed.
			19.4	The contractor shall, as may be directed in writing by the CFO, proceed with the erection and completion of the works in accordance with the provisions and conditions of the contract.
			19.5	There will be added to the contract sum, the new amount duly ascertained in the same manner as per deviations or as prescribed for payment in respect of the re-execution of the works lost or damaged, the replacement of any tools and plants and of any materials and articles lost or damaged but not incorporated in the works on the day when the loss or damage occurred and removed, by the Contractor as provided above

				of Municipal tools and plants, articles and / or materials to the Municipal Stores and damaged works referred to therein.
			19.6	Before commencing execution of the work the Contractor shall, without in any way limiting his obligations and responsibilities under this condition, insure against any damage, loss, injury which may occur to any property (Private, Government and / or Municipal) or to any Person (including any employee of the Municipal Corporation) by or arising out of the contract.
			19.7	If required by the CFO the Contractor shall, without limiting the obligations and responsibilities under this condition, insure the work (from commencement to completion), the Municipal tools and plants hired by the contractor and all materials at site at their full value against the risk of loss or damage, from whatever cause arising, other than that of the Excepted Risks.
			19.8	Where Municipal machineries, building or part thereof, is rented by the Contractor or is allowed to be used by him, he shall insure the entire building if the building or any part thereof is used by him for the purpose of storing or using materials or combustible nature, as to which, the decision of the CFO shall be final and binding.
			19.9	The Contractor shall indemnify and keep indemnified the Municipal Corporation against all losses and claims for injuries or damage to any person or property whatsoever which may arise out of or in consequence of the construction and maintenance of the work and against all claims, demands, proceedings, damages, costs, charges and expenses whatsoever in respect of or in relation thereto.
			19.10	Provided always that nothing herein contained shall be deemed to render the Contractor liable for or in respect of or to indemnify the Municipal Corporation against any compensation or damage causes by the Excepted Risks.
	20			MATERIAL AND WORKMANSHIP
		20.1		Inspection and approval
			20.1.1	All works embracing more than one process shall be subject to examination & approval at each stage thereof & the tenderer shall give due notice to the Corporation when each is ready. Default of such notice the Corporation shall be entitled to appraise the quality & extent thereof. No work shall be covered up or put out of view without the approval of the Corporation & the tenderer shall afford full opportunity or examination & measurement of any work which is about to be covered up or out of view & for examination of foundation before permanent work is placed thereon.
			20.1.2	The tenderer shall give due notice to the CFO or his authorized representative whenever any such work of foundation is ready for examination & the CFO or his authorized representative shall without unreasonable delay unless he consider it necessary & inform the tenderer in writing accordingly attend for the purpose of examining & measuring such works. In the event of failure of the tenderer to give such

				notice he shall if required by the CFO or his authorized representative uncover such works at the tenderer's expense.
			20.1.3	Departmental officers concerned with the works shall have powers at any time to inspect & examine any part of the works & the tenderer shall give such facilities as may be required for such inspection & examination.
		20.2		Materials
			20.2.1	The tenderer shall at his cost provide all materials required for the works. All materials to be provided by the tenderer shall conform with the specifications laid down in the tender. The successful tenderer shall, if requested by, the CFO or his authorized representative furnish proof to the satisfaction of the CFO or his authorized representative that the materials so comply. The materials used for fabrication like welding rods, plants & angles shall be of best quality & shall be used after prior consult of the site CFO.
			20.2.2	The tenderer shall at his expense and without delay supply to the CFO or his authorized representative samples of materials propose to be used in the work. The Corporation shall within seven-days of supply of samples or within such further period as he may require and intimated to the tenderer in writing inform the tenderer whether the samples are approved by him or not. If the samples are approved the tenderer shall forthwith arrange to supply to the CFO of his authorized representative for approval fresh samples complying with the specifications laid down in the contract.
			20.2.3	All charges on account of octroi, terminal or Sales tax and other duties on material obtained for the works from any source shall be borne by the tenderer.
			20.2.4	The CFO or his authorized representative shall be entitled to have tests carried out for any material supplied by the tenderer other than those for which as stated above, satisfactory proof has already been produced, at the cost of the tenderer and the tenderer shall provide at his expense all facilities which the Corporation may required for this purpose.
			20.2.5	If no tests are specified in the Contract and the Corporation requires such tests, the tenderer shall provide all facilities required for the purpose and the charges for these tests shall be borne by the tenderer only if the tests disclose that the said materials are not in accordance with the provision of the contract.
			20.2.6	The cost of the material consumed in tests shall borne by the tenderer in all cases except when otherwise provided.

19			In case of any dispute, the decision of Municipal Commissioner shall be taken as final.
20			The Tender copy shall be submitted along with the tender submittal duly signed on each page as a token of acceptance of the terms and conditions.
21			As per prevailing rules, TDS will be deducted as per circular no CA(F)/FI/50 dated 14.05.2020 at source towards Income Tax from all the bills submitted to the department. The TDS certificates shall be given by Chief Accountant's office at Municipal Head Office. This condition is applicable only to local bidders.
22			The tenderer must fill up the tender in the format given. If it is filled up in any other format, the same will be rejected.
23			The tenderer must state names and address of all the partners including E-mail address of the firm in the space provided for in the tender document. Any tenderer failing to do so will render himself liable to have his tender deposit forfeited.

SECTION 6
SPECIFICATIONS FOR TURNTABLE LADDER OF 30 M HEIGHT FOR FIRE FIGHTING
AND RESCUE OPERATION

1. GENERAL REQUIREMENT:

- 1.1 The Turntable Ladder shall be designed specifically for the purpose of fire fighting and rescue to enable firemen to go up and down. It shall be 30 m height from the ground and comprise of ladder sections with a cage mounted at the end of top ladder section and the entire unit shall be mounted on a Turn-Table on a Heavy Duty Diesel - Engine chassis of reputed make, 4X2, suitable Wheel Base with fully factory built crew cabin and suitable capacity PTO. The Vehicle Chassis shall conform to BS VI (EURO VI) emission norms.
- 1.2 The Turntable Ladder shall be designed as per the designed, operational stability and structural strength based on the criteria laid in **EN14043** and any other international norms and standards applicable for this type of vehicles. The certificate to that effect issued by the competent testing agency shall be enclosed with the tender.
- 1.3 The TTL shall be capable of use at any angle of elevation without any reduction of load capacity of the cage. It shall also rotate 360 degree at any angle of elevation subject to ladder remaining clear of vehicle body.
- 1.4 The appliance shall be compact and fast on the road and easily maneuverable in the crowded streets and around sharp corners. The overall dimensions shall not exceed the limits specified herein.
- 1.5 The working height of the Turntable Ladder when fully extended shall not be less than 32 mtrs. from the ground.
- 1.6 The Turntable Ladder shall be electro hydraulically controlled, permitting precise and easy operations under the most difficult conditions, with ample reserve strength and stability.
- 1.7 Full safety interlocks shall be incorporated in the design so as to ensure complete safety in operations and long years of reliable and trouble free service, as far as possible the system shall be fail proof.

- 1.8 The design of the TTL shall allow a very large safety margin for extreme operating and climatic conditions. The safe working loads ratings shall include an allowance for the weight of water system and the reaction from the monitor jet while operation.
- 1.9 The Vehicle shall have a leveling system to adjust an angle not less than 5 degree and it shall be in automatic in nature.
- 1.10 There shall be a back up system for all ladder movements and outrigger movement in case of failure of main system. This shall be achieved with the help of suitable Diesel engine driven hydraulic pump or Battery pump or manual pump.
- 1.11 The Complete Movement of the TTL shall be computer controlled and the system shall be checked for interference sensitivity according to standards.
- 1.12 The Control system of the TTL shall be fully tropicalised and able to operate in the temperature range prevailing in Mumbai and in a dusty and Humid condition without reducing the maximum operating limits.

2. CHASSIS:

- 2.1 The Chassis shall be of reputed make such as VOLVO or MERCEDEZ BENZ or TATA or BHARAT BENZ or EICHER make, 4X2 of suitable wheel Base (as per CMVR 1989) with crew cabin and suitable capacity PTO. The Vehicle Chassis shall be a Right Hand Drive and shall conform to BS VI (EURO VI) emission norms.
- 2.2 The Chassis shall be homologated from the appropriate authority in India in case not an approved model then COP issued by approved testing agency or shall be supplied with the vehicle.
- 2.3 The engine shall be Four/six cylinder, inline/'V' type, with turbo charger and intercooler.
- 2.4 The engine shall develop minimum 180 HP (134 kW.)
- 2.5 The gearbox shall be fully automatic type (Clutch less) with the arrangement of suitable capacity PTO required for driving the hydraulic pump for ladder movements.
- 2.6 Rear Axle shall be fully floating hypoid type preferably with Hub reduction.
- 2.7 Chassis frame shall be 'C' Channel section made of high strength steel with cross members.

- 2.8 The Steering shall be integral power steering with collapsible steering wheel and column.
- 2.9 The Front and the rear Suspension shall preferably be leaf spring type.
- 2.10 The Brakes shall be dual circuit air brakes with ABS and parking brakes acting on rear wheels.
- 2.11 Fuel Tank - Capacity shall be min 200 ltrs with lockable fuel cap.
- 2.12 The Chassis shall be provided with Radial Tyres – 7 nos. with spare tyre of suitable size as per GVW of vehicle.
- 2.13 The chassis shall be provided with crew cabin with RED colour (RAL 3000), made from high strength steel fully trimmed, with hydraulic cab tilting mechanism. The cabin shall be provided with four doors, adequate ventilation, rear view mirrors, windscreen glasses and windows, adjustable driver, co-driver seat including crew seat, wiper system instrument cluster along with all other standard fitments.
- 2.14 The Electrical system shall be 24V, with suitable capacity batteries & Alternator for charging the batteries.
- 2.15 The chassis shall be supplied with standard tool kit, hydraulic jack operator manuals etc.
- 2.16 The Chassis shall be fitted with suitable capacity Power Take Off Unit to drive the hydraulic pump for ladder movements.
- 2.17 The Chassis shall be directly procured by the tenderer confirming to above specifications. The Transportation responsibility of the chassis up to tenderers manufacturing facility lies with the tenderer. The Chassis shall be insured while in transit.
- 2.18 The Chassis shall comply all the provisions and enactment of Motor Vehicle Act 1988 and Central Motor Vehicle Rules 1989 and any amendment from time to time.

3. OPERATING REQUIREMENTS & DIMENSIONS OF FINISHED APPLIANCE:

The Vehicle shall comply the following minimum requirements

- 3.1 Height from the ground to cage bottom not less than : 30 mtrs.

- 3.2 Working outreach with max. cage load not less than : 18 mtrs Minimum
- 3.3 Rotation - Continuous : 360 degree
- 3.4 Safe working load in the cage on hard level
Ground with dry monitor : 350Kg Minimum
- 3.5 Safe working load with monitor in the cage
Delivery up to 2000 LPM : 180 Kg Minimum
- 3.6 Loading capacity of lifting eye under the
Cage (cage empty) : 350 Kg Minimum
- 3.7 Operations at maximum outreach with full working
load permitted in wind speed not less than : 10.0 Mtr/ Sec.
- 3.8 Overall length in traveling position : 11.00 mtrs max
- 3.10 Overall width of the vehicle : 2.55 mtrs max
- 3.11 Overall Height in traveling position : 3.50 mtrs max
- 3.13 Maximum width of the vehicle when
Jacks are fully extended on both sides : 6.5 mtrs max Variable
- 3.14 Gross Vehicle Weight : Not more than 18 ton as per
CMVR

4. **CONSTRUCTION:**

The vehicle shall be robust in construction; materials used in construction shall be carefully selected for lightness and durability. Use of timber shall be restricted in bodywork and use of rubber shall be avoided as far as possible. Ferrous metal parts shall be treated for anti - corrosion by a method other than electro-plating.

5. **LADDER SET:**

- 5.1 The vehicle shall perform the following functions/ operations
 - 5.1.1 Elevation
 - 5.1.2 Depression
 - 5.1.3 Extension & housing
 - 5.1.4 Rotation 360 degree in either direction
- 5.2 All the operations shall be electro-hydraulically operated with the help of hydraulic cylinders, wire ropes, chain etc. The system shall be purpose built to provide smooth takeoff, variable speed range and smooth slowdown, based on the criteria laid down under EN standard or any other relevant standards applicable for these kind of vehicles.
- 5.3 There shall be multiple ladder Sections, with telescopic movement made from high grade, corrosion resistant steel and shall have minimum wind catching area. The

ladder sections shall be extended and retracted telescopically and simultaneously.

- 5.4 Based on the selected outrigger position and cage load, the system selects automatically the maximum outreaches to all directions. The system capacity shall enable various outreach curves for each direction. The size of each sector shall automatically be defined based on position of outriggers. The outreach control system shall practically be infinitely variable.
- 5.5 The lower ladder section shall be bolted to turret. The ladder sections shall be welded construction; welding method shall be of latest technology to provide high durability and extreme accuracy. For high strength and minimum flexing of the ladder sections only high tensile strength steels shall be used.
- 5.6 The ladder elevation and lowering shall be controlled by two hydraulic cylinders that both have their separate safety devices and can alone carry the entire load in case of failure of any one of the cylinders.
- 5.7 All ladder sections shall move in a synchronized way and there shall not be any intermediate jerks during extension / retraction. Automatic slowdown mechanism at the beginning of the movement as well as end of the movement shall be provided to all ladder movements. All the moving sections shall be fitted with adjustable guides/ rollers to provide smooth and accurate movement. Various maintenance points shall be located well at hand either outside the ladder or behind easily removable covers.
- 5.8 The extension and retraction cylinders or wire ropes shall be so laid; it should not cause any hindrance for climbing to a fireman. The ladder rungs shall be Anti Skid design and extension and retraction cables shall be provided with tension adjustment mechanism.
- 5.9 The ladder shall be possible to elevate in different angles. The rotation movement shall be continuous through 360 degree at all angle of elevation except for the cabin protection area. In driving condition, the ladder set shall be placed on the ladder head rest.
- 5.10 All the sliding sections shall have maintenance free Nylon/Steel rollers for sliding movements and means shall be provided for the lubrication of these rollers at an easily accessible position.
- 5.11 Hook On type additional ladder shall be provided for the access to main ladder assembly from the ground. A lifting eye shall be provided at the head of the main ladder section to lift the load .

- 5.12 The water monitor shall be permanently mounted in the cage at suitable location.
- 5.13 All main ladder movements shall be possible individually and simultaneously. While using simultaneous movements there shall not be reduction in the speed of ladder movements. The ladder leveling (plumbing) movement shall be automatic in nature with manual ON/OFF facility.
- 5.14 All the ladder movements except rotation, just before reaching the limit shall slowed down automatically until rest. In addition to this, the ladder lowering rate shall proportionally be decrease with increasing ladder length in order to avoid excessive swinging of ladder tip when ladder movement stops.
- 5.15 The functional, ergonomically designed main operating control console shall be provided on the left hand side of turntable, with suitable operator seat. The following controls shall be provided on main control.
- 5.15.1 Lever/joy stick for rotation and elevation and depression.
 - 5.15.2 Lever/Joy stick for extension and retraction.
 - 5.15.3 Foot pedal for oil pressure ON/OFF (Dead Man type switch)
 - 5.15.4 Button for engine Start/Stop.
 - 5.15.5 Button for ladder leveling (Plumbing) ON/OFF.
 - 5.15.6 Button for rungs in alignment.
 - 5.15.7 Button for selecting load in cage.
 - 5.15.8 Button for lighting ON/OFF.
 - 5.15.9 Button for emergency stop.
 - 5.15.10 Volume control for main control stand speaker and speaker at ladder top.
 - 5.15.11 Microphone for intercom system.
 - 5.15.12 Lever for emergency operation ladder and jacks.
 - 5.15.13 Button for automatic housing of ladder in the head rest.
 - 5.15.14 Display screen.(LCD or TFT)
- 5.16 The ladder set shall be primed and painted for long life span, treated against rust and corrosion.

6. HYDRAULIC CYLINDERS:

- 6.1 The Hydraulic cylinders shall be double acting, fitted with lock valves so as to prevent ladder set, working cage from lowering or the outriggers from retracting in case of pipe or hose failure.

- 6.2 The cylinders shall be provided with automatic dampers to prevent the pressure shocks and shall dampen the movement when a mechanical stop is reached.
- 6.3 Retraction of the outriggers shall be automatically prevented as soon as the ladder set has been lifted up from their transport position by way of electrical OR Hydraulic interlock system.
- 6.4 The ladder elevation and lowering has to be controlled by two hydraulic cylinders that both have their separate safety devices and both can alone carry the entire load in case of failure of any one of the cylinders.
- 6.5 The piston rods of the outrigger cylinders shall be protected suitably in order to protect piston rod from damage caused by any external impacts.
- 6.6 Lifting of the ladder set from the transport position shall be prevented before the outriggers are in support position and there shall be a limiting circuit to prevent damage to the Drivers cabin when the ladder is not clear of the cabin.
- 6.7 All the movements shall be automatically limited in their extreme position and the working cage shall be prevented from working outside of the permitted working range in any position.
- 6.8 An emergency stop switch shall be provided on both control panels, which shall switch off the hydraulic pressure of all movements and shall stop the vehicle engine.

7. TURN-TABLE:

- 7.1 The turntable shall be fully integrated steel structure containing center post, slip rings, water line, etc. duly fastened to the main frame by means of slewing ring.
- 7.2 The rotation for the turntable shall be controlled by hydraulic motor with brakes.
- 7.3 The base control station shall be attached to the turntable so as to rotate with it and be accessible in all positions of the turntable.
- 7.4 The hydraulic distributor (center post) shall be mounted in the center of the turntable at an accessible position and shall carry the hydraulic pressure and return lines, electrical supply lines & water line allowing continuous rotation in either direction.
- 7.5 The fasteners retaining turntable to the rotation mechanism shall be of proper grade and shall be torque properly.

- 7.6 The rotation gearbox fastener shall be of proper grade and torque with proper backlash.
- 7.7 There shall be provision for the manual rotation of turntable in case of failure of hydraulic system.
- 7.8 Pins securing the hydraulic cylinders shall be properly installed and secured.
- 7.9 The hydraulic hoses, tubing's and connections provided in the turntable shall be free from kinks, chaffing or leaks.

8. STABILISING / JACKING SYSTEM:

- 8.1 The Jacking system shall consist of hydraulically operated four outriggers mounted in their housings. Each housing shall be fitted with adjustable guides to provide smooth and accurate movement of the outrigger beam.
- 8.2 The Jacks shall be H-type or Inclined configuration, each side shall have two separate hydraulic cylinders, the first of which pushes the horizontal outrigger beam out and the second shall push the vertical/inclined Jack down.
- 8.3 The jack shall be provided with ground pressure sensors, which shall be correctly actuated before the ladder set is operated to ensure proper stabilization.
- 8.4 Each Vertical/inclined jack shall be provided with self-aligning footplate to spread the load evenly and allow the operation on uneven ground.
- 8.5 The system shall be able to level the vehicle up to min. 5 degree sideways and with automatic leveling system.
- 8.6 The jacking system shall be controlled by two separate control panels provided on left and right side of the vehicle at rear with following controls.
 - 8.6.1 Left side front and rear outrigger beam out.
 - 8.6.2 Right side front and rear outrigger beam out.
 - 8.6.3 Left side jacks down
 - 8.6.4 Right side jacks down.
 - 8.6.5 Automatic axle locking mechanism (If required)
 - 8.6.6 Cage folding in isolation switch.

- 8.7 All the jack movements shall be infinitely variable within the full jacking width.
- 8.8 The Jacking systems shall allow operating each jack individually and the jack projection shall be recognized by the controlling system and the maximum outreach shall automatically be calculated as per the jack width.
- 8.9 The jacks shall be controlled individually or in pair with lever /joystick and the control panel shall be situated in such a position that, the operator will have clear look to the right and left hand side while extending the jacks. The control panel shall be located at the rear side of the vehicle.
- 8.10 Yellow Flashing warning lights shall be provided at the outer most point of the jacks to identify the position of the jacks during night operation.
- 8.11 Four wooden spreader plates shall be provided for the use, when the vehicle is to be operated on soft ground.
- 8.12 The stabilizing system shall also incorporate axle-locking mechanism if required.
- 8.13 The locker containing outrigger controls shall be fitted with an automatically operating door switch and a light for night operation.

9 ELECTRONIC SAFETY AND OUTREACH SYSTEM:

- 9.1 The computer-controlled system shall allow the outriggers to be positioned and the system shall be capable to select automatically the maximum allowed outreach. Based on calculations and parameters saved in the system to guarantee exactly the same outreach regardless of the external influences like wind speed and direction, temperature, friction of the cylinders, etc.
- 9.2 The display units of the system shall show maximum possible outreach and position of the working cage in real-time along with other details.
- 9.3 The electronic system shall be approved according to the valid standards and directives. The system shall be EMC tested and CE type tested by appropriate agency.

10. CAGE:

- 10.1 The working cage shall be attached to the tip of top section and it shall be foldable. There shall be sufficient space for minimum four persons and safe working load shall

not be less than 350 kgs. excluding the equipment permanently mounted in the cage. The leveling of the cage shall be controlled automatically by an electro/hydraulically mechanism with manual override in case of emergency. The controls for folding over and in working position shall be integrated into the control panel for the jacking system. The entrance to the cage shall be provided from the front and rear.

- 10.2 The cage shall be made of steel/Aluminum profile, welded together and painted with special paint with high durability in case of steel cage. The dimensions of the working cage shall be such that it shall provide sufficient space for four man. The top railing shall be part of the cage door so that entering into the cage without bending is possible.
- 10.3 The cage shall be designed for minimum 350 Kgs working load and shall be tested for overload capacity as per EN standards.
- 10.4 The cage shall be quick removable type whenever needed.
- 10.5 An emergency cage leveling operation shall be provided in case of failure of electricity by means of Hand/Foot pump.
- 10.6 The cage control shall allow all ladder movement to be performed infinitely variable. During cage operation, the movement shall be automatically controlled by the safety system. When the ladder is operated from the cage, the speed of movements shall be the same as ladder control from main control consol.
- 10.7 The location of cage control shall be such that the operator shall have clear look on all side when operating the ladder from the cage. The Joy stick/Levers in the cage shall be identical that of the main console. The cage control panel shall always be visible and accessible, even when the additional equipment is used by the fireman.
- 10.8 The cage control shall have following controls on the control panel.
 - 10.8.1 Lever/joy stick for rotation and elevation and depression.
 - 10.8.2 Lever/Joy stick for extension and retraction.
 - 10.8.3 Foot pedal for oil pressure ON/OFF (Dead Man type switch)
 - 10.8.4 Button for engine Start/Stop.
 - 10.8.5 Button for rungs in alignment.
 - 10.8.6 Button for selecting load in cage.
 - 10.8.7 Button for lighting ON/OFF.
 - 10.8.8 Button for emergency stop.
 - 10.8.10.Button for automatic housing of ladder.
 - 10.8.11 microphone-cum-speaker for intercom system.

10.8.12 Colour Display screen.(LCD or TFT)

10.8.13 Button for cage light ON/OFF.

10.9 Two high power wide angle LED light shall be provided in front of the cage for illumination for night operation and shall be able to switch ON/Off from control panels.

10.10 The cage shall be provided with collision safety device to protect the cage against damage due to impacts while in operation. All ladder movements shall be stop automatically when the cage collision system is activated.

11 HYDRAULIC SYSTEM:

11.1 The Hydraulic power shall be provided by a reliable and adequate capacity variable displacement pump, which shall be driven by the vehicle power take off.

11.2 When no operation of the ladder is activated, the pump shall rotate on minimum flow and minimum pressure. When the control lever or oil pressure foot paddle is pressed, the engine should automatically go to preset limit and also activate the necessary hydraulic oil supply to all the circuits.

11.3 The suitable filtration system of the hydraulic oil shall be provided on the vehicle to insure a good quality of oil entering into the system.

11.4 All hydraulic cylinders shall be double acting with hard chrome plated piston rods and shall be fastened by means of self-aligning bearings to prevent lateral forces from damaging the seals or piston rods of the cylinders.

11.5 Hydraulic oil tank shall be provided at suitable location of adequate capacity. There shall be a proper heat dissipation system. The tank shall be fitted with oil level gauge, and suction connections with closing valves for easy maintenance and draining outlet with closing valve.

11.6 Hydraulic oil cooler shall be provided with automatic temperature control device for continuous operation during the hot climate in summer season in India.

12. BACK-UP FOR THE HYDRAULIC SYSTEM:

12.1 The hydraulic power for important ladder movements shall provide manually via a separate hydraulic hand pump. The hydraulic pump shall be provided at suitably place safe and easy operation.

12.2 Optionally there shall be a separate single cylinder diesel engine (silent pack) mounted at suitable place driving the hydraulic pump, which will provide independent means of hydraulic power in case of failure of main engine of vehicle. The Diesel engine shall have sufficient power to drive all the movements of the ladder but at a reduced speed.

12.3 In case of failure of main control panel system, emergency operation of all ladder movements shall be possible. All the ladder movements shall be safely controlled to avoid unsafe configuration.

13 CONTROLS AND SAFETY:

13.1 The Electrical supply needed for control system shall be taken from the vehicle battery which shall be charged when the engine is running.

13.2 When the vehicle is in operation yellow flashing warning lights mounted on the outriggers shall automatically remain on.

13.3 The engine starting and stopping switch shall be provided on all control panels and the engine speed shall be increased to the preset level as soon as the foot paddle is pressed.

13.4 All ladder movements shall be controlled electro-hydraulically by means of proportional valves. The proportional valve shall not be sensitive to changes of ambient or oil temperature, and shall provide smooth, safe and very accurate movements even in most severe operating conditions.

13.5 The speed of the ladder for lowering and extension shall be automatically reduced at maximum outreach. The ladder lifting speed shall be reduced before the maximum elevation.

13.6 All control movements can be performed by the control system from both control panels and the outreach can be selected by the positioning the outriggers. The system shall consist of two displays, the graphical display and real time information about the outreach and the cage position and also to show possible movements according to cage position. In the display there shall be main texts for:

13.6.1 Warnings

13.6.2 Emergency situations

13.6.3 Fault finding system

13.7 There shall be two independent drive elements to secured the ladder set of which

each is capable of keeping the ladder in its present position during the ladder movements.

- 13.8 There shall be an inter lock, only permits the ladder sets to be lifted from the head rest and thereafter other movements are possible.
- 13.9 There shall be a load measuring system for stability and security of the ladder parts. The ladder movements shall stop automatically due to projection and / or additional load such as rescue persons, in conjunction with the jacking widths and the actual remaining loads.
- 13.10 An operating range display shall continuously show the total working range and the present load situation. The position of the ladder and the load limit in conjunction with the jacking widths shall display simultaneously.
- 13.11 For the stability of the ladder, the speed of all the movements shall slow down smoothly and automatically before reaching the final position and automatically stop all movements in the defined final position.
- 13.12 When the ladder reaches to its operational limits. There shall be automatic final stopping of all ladder movements except for retraction and rotation.
- 13.13 There shall be a driver's cabin protection mechanism which will stop respective ladder movement to avoid collision of ladder with cabin.
- 13.14 There shall be an impact cut out mechanism which will stop all ladder movements.
- 13.15 An automatic hydraulically operated and electronically control leveling system (plumbing) shall be provided. It shall guarantee that, the rounds are always horizontal up to angle of min. 5°. The plumbing mechanism can be switch off / on from the main control console.

14. OPERATING RANGE DISPLAY:

- 14.1 An operating range display shall be provided at main control console, and cage control console, which shall provide information to the operator. The various signals coming from the sensors, computer shall be processed and visually represented in the form of text or symbol on the display.
- 14.2 A scale down representation of the actual available range of operation shall be displayed showing exactly the ladder position, projection, ladder length, height and

angle of elevation.

- 14.3 A microprocessor shall control and monitor all ladder movements and safety system. If the safe operating limit is reached, the ladder movement shall be blocked automatically and a corresponding message / indicator shall be shown on display screen.
- 14.4 The display shall show text message of operational faults including its consequences.
- 14.5 The operating range display shall be illuminated suitably for easy reading during the night operation.

15. CONTROLS AND INDICATORS IN DRIVERS CAB:

- 15.1 The following control and indicators shall be provided in drivers cabin.
 - 15.1.1 Visual warning for any of the equipment lockers being open
 - 15.1.2 Visual warning for the ladder set not being fully in transportation position
 - 15.1.3 Switch with visual indication for rotating beacons
 - 15.1.4 Switch for siren unit
 - 1.15.5 Microphone for the public address system

16 BODY WORK AND EQUIPMENT LOCKERS:

- 16.1 The structure for the bodywork shall be made up of various Aluminium profiles properly fixed together by riveting, bolting or welding.
- 16.2 The complete external paneling of the rear body shall be made from Aluminium sheet fitted to the structural member either by gluing or riveting.
- 16.3 The complete flooring of the rear deck shall be made from non skid aluminum plate of min 3 mm thick properly riveted or bolted to the superstructure members.
- 16.4 For the easy access to the rear deck from ground level, there shall be sufficient numbers of recessed steps on both sides of the vehicle provided with suitable grab handles.
- 16.5 Sufficient numbers of lockers shall be provided on both side of the vehicle for keeping various accessories and equipment. The locker shall be so made that load distribution on both sides is equal. All the lockers shall be provided with rolling shutters properly sealed for water and dust ingress. All the doors of the lockers shall

be fitted with automatic switches activating the light as soon as the door is opened and also activating the warning light in Drivers cab.

17 THE WATER MONITOR:

- 17.1 The electrical/hydraulic operated water monitor shall be provided and permanently mounted in the cage at suitable location and shall be provided with standard 63 mm. BIS couplings.
- 17.2 The output of the monitor shall not be less than 2000 LPM at 7 bar.
- 17.3 The monitor can be moved vertically upward and downward. The horizontal movement up to 30° left side and right side.
- 17.4 The monitor shall be fed with water through permanently mounted telescopic pipe with suitable BS couplings.

18. INTER COMMUNICATION SYSTEM:

- 18.1 There shall be fully transistorized talk back inter communication system fitted between turntable and the cage.
- 18.2 The system shall be combined microphone and loudspeaker for hands free operation and shall be located in the cage. The turntable control station is also equipped with microphone, which shall be integrated in the loudspeaker with volume control.
- 18.3 The microphone and the loudspeaker shall be sealed properly and it shall be protected from the ingress of water, dust and humidity.

19 ELECTRIC SYSTEM:

- 19.1 The electrical supply shall be taken from the vehicle batteries, which are kept charged when the engine is running. Voltage of the system shall be 24 V DC and all circuits shall be provided with specific fuses depending on the current consumption of that circuit.
- 19.2 When the P.T.O. is switched on, yellow flashing warning lights located at each outrigger and ladder set pivoting point shall automatically be switched on.
- 19.3 2x 24 volts, LED type lights with mounting bracket shall be fitted at the cage railing in the front side to provide extra safety during night operation. The switch for these

lights shall either be provided on the light itself or on both the control panels.

- 19.4 Two rotating beacon lights shall be provided on each side of the drivers cab roof with multi colour lens i.e. Red/Blue/White. The switch for switching the beacons on and off with suitable signal light shall be integrated in the control panel of siren cum public address system. The beacon light shall be either Bosch or Hella make or Federal Signal make.
- 19.5 The 12 V DC connection with switch shall be provided in the driver cabin for connecting wireless communication equipment and GPS equipment of adequate capacity.

20 SIREN AND PUBLIC ADDRESS SYSTEM:

- 20.1 There shall be an electric siren unit fitted on the roof of the vehicle cabin or at a suitable place with the control unit mounted conveniently inside the driver cabin. It shall have the fast (yelp) and slow (wail) sound modes with integrated switch for rotating beacon lights.
- 20.2 Command microphone, which is fitted with push-to-talk switch, allows the public address message to override the siren function. Operations are controlled by non push buttons on control panel shall be provided.

21 FAULT FINDING SYSTEM:

- 21.1 The control system of the vehicle shall have self-fault finding system. If any fault occurs during the operation, the system shall find out the same and shall show the location of the defective component on the display.
- 21.2 For maintenance purposes the following tools shall be provided as standard supply:
 - 21.2.1 Fault finding system
 - 21.2.2 Total operation hour meter

22. PAINTING:

- 22.1 Before painting all surfaces of steel structures shall be carefully shot blasted after which they shall be primed and then applied the coat of approved paint. All the ladder set shall also be painted from all the sides.
- 22.2 For very high corrosion resistance of hollow structures such as steel profiles of the working cage, ladder set, outrigger beams and housings shall be treated with anti-corrosion protection.

22.3 The following Paint shades shall be used:

22.3.1 Ladder set, Working cage, wheel rims: White Aluminium RAL 9006

22.3.2 Ladder support, Turntable and related Cylinders: Red RAL 3000

22.3.3 Body work including cabin: Red RAL 3000

22.3.4 Chassis frame touch-ups: Chassis original tone

22.4 The word "MUMBAI FIRE BRIGADE" shall be provided on both side of the vehicle at suitable place as per the instructions of the Chief Fire Officer.

22.5 The emblem of MUMBAI FIRE BRIGADE shall be painted on both side of the vehicle in Natural colour

23 ACCESSORIES:

23.1 Wooden outrigger ground pads/ plates with brackets - 4 Nos

23.2 Working range diagrams, at turntable & in the cage - 2 Nos

23.3 Marking of safe working load in the cage - 1 No

23.4 Unit type marked on the ladder. - 1 Nos

23.5 Warning labels and instruction plates - 1 set

23.6 Operation and maintenance manuals for TTL and Chassis. - 1 sets

23.7 Lifting hook under the ladder of suitable capacity - 1 No

23.8 Set of tools & accessories - 1set

23.9 High pressure delivery hoses with BS/Stroz male and female Aluminum coupling 30 mtrs. length having 63 mm internal dia. confirming to BS/EN standards - 6 nos.

24. INSTRUCTION MANUALS:

(The Contract Agreement shall be generally in this form while making contract .The tenderer should sign it for agreeing in principle to the same).

Quotation / Tender No.			
Dated :..... 2020-2021			
Standing Committee Resolution No.			
M.C.'s sanction No.		Dated the	
Contract for			
CONTRACT AGREEMENT made this day of Two Thousand between Inhabitants of Mumbai carrying on business at Mumbai under the name and style of And on behalf of himself / themselves, his / their heirs, executors, administrators and assignees ("thereinafter called the Contractors")' of the one part and Shri The Jt. Municipal Commissioner (Imp). In which expression are included unless such inclusion is inconsistent with the context or meaning thereof, include "The Deputy Municipal Commissioner / JT Municipal Commissioner(Imp) his successor or successors for the time being holding, the office of the Deputy Municipal Commissioner of the Second Part and the Municipal Corporation of Greater Mumbai (herein called the Corporation) of the third part, "WHEREAS" The Municipal Commissioner for Greater Mumbai has deputed under Section 56-B of the Mumbai Municipal Corporation Act his powers under the provisions contained in Chapter III of the Mumbai Municipal Corporation Act to the JT Municipal Commissioner (Imp) and WHEREAS the Commissioner, in pursuance of the powers vested in him as such Municipal Commissioner, by the Mumbai Municipal Corporation Act and in accordance with the provisions of the said Act, recently advertised notice inviting Tenders for the execution of the work as mentioned above AND WHEREAS the Contractors tendered for the same and his / their Tender was accepted by the Commissioner on the terms and conditions hereafter specified. AND WHEREAS by way of deposit of the sum of Rupees ; as security for the due and faithful performance by the contractors of this contract, the said contractor's hs / have deposited with the Commissioner the face value of Rupees the cash value of which is taken as Rs. Or has / have paid to the Commissioner the sum of Rs in cash and deposited with him public securities of the face value of Rs..... The cash value of which is taken at Rs..... which two sums together amount to the said deposit of Rs Or has / have delivered to the Commissioner the General Undertaking and Guarantee of Bankers from the said contractors for payment inter-alia of the said an amount NOW THESE PRESENTS WITNESS, and it is hereby agreed and declared between and by the parties thereto as follows : -			

First -	That this contract shall be deemed to have commenced as from the Day of Two Thousand and shall continue in force (unless previously determined by the Commissioner as herein after mentioned) until the day of Two Thousand and
Second -	If from any cause whatever the contractor/s shall in the opinion of the Engineer has / have been unduly delayed or impounded in the completion of this contract, it shall be lawful for the C.F.O. with the approval of the Commissioner, if he shall so think fit, to grant from time to time and times by a writing under this hand, such extension of time either prospectively or retrospectively, and to assign such other days or day for completion as may seem reasonable to him without thereby prejudicing or in any manner affecting the validity of this contract of the adequacy of the sums or prices therein mentioned and it shall be within the discretion of the Chief Fire Officer with the approval of the Municipal Commissioner to decide whether or not or to what extent, any and every such extension of time shall be deemed to be in full compensation and satisfaction for and in respect of any and every actual and probable loss or injury sustained or sustainable by the Contractor, in the premises. Any extension of time so granted by the C.F.O. shall be held to supersede and substituted for the period specified in the First Clause.
Third -	That the Contractors shall carry out the work as aforesaid within from the date of receipt by him / them of an order from the C.F.O. or by any other officers authorities by him that behalf.
Fourth -	That the Contractors shall during the continuance of this contract, from time to time and at all times as and when the same shall be required by the Chief Fire Officer for the time being hereinafter call the C.F.O. forthwith execute and do or cause to be executed and done, according to the direction and to the entire satisfaction of the C.F.O. or other officer of the Corporation authorized on their behalf any or all the work or works comprised in this contract which the contractor/s may be called upon to do.
Fifth -	That all such works as aforesaid shall be executed by the contractor's at the rates specified in the schedules of prices hereunto annexed.
Sixth -	That the contractor/s shall provide at his/ their own expenses all labour, material implements and machinery necessary and proper for the due performance of the said works and that the workmanship shall be of the best description and the persons employed by the contractor/s and about such work shall be competent and fit for the due execution thereof.
Seventh -	That all material, implements or machinery which may be condemned or rejected by the Engineer or other officer as aforesaid shall be removed by the contractor/s at his/ their own expenses and replaced/repared with others of approved quality within twenty four hours after the receipt by him / them of a notice to that effect, signed by the C.F.O. or other officer as aforesaid.
Eighth -	That all such works as is not in accordance / with the directions of the

	C.F.O. or other officer as above said or is composed of materials disapproved by him or the workmanship whereof disapproved by him, shall be taken down and / removed by the contractor/s as his / their own risk and expense, within twenty four hours and after receipt by him / them of a notice to that effect signed by the C.F.O. or other officer aforesaid and in default of this / their taking down or removing the same, the C.F.O. or the other officer and the cost and expense thereby incurred shall be charged to the contractors.
Ninth -	That all orders of the C.F.O. or other office as aforesaid for the execution of work shall be promptly attended to and executed by the contractor/s and that in case of failure or delay on the part of the contractors/s in attending to or executing the same with due or diligence of the opinion of the C.F.O. or other officer as aforesaid, the C.F.O. or such other officer shall be at liberty to cause such work to be executed by any other person or persons at such rates and prices as the C.F.O. or other officer aforesaid may think proper and the cost thereof and all expenses incurred thereby shall be charged to the contractor.
Explanation -	The works "all expenses incurred thereby" shall include minimum charges of 5 percent in all cases of default which may be raised to a maximum of 15 percent in special cases at the discretion of the Municipal Commissioner.
	And ... (unless the same shall have been previously determined by the Commissioner as herein before provided) except only as to the rights and remedies of the parties hereto in respect of any clause or thing herein contained which may have been broken or not performed.
Tenth –	That in case of any dispute or difference connected with or arising from this contract, the matter shall be referred to the Commissioner for the time being, whose decision shall be final and binding on the contractor/s.
Eleventh –	Every receipt for money which may become payable or for any security which may become transferable to the contractor/s under these presents shall, if signed in the partnership name by any one of the contractors be a good and sufficient discharge to the Commissioner and Corporation in respect of the money or security purporting to be acknowledged thereby and in the event of the death of any of the contractor/s, during the pendency of this contract, it is hereby expressly agreed that every receipt by any of the surviving contractor/s shall if so signed as aforesaid, be a good and sufficient discharges as aforesaid PROVIDED that nothing in this clause contained shall be deemed to prejudice or affect any claim which Tenth - The contractor/s shall not without the written permission of the Commissioner sublet this contract , but shall on the contrary give his / their personal presence and supervision to the work and to the execution of orders given by the Engineer or other officer as aforesaid.
Twelfth –	should any work or works under this contract be necessary or desirable to performed or executed for which rates are not quoted in the schedule aforesaid, the price for such work or works shall be fixed in writing between

	the Engineer or other authorized officer as aforesaid and the contractor/s with the sanction of the Commissioner before the commencement of such work or works. In case of their not being able to agree upon the price of any such work or works, the matter shall be referred to the Commissioner whose decision shall be final and binding upon all parties.
Thirteenth –	That the Contractor/s shall on or before the eight day of every month present to the respective department his / their bills in triplicate for all works carried out by him / them under this contract during the preceding month on forms approved of by the Chief Fire Officer of the Municipal Corporation of Greater Mumbai along with the original indent and shall on or before the twelfth day of every month furnish to the said Chief Fire Officer summary of all the bills which the Contractor/s has / have so presented to the different departments, failing which the contractors' will be subject a penalty of Rs. Five for each original bill in respect of which there shall have been delay in rendering the same to the Department to which it is chargeable or respect which there shall I have been delay in supplying the summary to the Chief Engineer (SWM) Projects.
Fourteenth –	That in case of failure on the part of the contractor /s at any time during the continuance of this / their contract to comply with any of the conditions herein contained, or in case of any breach whatsoever of any portion of this contract, the Commissioner shall be at liberty (1) absolutely to determine the same by giving to the Contractor/s on month's previous notice in writing of this intention so that do in which case the contractor/s shall be responsible for and shall make good to the Corporation all loss, cost and damage of every description of the contract which the Corporation may sustain in consequence of such failure or breach or determination of the contract and without prejudice to the generality of the foregoing the said sum of Rs. , deposited as aforesaid shall be absolutely forfeited to the Corporation, as liquidated damage for such failure or breach or determination of this contract and or (2) to inflict on the contractor/s fine of Rs..... for every such failure or neglect or disobedience of orders, such fine or fines being charged to the contractor/s in addition and without prejudice to the other rights of the Corporation under the contract.
Fifteenth -	In the event of the side deposit of Rs..... Having been made by the contractor/s by the contractor/s by delivery to the Commissioner of the General Undertaking and Guarantee of the Bankers of the Contractor/s. and the contractor/s under any of the provisions of the contract becoming subject to or liable for any penalty or damages forfeited as herein before mentioned then and in any such a case the amount of any such a penalty or damages and the deposit so forfeited, if not previously paid to the commissioner , shall immediately on demand be paid by the said bankers to and may be forfeited by the Commissioner under and in terms of the said general Undertaking and guarantee. If no penalty or damage or forfeiture of deposit shall be exacted or claimable from or against the contract/s under this contract, the contractor/s and the Bankers shall at the expiration

	of this contract, be freed and released from the obligation of the said General Undertaking and Guarantee in respect of this contract, without prejudice , however, to the continuing liability of the contractor/s and of the said bankers and the right of the Commissioner and / or the Corporation to claim under the said General Undertaking and Guarantee for or in respect of any other subsisting Tender or Contract entered into by the contractors with the Commissioner and / or the Corporation.
Sixteenth -	That these presented and every clause, matter and this hearing contained shall cease and determine on the day of2013 the Commissioner or Corporation may hereafter have against the legal representative of any Contractor so dying for or in respect of any breach of any of the condition here of. PROVIDED ALSO that nothing in this clause contained shall be deemed to prejudice or affect the respective rights or obligations of the contractor/s and of the legal representative of any deceased contractor interest.
Seventeenth -	The contractor/s shall be responsible for all risk to the work, and shall make good to his / their own cost all loss or damage, whether to the works themselves or to any other Municipal properties or to the lives, persons or property of others, from whatsoever cause arising out of or in connection with the work during their progress and in case the Commissioner shall be called upon to make good any such cost, loss or damages, the amount which he may be in respect thereof and the amount or any cost of charges including low costs and charges in connection with legal proceedings or otherwise, which he may incur in reference hereto, shall be charged to the contractor/s . The Commissioner shall have full power and right at his own discretion to pay or to defend or compromise any claim which may be made against the Corporation for damage charging to the contractor/s as aforesaid any sum or sums of money, which he may pay and any expenses, whether for reinstatement or otherwise, which he may incur in connection with the any such claim and the property of any such payment, defense or compromise shall not be called in question by the contractor/s.
Eighteenth -	If the contractor/s shall duly and faithfully carry out the provisions of these presents and shall duly satisfy all claims properly chargeable against him / them hereunder the said sum of Rs. (if he made in cash and / or by the deposit of public securities) shall be returned to the contractor/ s and any balance due to the contractor/s under these presents after crediting him / them with all sums retained under the Thirteenth Clause shall bat the same time be paid to him / them.
Nineteenth -	All charges for the safe custody and withdrawal of and for the collection of interest on any securities deposited as security or purchased as hereinafter mentioned (though the Commissioner shall not be bound to collect any imparts) shall be paid by or charged to the contractor/s or shall be deducted out of any money that may be or become due to the contractor/s under these or any other contract between the contractor/s and the Commissioner and / or the said Corporation. The Commissioner shall not be bound to

	invest in public securities or otherwise any money in his hands in cash and belonging to the contractor/s on whatsoever account there under, but on the written application of the Contractor/s, he shall so invest such money so far as practicable (as to which the Commissioner shall be the sole Judge) , and the contractor shall pay all charges for commission and brokerage incidental to the purchase, safe custody and withdrawal of such a securities and the collection of interest. No interest shall be payable by the Commissioner, any deposit , or other money belonging to the contractor/s on whatsoever account hereunder, which may be or remain in cash in the hands of the Commissioner. In the event of any of the securities held or deposited or purchased under the provision of this contract at any time being Government Promissory Notes, in respect of which any notification shall at any time be issued by the Government notifying that the same will be discharged unless the holder thereof shall consent to the interest due under the same being reduced, the Commissioner shall without the consent of the contractors being entitled to the Tender the said Government Promissory Notes for reduction of interest accordingly and shall not be liable to the Contractor/s any loss or diminution in value occasioned thereby and any bonus or commission which shall be paid by Government in respect of the Notes shall, for the purpose herein be deemed to be interest accrued due on the said securities.
Twentieth -	The Corporation shall have a lien on and over all or any money that may become due and payable to the contractor/s under these presents and / or also on and overall the deposit or security amount or amount made under his contract and which may become repayable to the Contractor/s under the condition in that behalf herein contained. For in respect of any debt or sum that may become due and payable to the Corporation by the contractor/s either alone or jointly with another or others and either under these or under any other Contractor/s transactions of any other nature whatsoever between the Corporation and the Contractor/s and also for in respect of any Municipal tax or taxes or other money which may become due and payable to the Corporation by the contractor either alone or jointly with another or others under the provisions of the Mumbai Municipal Corporation Act or any other statutory enactment or enactment in force in modification or substitution thereof and further that the Commissioner on behalf of the Corporation shall at all times be entitled to deduct the said debt or sum of tax due by the Contractor/s the Corporation shall at all times be entitled to deduct the said debt or sum of tax due by the Contractor/s from the money security or deposit which may become payable or returnable to the contractor/s under these present. Provided, however, that nothing in this clause shall apply to any money due and payable by the Contractor/s in his / their capacity as a trustees either alone or jointly with others. The provision of this condition shall also apply and extend to the Banker's Guarantee, if any , given by the Contractor/s either in addition to

	or in substitution of the cash or security deposit to be made under his contract.

SECTION 15

ANNEXURE 'F' UNDERTAKING

Tender No._____

**To,
The Municipal Commissioner,
For the Municipal Corporation to Greater Mumbai.**

Sir,

Bid No. -----.

"I/ We -----,

(full name in capital letters, starting with surname), the Proprietor/Managing Partner/Managing Director/Holder of the Business/Manufacturer/Authorized Dealer, for the establishment/firm/registered company, named herein below, do hereby, state and declare that I/We whose names are given herein below in details with the addresses have not filled in this quotation under any other name or under the name of any other establishment /firm or otherwise, nor are we in any way related or concerned with any establishment / firm or any other person, who have filled in the quotation for the aforesaid work".

"I/We -----,

(full name in capital letters, starting with surname), the Proprietor/Managing Partner/Managing Director/ Holder of the Business/Manufacturer/Authorized Dealer, for the establishment/firm/registered company, named herein below, do hereby undertake that we have offered the best prices for the subject supply/work as per the present market rates and that we have not offered less prices for the subject supply/work to any other outside agencies including Govt./Semi Govt. agencies and within the MCGM also. Further, we have filled in the accompanying quotation with full knowledge of the above liabilities and therefore we will not raise any objection or dispute in any manner relating to any action including forfeiture of deposit and blacklisting, for giving any information which is found to be incorrect and against the instruction and direction given in this behalf in this quotation."

"I/We further agree and undertake that in the event, if it is revealed subsequently after the allotment of work/ contract to me/us that any information given by me/us in this quotation is false or incorrect, I/We shall compensate the Municipal Corporation of Greater Mumbai for any such losses or inconveniences caused to the Corporation, in any manner and will not resist any claim for such compensation on any grounds whatsoever. I/We agree and undertake that I/We shall not claim in such case any amount, by way of damages or compensation for cancellation of the contract given to me/us or any work assigned to me/us or is withdrawn by the Corporation."

However, in case of price difference, if it is a result of differential tax structures, different Dollar value of Rupee, differential logistic of transport etc. considering this aspect, before invoking the penalty, blacklisting etc., I/we will be given a reasonable opportunity of being heard by representing our case as to why such price variation/differential has been arisen. In case, if the explanation submitted by me/us is unsatisfactory then action including forfeiture of deposit & blacklisting may be taken against me/us.

**TENDERER'S FULL SIGNATURE

SECTION 16
ANNEXURE 'G'
FORM OF INTEGRITY PACT

(on Rs. 500/- stamp paper)

This Agreement (hereinafter called the Integrity Pact) is entered into on -----day of the -----month of 20---- between Municipal Corporation of Greater Mumbai acting through Shri -----(Name and Designation of the officer) (hereinafter referred to as the "M.C.G.M." which expression shall mean and include, unless the context otherwise requires, his successors in office and assigns) of the First Part and M/s. -----(Name of the company) represented by Shri -----, Chief Executive Officer / Authorised signatory (Name and Designation of the officer) (hereinafter called as the "Bidder / Seller" which expression shall mean and include, unless the context otherwise requires, his successors and permitted assigns) of the Second Part.

WHEREAS THE MCGM invites for the -----

----- (Name of the Stores / Equipment / Service, Tender No. & Date) and the Bidder /Seller is willing to submit bid for the same and

WHEREAS the BIDDER is a private Company / Public Company/ Government Undertaking / Partnership Firm / Ownership Firm / Registered Export Agency, constituted in accordance with the relevant law in the matter and the MCGM is Urban Local Body.

NOW, THEREFORE

To avoid all forms of corruption by following a system that is fair, transparent and free from any influence / prejudiced dealings prior to, during and subsequent to the currency of the contract to be entered into with a view to:-

Enabling the MCGM to obtain the desired said stores / equipment / services / works at a competitive price in conformity with the defined specifications by avoiding the high cost and the distortionary impact of corruption on public procurement, and

Enabling BIDDERS to abstain from bribing or indulging in any corrupt practice in order to secure the contract by providing assurance to them that their competitors will also abstain from bribing and other corrupt practices and the MCGM will commit to prevent corruption, in any form, by its officials by following transparent procedures. In order to achieve these goals, the MCGM will appoint an external independent monitor who will monitor the tender process and execution of the contract for compliance with the principles mentioned above.

The parties hereto agree to enter into this Integrity Pact and agree as follows:-

1. COMMITMENTS OF THE M.C.G.M.

- 1.1 M.C.G.M. commits itself to take all measures necessary to prevent corruption and follow the system, that is fair, transparent and free from any influence / prejudice prior to, during and subsequent to the currency of the contract to be entered into to obtain stores / equipments / services at a competitive prices in conformity with the defined specifications by avoiding the high cost and the distortionary impact of corruption on public procurement.

- 1.2 The M.C.G.M. undertakes that no employee of the MCGM, connected directly or indirectly with the contract, will demand, take a promise for or accept, directly or through intermediaries, any bribe, consideration, gift, reward, favour or any material or immaterial benefit or any other advantage from the BIDDER, either for themselves or for any person, organization or third party related to the contract in exchange for an advantage in the bidding process, bid evaluation, contracting or implementation process related to the contract.
- 1.3 M.C.G.M. will during tender process treat all bidders with equity and reason. The M.C.G.M. before and during tender process provide to all bidders the same information and will not provide to any bidder any confidential / additional information through which the bidder could obtain an advantage in relation to the tender process or execution of contract.
- 1.4 In case any such proceeding misconduct on the part of such official(s) is reported by the Bidder to the MCGM with full and verifiable facts and the same is prima facie found to be correct by the Municipal Corporation of Greater Mumbai, necessary disciplinary proceedings, or any other action as deemed fit, including criminal proceedings may be initiated by the MCGM and such a person shall be debarred from further dealings related to the contract process. In such a case while an enquiry is being conducted by the MCGM the proceedings under the contract would not be stalled.

2. COMMITMENTS OF THE BIDDERS / CONTRACTORS

- 2.1 The Bidder commits itself to take all measures necessary to prevent corrupt practices, unfair means and illegal activities during any stage of its bid or during any pre-contract or post-contract states in order to secure the contract or in furtherance to secure it.
- 2.2 The Bidders will not offer, directly or through intermediaries, any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the MCGM, connected directly or indirectly with the bidding process or to any MCGM person, organization or third party related to the contract in exchange for any advantage in the bidding, evaluation, contracting and implementation of the contract.
- 2.3 The Bidder further undertakes that it has not given, offered or promised to give, directly or indirectly any bribe, gift, consideration, reward, favour, any material or immaterial benefit or other advantage, commission, fees, brokerage or inducement to any official of the MCGM or otherwise in procuring the contract or forbearing to do or having done any act in relation to the obtaining or execution of the contract or any other contract with MCGM for showing or forbearing to show favour or disfavor to any person in relation to the contract or any other contract with MCGM.
- 2.4 The Bidders/ Contractors will not enter with other bidders into any undisclosed agreement or understanding, whether formal or informal, in particular regarding prices, specifications, certifications, subsidiary contracts, submission or non-

submission of bids or any other actions to restrict competitiveness or to introduce cartelization in the bidding process.

- 2.5 The Bidders / Contractors will not commit any offence under relevant anti corruption laws of India. Further, the bidders will not use improperly, for purposes of competition for personal gain or pass on to others, any information or document provided by MCGM as part of the business relationship regarding plans, technical proposals and business details including information obtained or transmitted electronically.
- 2.6 The Bidders/ Contractors of foreign origin shall disclose the names and addresses of agents / representatives in India, if any, and Indian bidder shall disclose their foreign principals or associates.
- 2.7 The Bidder shall not lend to or borrow any money from or enter into any monetary dealings or transactions, directly or indirectly, with any employee of the MCGM.
- 2.8 The Bidder will not bring any Political, Governmental or diplomatic influence to gain undue advantage in its dealing with MCGM.
- 2.9 The Bidder will promptly inform the Independent External Monitor (of M.C.G.M.) if he receives demand for a bribe or illegal payment / benefit and If he comes to know of any unethical or illegal practice in M.C.G.M.
- 2.10 The Bidders / Contractors will disclose any and all payments he has made, is committed to or intends to make to agents, brokers or any other intermediaries in connection with the award of the contract while presenting his bid.
- 2.11 The Bidders / Contractors shall not lend to or borrow any money from enter into any monetary dealings directly or indirectly, with any employee of the M.C.G.M. or his relatives.
- 2.12 The Bidder will not collude with other parties interested in the contract to impair the transparency, fairness and progress of the bidding process, bid evaluation, contracting and implementation of the contract.
- 2.13 The Bidders / Contractors will undertake to demand from all sub contractors a commitment in conformity with this Integrity Pact.
- 2.14 The bidders / Contractors will not instigate third persons to commit offences outlined above or be an accessory to such offences.

3. PREVIOUS TRANSGRESSION

- 3.1 The Bidder declares that no previous transgressions occurred in the last 3 years immediately before signing of this Integrity Pact, with any other company in any country or with Public Sector Enterprises in India in respect of any corrupt practices envisaged hereunder that could justify BIDDER's exclusion from the tender process.
- 3.2 If the Bidder makes incorrect statement on this subject, he can be disqualified from the tender process or the contract if already awarded, can be terminated for such reasons.

4. DISQUALIFICATION FROM TENDER PROCESS AND EXCLUSION FROM FUTURE CONTRACTS

If the Bidders/ Contractors or anyone employee acting on his behalf whether or without the knowledge of the Bidder before award of the contract has committed a

transgression through a violation of aforesaid provision or in any other form such as put his reliability or credibility into question, the M.C.G.M. is entitled to exclude the bidder from the tender process or to terminate the contract if already signed and take all or any one of the following actions, wherever required.

- 4.1 To immediately call off the pre contract negotiations without assigning any reason or giving any compensation to the Bidder. Further, the proceedings with the other Bidders would continue.
- 4.2 The Earnest Money Deposit (in pre-contract stage) and/or Security Deposit / Performance Bond (after the contract is signed) shall stand forfeited either fully or partially, as decided by the M.C.G.M. and M.C.G.M. shall not be required to assign any reasons therefore.
- 4.3 To immediately cancel the contract, if already signed, without giving any compensation to the Bidder.
- 4.4 To recover all sums already paid with interest thereon at 5% higher than the prevailing Base rate of State Bank of India.
- 4.5 If any outstanding payment is due to the Bidder from M.C.G.M. in connection with any other contract, such outstanding payment could also be utilized to recover the aforesaid sum and interest.
- 4.6 To encash any advance Bank Guarantee and performance bond/warranty, if furnished by the Bidder, in order to recover the payment already made by M.C.G.M. along with interest.
- 4.7 To cancel all other contracts with the Bidder. The Bidder shall be liable to pay compensation for any loss or damages to the M.C.G.M. resulting from such cancellation / rescission and the M.C.G.M. shall be entitled to deduct the amount so payable from the money due to the Bidder.
- 4.8 Forfeiture of Performance Bond in case of a decision by the M.C.G.M. to forfeit the same without assigning any reason for imposing sanction for violation of the Pact.
- 4.9 The decision of M.C.G.M. to the effect that the breach of the provisions of this Pact has been committed by the Bidder shall be final and conclusive on the Bidder.
- 4.10 The Bidder accepts and undertakes to respect and uphold the absolute right of MCGM to resort to and impose such exclusion and further accepts and undertakes not to challenge or question such exclusion on any ground including the lack of any hearing before the decision to resort to such exclusion is taken.
- 4.11 To debar the Bidders/ Contractors from participating in future bidding process of M.C.G.M. for a minimum period of three years.
- 4.12 Any other action as decided by Municipal Commissioner based on the recommendation by Independent External Monitors (IEMs).

5. FALL CLAUSE

- 5.1 The Bidder undertakes that it has not supplied similar products / systems or subsystems in the past six months in the Maharashtra State for quantity variation upto -50% or +10%, at a price lower than that offered in the present bid in respect of any other Ministry / Department of the government of India or PSU or MCGM and if it is found at any stage that similar products / systems or sub systems was

supplied by the BIDDER to any other Ministry / Department of the Government of India or a PSU or MCGM at a lower price, then that very price will be applicable to the present case and the difference in the cost would be refunded by the BIDDER to the MCGM, if the contract has already been concluded, else it will be recovered from any outstanding payment due to the bidder from MCGM.

6. EXTERNAL INDEPENDENT MONITOR / MONITORS

- 6.1 The M.C.G.M. appoints competent and credible external independent Monitor for this Pact. The task of the Monitor is to review independently and objectively, whether and to what extent the Parties comply with the obligations under this Agreement.
- 6.2 The Monitor is not subject to instructions by the representatives of parties and perform his functions neutrally and independently and report to the Municipal Commissioner / concerned Additional Municipal Commissioner.
- 6.3 Both the parties accept that the IEM has the right to access, without restriction, to all documentation relating to the project / procurement, including minutes of meetings.
- 6.4 The Bidder shall grant the IEM upon his request and demonstration of a valid interest, unrestricted and unconditional access to his project documentation. The same is applicable to sub contractors.
- 6.5 The IEM is under contractual obligation to treat, the information and documents of the Bidder/Contractor/sub-contractor, with confidentiality.
- 6.6 The MCGM will provide to the IEM sufficient information about all meetings among the parties related to the Project provided such meetings could have an impact on the contractual relations between the parties. The parties will offer to the IEM the option to participate in such meetings.
- 6.7 As soon as the IEM notices, or believes to notice, a violation of this Agreement, he will so inform the Additional Municipal Commissioner. The IEM can in this regard submit non-binding recommendations. If Additional Municipal Commissioner has not, within a reasonable time, taken visible action to proceed against such offence, the IEM may inform directly to the Municipal Commissioner.
- 6.8 The IEM will submit a written report to the Municipal Commissioner / Additional Municipal Commissioner within 8 to 10 weeks from the date of service or intimation to him by M.C.G.M./ Bidder and should the occasion arise, submit the proposal for correcting problematic situations.
- 6.9 The word "IEM" would include both singular and plural.
- 6.10 Both the parties accept, that the recommendation of IEM would be in the nature of advise and would not be legally binding. The decision of Municipal Commissioner in any matter/ complain will be the final decision.

7. VALIDITY OF THE PACT

- 7.1 The validity of this Integrity Pact shall be from the date of its signing and extend upto two years or the complete execution of the contract to the satisfaction of both the M.C.G.M. and BIDDER / Seller, including warranty period, whichever is

later. In case BIDDER is unsuccessful, this Integrity Pact shall expire after six months from the date of the signing of the contract.

- 7.2 If any claim is made/ lodged during the validity of this contract, such claim shall be binding and continue to be valid despite the lapse of this pact unless it is discharged / determined by the Municipal Commissioner / Additional Municipal Commissioner of the M.C.G.M.

8. FACILITATION OF INVESTIGATION

In case of any allegation of violation of any provisions of this Pact or payment of commission, the MCGM or its agencies OR Independent External Monitor shall be entitled to examine all the documents including the Books of Accounts of the BIDDER and the BIDDER shall provide necessary information and documents in English and shall extend all possible health for the purpose of such examination.

9. MISCELLANEOUS

- 9.1 This Agreement / Pact is subject to the Indian Laws, place of performance and jurisdiction is the registered office of the M.C.G.M. i.e. Mumbai and the actions stipulated in this Integrity Pact are without prejudice to any other legal action that may follow in accordance with the provisions of the extent law in force relating to any civil or criminal proceedings.
- 9.2 If the Contractor is a partnership or a consortium, this Agreement must be signed by all partners or consortium members.
- 9.3 Should one or several provisions of this Agreement turn out to be invalid, the remainder of this Pact remains valid. In this case, the Parties will strive to come to an Agreement to their original intentions.
